Sixpenny Soldier:

The Sixpenny Soldier Roland Griffiths-Marsh, 1990 Foundation for Australia Literary Studies Winner Best Australian book of the year KILL THE MAJOR (Second Edition) Paul Malone, 2023-02-07 The true story of the 42 Australian New Zealand and British guerrillas and their Borneo warrior allies who fought behind Japanese lines in World War II and forced the surrender of the last two Japanese companies ten weeks after World War II's official end Over 1 000 Japanese were killed in the Semut I operation a casualty rate out of all proportion to the small size and armaments of the force But rather than revere and praise their leader after the war many of the guerrillas recounted their hatred for their British major Tom Harrison One of those amazing stories that wars throw up Steven Carroll The Sydney Morning Herald The Age Kill the Major reveals much that will be news to the descendants of the Kelabit warriors Dr Philip Raja President Rurum Kelabit Sarawak While it is now 75 years since Special Operations Australia SOA conducted its most successful operation throughout the course of the Second World War the author has provided a refreshing review of events and he has reignited much debate over the legacy of Operation Semut Major Rtd Jim Truscott Commando The Magazine of the Australian Commando Association Malone's fascinating book reveals that the Allied guerrillas with the help of traditional headhunting local tribesmen did an outstanding job after being dropped into the Borneo jungle during the Pacific War In particular Malone builds a strong argument that the 9th Division should have accepted the guerrillas accurate intelligence and moved inland to round up the two big groups of Japanese roaming the interior Instead following the official Japanese surrender they chose to withdraw leaving the loyal locals at the mercy of the Japanese Brian Toohey National security writer and former Canberra and Washington correspondent Australian Financial Review The Artillerist's Manual, and British Soldier's Companion Frederick Augustus Griffiths, 1868 **The artillerist's manual and British soldier's compendium** F. A.

Griffiths, 2025-03-02 In The Artillerist's Manual and British Soldier's Compendium F A Griffiths offers a meticulous guide that showcases both the technical expertise and tactical nuances of artillery in the British military context Written in an accessible yet authoritative style the compendium blends detailed illustrations diagrams and comprehensive descriptions to elucidate complex concepts in military artillery It serves as a crucial resource for understanding the evolution of British military engagement during the 19th century reflecting broader themes of industrialization and modernization within armed forces The book not only instructs on the mechanics and operations of artillery but also provides insights into the soldier's life emphasizing discipline strategy and camaraderie among troops F A Griffiths a figure deeply entrenched in military studies draws from his extensive background in both practical artillery service and academic scholarship to deliver this compendium His experience fosters a unique perspective that marries technical proficiency with historical narrative offering readers a both hands on approach and a broader societal perspective on the role of artillery in shaping British military fortunes Griffiths's expertise is rooted in the 19th century military milieu allowing him to capture the zeitgeist of an era

poised at the nexus of tradition and innovation Recommended for historians military enthusiasts and professionals alike Griffiths s work stands as an essential reference that enriches the understanding of British military history Its blend of practical guidance and historical context makes it a vital tool for both scholars and practitioners seeking knowledge about the complexities of military operations and their sociopolitical implications This compendium is a significant contribution to the annals of military literature providing invaluable insights for anyone interested in the legacy of military prowess **The Artillerist's Manual, and British Soldier's Compendium** Frederick Augustus Griffiths,1862 *The Artillerist's Manual, and British Soldier's Compendium ... Seventh Edition* Frederick Augustus GRIFFITHS,1856 *The Reading Nation in the Romantic Period* William St Clair,2004-07-08 Publisher Description [The Proud 6th](#) Mark Johnston,2009-01-19 Following Mark Johnston s acclaimed illustrated histories of the 7th and 9th Australian Divisions this is his long awaited history of the 6th Australian Division the first such history ever published The 6th was a household name during World War II It was the first division raised in the Second Australian Imperial Force the first division to go overseas and the first to fight Its success in that fight in Libya in 1941 indicated that the standard established in the Great War would be continued General Blamey and nearly every other officer who became wartime army corps and divisional commanders were once members of the 6th Division Through photographs and an authoritative text this book tells their story and the story of the proud independent and tough troops they commanded *Australia 1944-45* Peter J. Dean,2016 Thoroughly researched and generously illustrated Australia 1944 45 is the compelling final instalment in Peter Dean s Pacific War series *In the Picture* Donat Gallagher,Carlos Villar Flor,2014-11-15 Evelyn Waugh at war is an irresistibly fascinating subject as are his war novels and diaries Drawn to units offering the greatest danger but often frustrated in his search for action Waugh served in multiple regiments saw battle on Crete and worked behind the lines in occupied Croatia In the Picture traces Waugh s experiences both vivid and mundane with a completeness never before attempted and shows how they come alive in *Sword of Honour* It also illuminates the brief hints within the narrative of key events of the war while highlighting its strategic direction Waugh s individualistic relationships with superiors subordinates and public opinion led to blame and controversy Working mainly from archival sources In the Picture examines Waugh s fitness to be an officer his conduct on Crete his being sacked from the Special Service Brigade and his service in Croatia New very surprising discoveries dispel entrenched myths *Australian Battalion Commanders in the Second World War* Garth Pratten,2009-04-27 In *Australian Battalion Commanders in the Second World War* Garth Pratten explores for the first time the background role and conduct of the commanding officers of Australian infantry battalions in World War II Despite their vital role as the lynchpins of the battlefield uniting the senior officers with the soldiers who fought the battalion commanders have previously received scant attention in contemporary military history This book redresses the balance providing a gripping meticulously researched and insightful account that charts the development of Australia s infantry commanding officers from part time ill prepared amateurs to seasoned

