The International Studio Charles Holme, Guy Eglinton, Henry James Whigham, William Bernard McCormick, Peyton Boswell, 1920 **The International Library of Music for Home and Studio** , 1925 **The International Library of Music for Home and Studio: History of music. Biographical sketches. Dictionary** , 1925 *The Studio* , 1916 **The Studio Year-book of Decorative Art** , 1914 **Frank Lloyd Wright's Approach to Domestic Design, Chicago Area, 1892-1900** Terry J. Albright, 1961 **The Women of Atelier 17** Christina Weyl, 2019-01-01 This timely reexamination of the experimental New York print studio Atelier 17 focuses on the women whose work defied gender norms through novel aesthetic forms and techniques Official Bulletin of the International Alliance of Theatrical Stage Employees and Moving Picture Machine Operators of the United States and Canada International Alliance of Theatrical Stage Employees and Moving Picture Machine Operators of the United States and Canada, 1977 **Photography in China** Oliver Moore, 2021-12-24 Emphasizing the medium's reception among several Chinese constituencies this book explores photography's impact within new discourses on science as well as its effects in social life visual modernity and the media during China's transition from imperial to republican government General knowledge and academic teaching of early modern Chinese visual culture stops short of fitting photography into the larger context of visual practices and theories This study redraws the boundaries by making photography the central concern within changing priorities of visual representation and its functions during a period of major cultural and political change No other study draws on such intimate familiarity with the early glamour of photography as science commerce and communication in the various local conditions of China's cities and towns Joining a body of critical writing that examines photography's histories outside the familiar confines of the West this book looks beyond the tourist and imperialist gazes of photographer adventurers from the Western powers and Japan It defines instead the Chinese priorities of photographic vision that are abundantly evident in surviving photographs as well as in records as various as technical manuals and personal inscriptions Local practices and local knowledge are the keys to explain the highly successful indigenization of a medium as globalizing as photography with reference to Chinese society's own terms and practices This book will be of particular interest to scholars in art and visual culture the history of photography and Asian art

Cinema and Inter-American Relations Adrián Pérez Melgosa, 2012 Cinema and Inter American Relations studies the key role that commercial narrative films have played in the articulation of the political and cultural relationship between the United States and Latin America since the onset of the Good Neighbor policy 1933 Pérez Melgosa analyzes the evolution of inter American narratives in films from across the continent highlights the social effects of the technologies used to produce these works and explores the connections of cinema to successive shifts in hemispheric policy As a result Cinema and Inter American Relations reveals the existence of a continued cinematic conversation between Anglo and Latin America about a cluster of shared allegories representing the continent and its cultures Pérez Melgosa contends that cinema has become a

virtual contact zone of the Americas mediating in a variety of hemispheric political debates about the articulation of Anglo Latin American and Latino identities Cinema and Inter American Relations brings sustained attention to ongoing calls for a transnational focus on the disciplines of film studies American studies and Latin American studies and engages with current theories of the transmission of affect to delineate a new cartography of how to understand the Americas in relation to cinema
