Lamberton, A.M., John McGovern, 1899 Demon Matt Wesolowski, 2021-11-20 Scott King's podcast investigates the 1995 cold case of a demon possession in a rural Yorkshire village where a 12 year old boy was murdered in cold blood by two children Book six in the chilling award winning Six Stories series _____ In 1995 the picture perfect village of Ussaltheaite was the site of one of the most heinous crimes imaginable in a case that shocked the world Twelve year old Sidney Parsons was savagely murdered by two boys his own age No reason was ever given for this terrible crime and the Demonic Duo who killed him were imprisoned until their release in 2002 when they were given new identities and lifetime anonymity Elusive online journalist Scott King investigates the lead up and aftermath of the killing uncovering dark and fanciful stories of demonic possession and encountering a village torn apart by this unspeakable act And as episodes of his Six Stories podcast begin to air King himself becomes a target with dreadful secrets from his own past dredged up and threats escalating to a terrifying level It becomes clear that whatever drove those two boys to kill is still there lurking and the campaign of horror has just begun _____ *Imperfect Histories* Ann Rigney, 2018-09-05 *Imperfect Histories* puts imperfection at the heart of a theory of historical representation Ann Rigney shows how historical writing involves dealing with intractable subjects that resist our efforts to know and to shape them Those who write history she says engage in an ongoing struggle to match up what they find relevant in the past with the information and interpretive models at their disposal Chronic dissatisfaction is at the heart of historical practice This is especially evident in the various attempts made over the last two centuries to write an alternative history of everyday experience Focusing on historical writing in the last decades of the eighteenth century and the first half of the nineteenth Rigney analyzes a wide range of works by Walter Scott Jules Michelet Augustin Thierry and Thomas Carlyle She shows how the attempt to write an alternative history brought historical writing into a close yet fraught relationship with literature The result is a new account of that relationship as it took shape in the romantic period and as it continues to influence

contemporary practices **The Male Survivor** Matthew Parynik Mendel,1995 This landmark study examines the largest clinical sample to date of male survivors of sexual abuse in childhood Using data from his nationwide North American survey the author reveals that such abuse is extensive thus dispelling myths regarding the invulnerability of males Mendel argues that various societal myths have led to a profound under recognition of male childhood sexual abuse He proposes that increased attention to and acknowledgement of male victimization is needed in order to reduce both the stigma and isolation of male survivors and the incidence of abuse The author also suggests modifications to conceptual frameworks related to the long term impact of childhood sexual abuse to apply specifically to male The subject matter of a course of six lectures on the non-metallic elements, arranged by J. Scoffern Michael Faraday,1853 UNITE History Volume 6 (1992-2010) Adrian Weir,2023-11-01 Sold as a multi volume set the individual volumes are also available for purchase This is the final book in a series of volumes on the history of the Transport General Workers Union T G After the neo liberal assault on the unions and working people more generally carried through by Margaret Thatcher and John Major in the 1980s and 1990s the unions including the T G were faced with making some tough decisions about their future The T G initially turned to restructuring and engaged US management consultants to make recommendations about how the union should be moulded to fit the fast approaching new millennium In other parts of the world at this time particularly in the US and Australia forward thinking unions were realising that the way out of the crisis was to switch from what was called the servicing model where the union did things for its members to an organising model where the union did things with its members and early in the millennium the political and industrial logic of forming a large general workers union became more and more apparent This fascinating volume looks at this history of the T G and considers how a three way union merger eventually became a reality with the merger of the T G and Amicus to form Unite **Incerto** NASSIM NICHOLAS. TALEB,2021-05-04 The landmark five book series all together in one boxed set The Incerto is an investigation of opacity luck uncertainty probability human error risk and decision making when we don t understand the world expressed in the form of a personal essay with autobiographical sections stories parables and philosophical historical and scientific discussions in non overlapping volumes that can be accessed in any order The main thread is that while there is inordinate uncertainty about what is going on there is great certainty as to what one should do about it This boxed set includes FOOLED BY RANDOMNESS THE BLACK SWAN THE BED OF PROCRUSTES ANTIFRAGILE SKIN IN THE GAME Six Stories from the End of Representation James Elkins,2008 Six Stories is a radically new look at the intersection of science and art through failed images
