## **Skeptics Who Demanded A Verdict:**

**Skeptics Who Demanded a Verdict** Josh McDowell, 1989 The stories of three one time skeptics who came to believe in Christ C S Lewis Charles Colson and John McDowell A convincing witness for the faith [Evidence That Demands a Verdict](#) Josh McDowell, Sean McDowell, 2017-10-03 Everything you need to effectively defend the truths of the Bible and the beliefs of the Christian faith Winner of the 2018 ECPA Christian Book award for Bible Reference Works The truth of the Bible doesn't change but its critics do Now with his son Sean McDowell speaker and author Josh McDowell has updated and expanded the modern apologetics classic for a new generation Evidence That Demands a Verdict provides an expansive defense of Christianity's core truths rebuttals to some recent and popular forms of skepticism and insightful responses to the Bible's most difficult and misused passages It invites readers to bring their doubts and doesn't shy away from the tough questions Topics and questions are covered in four main parts Evidence for the Bible Evidence for Jesus Evidence for the Old Testament Evidence for Truth Also included you'll find An introduction about the biblical mandate to defend one's faith and why our faith is built on facts A prologue describing why we live in a theistic universe A closing response to the specific challenges of atheist New Testament scholar Bart Ehrman Two reflections How to Know God Personally and He Changed My Life Serving as a go to reference for even the toughest questions Evidence that Demands a Verdict continues to encourage and strengthen millions by providing Christians the answers they need to defend their faith against the harshest critics and skeptics Here's a treasure trove of apologetic gems This is an indispensable book that all Christians should keep within reach Lee Strobel bestselling author of The Case for Christ *Evidence that Demands a Verdict, eBook* Josh McDowell, 1999-10-13 Among important books in the defense of Christianity this one has few equals Evidence That Demands a Verdict is an easy to read front line defense for Christians facing the tough questions of critics and skeptics Using secular evidences and other historical sources Josh McDowell's faith building book is a must read for every Christian **Answering the Objections of Atheists, Agnostics, and Skeptics** Rhodes, Ron, **Skeptics Answered** Dr. James Kennedy, 2011-10-05 Dr. James Kennedy takes on some of the most asked questions regarding the validity of the Christian faith in Skeptics Answered In clear unassuming language Dr. Kennedy examines the reliability of the Bible the nature of God and Christian faith in the face of life's harsh realities Skeptics Answered uses factual well reasoned arguments to affirm the faith of Christians everywhere Ideal for both personal and group study it makes an excellent gift for any non believer who as a matter of intellectual integrity is willing to consider the clear evidence for the Christian faith **Answers for the Honest Skeptic** Ted Even, 2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then

obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing      **The Skeptic Encyclopedia of Pseudoscience** Michael Shermer,2002-11-14 A thorough objective and balanced analysis of the most prominent controversies made in the name of science from the effectiveness of proposed medical treatments to the reality of supernatural claims Edited by Michael Shermer editor and publisher of The Skeptic magazine this truly unique work provides a comprehensive introduction to the most prominent pseudoscientific claims made in the name of science Covering the popular the academic and the bizarre the encyclopedia includes everything from alien abductions to the Bermuda Triangle crop circles Feng Shui and near death experiences Fifty nine brief descriptive summaries and 23 investigations from The Skeptic magazine give skeptical analyses of subjects as far ranging as acupuncture chiropractic and Atlantis The encyclopedia also gives for and against debates on topics such as evolutionary psychology and case studies on topics like police psychics and the medical intuitive Carolyn Myss Finally the volumes include five classic works in the history of science and pseudoscience including the speech William Jennings Bryan never delivered in the Scopes trial and the first scientific and skeptical investigation of a paranormal spiritual phenomenon by Benjamin Franklin and Antoine Lavoisier      10

Answers for Skeptics Alex McFarland,2011-10-01 In 10 Answers for Skeptics McFarland identifies the 10 most common types of skepticism that plague doubters minds and offers believers proven strategies for connecting intellectually and spiritually with those who are skeptical about the claims of Christianity Today s skeptics are looking for authenticity integrity and straightforward truth Readers will learn how to answer intimidating questions identify the root issue behind those questions and dismantle the spiritual bombshells dropped by atheists Plus they ll find encouragement to face hostility by persevering in love the ultimate apologetic Christians can offer as witness to our loving God      His Word 7 Year Work Biblical Roots by Former Skeptic ,      **A Skeptic's Investigation into Jesus** J. P. Hannah,2020-04-27 Does human life have any significance The statements below have become widely accepted in the Western world Life is the accidental product of random events The laws of physics are totally deterministic Science does not accept a connection between physical matter and human consciousness Atheism is a conclusion from evidence while faith is speculation Science and faith are incompatible Suffering contradicts the existence of a loving omnipotent God Jesus was a compilation of pagan mythologies or a human teacher who was deified But do these statements represent eternal truths Are they logical conclusions based on established facts or

