A tough Welshman he was softened by the affections of a breathtakingly beautiful woman she was a modern day Cleopatra madly in love with her own Mark Antony. For quarter of a century Elizabeth Taylor and Richard Burton were the king and queen of Hollywood. Yet their two marriages to each other represented much more than outlandish romance. Together Elizabeth and Richard were a fascinating embodiment of the mores and transgressions of their time and even luminaries like Jacqueline Kennedy looked to them as a barometer of the culture. The enduring glamour, grandeur, drama and bravado embodied in the couple gave rise to the type of rabid gossip and wide-eyed adoration that are the staples of today's media. Using brand new research and interviews including unique access to Taylor herself, the Burton family and Taylor's extensive personal correspondence, this ultimate celebrity biography is the gripping real life story of a fairy tale couple whose lives were even grander and more outrageous than the epic films they made. Marine Engineering Log, 1900
