The Sixties Arthur Marwick, 2011-09-28 If the World Wars defined the first half of the twentieth century the sixties defined the second half acting as the pivot on which modern times have turned From popular music to individual liberties the tastes and convictions of the Western world are indelibly stamped with the impact of this tumultuous decade Framing the sixties as a period stretching from 1958 to 1974 Arthur Marwick argues that this long decade ushered in nothing less than a cultural revolution one that raged most clearly in the United States Britain France and Italy Marwick recaptures the events and movements that shaped life as we know it the rise of a youth subculture across the West the sit ins and marches of the civil rights movement Britain s surprising rise to leadership in fashion and music the emerging storm over Vietnam the Paris student uprising of 1968 the growing force of feminism and much more For some it was a golden age of liberation and political progress for others an era in which depravity was celebrated and the secure moral and social framework subverted The sixties was no short term era of ecstasy and excess On the contrary the decade set the cultural and social agenda for the rest of the century and left deep divisions still felt today

Preserving the Sixties T. Harris, M. O'Brien Castro, Monia O'Brien

Castro,2014-04-16 Re examining the long held belief that the Sixties in Britain were dominated mainly by youth and protest the authors in the collection argue that innovation was everywhere shadowed by conservatism A decade fascinated by itself and especially by the future it also was tormented by self doubt and accompanied by a fear of losing the past *Sixties Design* Pepin van Roojen,2019 *The Sixties* Lesley Jackson,1998 Lesley Jackson traces the transition from the contemporary design of the 1950s to the pure geometry of the look and the styles that proliferated throughout the momentous events of the 1960s **The Socialist Sixties** Anne E. Gorsuch,Diane P. Koenker,2021-12-22 A very engaging collection of essays that adds much to an evolving literature on the social history of the Soviet Union and broader socialist societies Choice The 1960s have reemerged in scholarly and popular culture as a protean moment of cultural revolution and social transformation In this volume socialist societies in the Second World the Soviet Union East European countries and Cuba are the springboard for exploring global interconnections and cultural cross pollination between communist and capitalist countries and within the communist world Themes explored include flows of people and media the emergence of a flourishing youth culture sharing of songs films and personal experiences through tourism and international festivals and the rise of a socialist consumer culture and an esthetics of modernity Challenging traditional categories of analysis and periodization this book brings the sixties problematic to Soviet studies while introducing the socialist experience into scholarly conversations traditionally dominated by First World perspectives **History of Modern Design** David Raizman,2003 An exploration of the parallel development of product and graphic design from the 18th century to the 21st The effects of mass production and consumption man made industrial materials and extended lines of communication are also discussed **All Wrapped Up!** Kevin Akers,2005 Through hundreds of eye popping reproductions All Wrapped Up celebrates gift wrapthat most ephemeral of paper productsfrom the groovy 1960s The modest palette and conventional patterns of the previous decade eventually yielded to the riotous colors op art and psychedelic visions that defined the late 60s charting a course through the entire spectrum of mid century graphic design and commercial illustration Popular imagery of cute animals adorable children barbecue iconography for dad funky florals and Santas of every stripe grace these pages A thoughtfully wrapped present is a gift in itself and All Wrapped Up is the perfect package to celebrate the popular designs of the most visually exuberant decade of all