veterans who although still not professional soldiers deserved the title of professional men of war Drawing on extensive and original archival material Pratten recreates battle scenes and brings to light many diverse personalities It is a story of men confronting the timeless challenges of military leadership mastering their own fear and discomfort in order to motivate and inspire their troops to endure the maelstrom of war *Fighting Monsters* Richard Wallace Braithwaite, 2016 Only six escapees survived the Sandakan death marches of 1945 in North Borneo the worst atrocity ever inflicted on Australian soldiers 1787 Australian and 641 British POWs perished Previous descriptions of the numerous violent acts have yielded little understanding of a situation where the real struggle was to keep one's humanity when so many were losing theirs whether Allied POWs local residents of Borneo Javanese slave labourers or Japanese soldiers Understanding this extraordinary story is aided by reference to a wide range of sources in different countries and disciplines and by examining the perspectives of all players in this terrible game of survival An unusual and extreme POW story the Sandakan tragedy had four stages active resistance in 1942 3 stubborn endurance in 1943 4 the collapse of civilized existence in 1945 and finally the postwar decades of torment for the six damaged survivors the gradual assimilation of the story the healing of the damage and the commemoration of the tragedy by the families and communities involved Richard Wallace Braithwaite's father was one of the six survivors of the Sandakan death marches of 1945 He died in 1986 still wanting the story to be properly told This led to a project that has lasted for much of the last forty years of the author's life culminating in this book With a scientific background Richard worked for many years with CSIRO and universities in the biological and social sciences and in historical research His extensive and diverse research history and lifelong personal immersion in the story has given him a unique perspective in exploring the complexities of the Sandakan tragedy

A Handful of Mischief Donat Gallagher, Ann Pasternak Slater, John Howard Wilson, 2011-04-18 A Handful of Mischief New Essays on Evelyn Waugh is a collection of essays based on presentations at the Evelyn Waugh Centenary Conference at Hertford College Oxford in 2003 There are twelve different essays by authors from various countries including Australia Canada Russia the United Kingdom and the United States The essays cover a wide range of material from Waugh's early novel Black Mischief 1932 to his last travel book A Tourist in Africa 1960 In addition to essays on well known novels such as Scoop 1938 Brideshead Revisited 1945 and Helena 1950 the collection includes papers on Waugh's library his changing conception of Oxford his writing about religious conversion and his role in the British evacuation of Crete in 1941 The authors approach Waugh and his work in various ways and innovative essays explore sovereignty post colonialism and adaptation for radio Contributors Baron Alder Peter G Christensen Robert Murray Davis Marcel DeCoste Patrick Denman Flanery Donat Gallagher Irina Kabanova Dan S Kostopulos Lewis MacLeod John W Mahon Richard W Oram Ann Pasternak Slater John Howard Wilson

Australia's China Lachlan Strahan, 1996 First published in 1996 Australia's China explores the multifaceted and dynamic Australian encounter with China from the beginning of the Sino Japanese War in 1937 through the Cold War to the Australian

recognition of the PRC in 1972 Going beyond conventional policy studies it traces the patterns in Australian reactions to China from the grass roots to official circles highlighting the centrality of images concerning the exotic disease sexuality the frontier and China as a paradise anti paradise In responding to China Australians revealed something of themselves and this book maps the formation of Australian conceptions of identity in the context of a cross cultural encounter which was variously cooperative enriching baffling and antagonistic But there was no single Australian conception of China Rather competing perceptions jostled in a shifting dialogue

The Independent ,1899 **Independent and Weekly Review** ,1899 **Lethality in Combat** Doctor Tom Lewis,2012-02-01 Lethality in Combat shines a blazing light on the three most controversial aspects of military combat the necessity of killing the taking or not of prisoners and the targeting of civilians This book argues that when a nation state sends its soldiers to fight the state must accept the full implications of this uncomfortable as they may be Drawing on seven conflicts the Boer War World Wars I and II and the wars in Korea Vietnam the Falklands and Iraq the author considers these ethical issues

Sixty Years of a Soldier's Life Sir Alfred Edward Turner,1912 **Six-Penny Anthems 3** Kevin Cornell,2017-04-18 A collection of sketches drawings comics and inane commentary provided by one man German Chancellor Otto Von Bismark Wait no Kevin Cornell Kevin Co **The Truth of War** Doctor Tom Lewis,2023-11-01 The Truth of War unveils a penetrating exploration of the most contentious facets of military combat delving into the necessity of killing the complex decisions surrounding the taking or sparing of prisoners and the intricate dilemmas concerning the targeting of civilians With a profound analysis of seven significant conflicts this book challenges conventional beliefs arguing that war possesses its own set of rules that often diverge from society's established laws and values At its core the book confronts the harsh reality that soldiers engaged in close quarter combat must swiftly adapt to become efficient killers in order to survive emphasising the stark choice they face hone their lethal skills or meet a perilous demise The author contends that the requirements of war demand an unflinching acceptance of this disturbing truth By drawing from history encompassing conflicts such as the Boer War World Wars I and II the wars in Korea Vietnam the Falklands Iraq and Afghanistan the author presents a comprehensive examination of the ethical dilemmas embedded within each episode Through meticulous research and vivid storytelling The Truth of War peels back the layers of sanitised perceptions exposing the gritty realities that within the realm of warfare In unveiling the hidden truths and complexities of war this brilliant and thought provoking book shines a blazing light on the multifaceted nature of combat challenging readers to reevaluate their preconceived notions and confront the uncomfortable truths that lie at the heart of humanity's most enduring and controversial endeavour war
