The Temple of My Wisdom Hadassadajah C. Akusani, 2017-08-30 This book can be considered non traditional in that it looks at religion and religious teachings from an entirely different point of view of most religious information flooding today s literary market It speaks in defense of a truly EXPANSIVE nature of what we affectionately call God which is PURE CONSCIOUSNESS It is designed to give the reader hope in a sometimes hopeless world by encouraging the turning of one s attention away from the divine mysteries taught in composite religion where any semblance of hope lies only in the hereafter to the marvelous study and grandeur of the universe itself and the universal laws put in place for our elevation to a higher station in life It regales the importance of the SIXTH SENSE which is critical to understand the workings of this marvelous gift of a MIND endowed to us by an awesome Creator as opposed to a largely depressing religious outlook which has shaped the world view of many Indeed our INTUITION has the capability of revealing to one s higher mind the wonders of our marvelous mind and its sixth sense capabilities if we but put it to use It regales us of the riches that await us here in THIS LIFE not in some sweet bye and bye after we die Reality is what gives true hope as opposed to a fantasy belief that can never truly be beheld