merely opinions What is the evidence To investigate these and other questions of existence and faith a skeptical academic objectively explored relevant aspects of philosophy mythology history archaeology cosmology quantum physics biochemistry and various faiths that finally led to investigation of the Judeo Christian Scriptures including the Dead Sea Scrolls and the gnostic gospels The findings of this research not only challenge many modern assumptions but also have significant implications for our understanding of reality Written with minimum technicality for general readership this book presents a wide range of interesting and carefully confirmed facts relevant to the above questions Whether you are an atheist or an agnostic a Christian or a follower of another faith or have simply not been interested this investigation provides valuable and surprising insights into the nature of the universe and our place in it **Can a Skeptic Believe in God?** James B.

Polson,2019-10-15 The author was a skeptic by nature and a research scientist by training Could such a person ever believe in God This book recounts the skeptical author's quest to discover whether anything can be proven about the existence of God the existence of heaven and hell and whether there is anything a person can do to change his eternal destiny His search led to some vital truths that he and others can believe in *The Oxford Handbook of Skepticism* John Greco,2011-10-01 In the history of philosophical thought few themes loom as large as skepticism Skepticism has been the most visible and important part of debates about knowledge Skepticism at its most basic questions our cognitive achievements challenges our ability to obtain reliable knowledge casting doubt on our attempts to seek and understand the truth about everything from ethics to other minds religious belief and even the underlying structure of matter and reality Since Descartes the defense of knowledge against skepticism has been one of the primary tasks not just of epistemology but philosophy itself The Oxford Handbook of Skepticism features twenty six newly commissioned chapters by top figures in the field Part One contains articles explaining important kinds of skeptical reasoning Part Two focuses on responses to skeptical arguments Part Three concentrates on important contemporary issues revolving around skepticism As the first volume of its kind the articles make significant contributions to the debate on skepticism Handbook of Biblical Evidences John Ankerberg,John

Weldon,2008-03-01 Many Christians are afraid to talk about their faith for fear of not knowing what to say How can they prepare themselves That's the purpose of Handbook of Bible Evidences written by two bestselling apologetics experts John Ankerberg and John Weldon They provide clear and thoughtful responses to the tough questions seekers are most likely to ask questions such as Hasn't evolution proved that Genesis is wrong Isn't the Bible filled with historical and scientific errors What evidence is there that Jesus rose from the dead Focused on topics related to the Bible Jesus Christ and creation this powerful resource deals head on with false assumptions and frequent misconceptions people have And it's based on more than 30 years of apologetics research and ministry to unbelievers A superb tool for helping readers know how to share their faith with confidence Formerly titled Ready with an Answer **Evenings with the Skeptics** John Owen,1881 Weight Shift Brandon Berg,2025-08-26 Those who are new to faith in Christ or have led other people to faith in Christ understand

that the first few steps of faith in Jesus are critical Weight Shift attempts to answer questions in at least two realms basic Christian belief orthodoxy and basic Christian action orthopraxy It will address questions such as Who is Jesus Who is the Holy Spirit What really is prayer and What are a few initial steps of faith a new Christ follower can take Ironically there are few books today that address the early stages of the Christian faith in basic easy to understand practical ways Weight Shift does this and more There are hundreds of thousands of people coming to faith in Christ every year who need guidance help and solid answers as they navigate their first few steps of faith A bevy of books will be recommended throughout one's faith journey hopefully many that are helpful Even so Weight Shift was written in hopes it might be the first

**Austin's Way with Skepticism** Mark Kaplan, 2018-07-11 J L Austin is famous for writing as if he thought it a condition on the adequacy of what we say while doing epistemology that it accord faithfully with what we would say in ordinary circumstances A durable consensus formed after Austin's death that his pursuit of epistemology faithful to ordinary language was fundamentally misguided While critics saw his methods as resulting from a failure properly to understand the nature of the epistemologist's project Mark Kaplan argues that this consensus arose from a misreading of Austin In Austin's Way with Skepticism An Essay on Philosophical Method he

sets out his stance that both the condition of adequacy to which Austin was committed and his reason for being committed to it have been misunderstood by his critics Starting by carefully analysing what Austin said about knowledge in *Other Minds* examining the response to skeptical arguments and taking seriously the methodological remarks Austin scattered in his corpus Kaplan demonstrates that Austin's methods were not born of a misunderstanding of the project of epistemology Rather Austin was a powerful critique of how that project has been conceived though was not against epistemological theorizing itself Kaplan concludes that Austin understood himself to be offering substantive answers to key epistemological questions and defending a way of doing epistemology that is fully capable of providing these important answers
