Murray, 2014 A unique look at the career of a little known contemporary of Haydn and Mozart presented against a fascinating background of court musical life in late eighteenth century Germany Today the classical style is defined by the music of a handful of composers Haydn and Mozart being the most prominent As a result the accomplishments of these masters have all but eclipsed the music of most of their contemporaries In this book Sterling Murray examines one of the most talented of this group Antonio Rosetti Born around 1750 and trained in Bohemia Rosetti spent most of his creative life in Germany where he served as music director to the Prince of Oettingen Wallerstein between 1773 and 1789 and then the Duke of Mecklenburg Schwerin until his death in 1792 The Career of an Eighteenth Century Kapellmeister offers the first comprehensive study of Rosetti s life The events of the composer s biography are unfolded against a vivid picture of musical life at the two small German courts where Rosetti was employed The second half of the book is devoted to an examination of form and style in Rosetti s music illustrated with full score musical examples in the text and on a complementary website What emerges from this investigation is a portrait of a composer who having conquered the stylistic language of his day challenged those conventions to produce imaginative and highly creative works of great beauty Sterling E Murray is professor emeritus of the School of Music at West Chester University in West Chester Pennsylvania

Bibliographic Guide to Music New York Public Library. Music Division, 2004 Arias for Francesco Benucci Dorothea Link, 2004-01-01 xxvi 122 pp *Der Spiegel von Arkadien, Part 2* Franz Xaver Süssmayr, 2014-03-01 Franz Xaver Süssmayr 1766 1803 launched a career as one of the most respected German opera composers of the time with the success of *Der Spiegel von Arkadien* The critical reception was almost uniformly enthusiastic the score was even compared to that of Mozart s *Die Zauberflöte* a rare praise for the time Indeed in the musical high points Süssmayr appears to have benefited from his direct knowledge of Mozart s technique which is also apparent in Süssmayr s completion of the master s *Requiem* Premiering on 14 November 1794 *Der Spiegel von Arkadien* had over sixty five performances in its first year alone It was performed all over Europe both in the original German and in several translations and was revived regularly for over thirty years The enduring performance history attests to some extraordinarily beautiful inspired music in Süssmayr s score music that has been neglected far too long Two Operas from the Series "Die zween Anton," Part 2 David J. Buch, 2016-01-01 The stunning success of *Der dumme Görtner aus dem Gebirge* oder *Die zween Anton* at Vienna s Theater auf der Wieden 12 July 1789 led quickly to a sequel in the same year *Die verdeckten Sachen* 26 September Like its predecessor the music was a collaborative

composition by Franz Xaver Gerl Benedikt Schack Johann Baptist Henneberg and probably Schikaneder himself Mozart had high praise for the Antons and he composed his final set of piano variations on one of the most celebrated arias in Die verdeckten Sachen Ein Weib ist das herrlichste Ding auf der Welt This edition will present this aria for the first time in its original orchestration With the recent identification of performing materials for Die verdeckten Sachen in Rudolstadt Thuringia we can now investigate this opera in detail
