Sketch Of The Life And Character Of Daniel Boone:

Daniel Boone and Others on the Kentucky Frontier Darren R. Reid, 2009-08-11 This is a collection of first hand accounts that illuminate life on America's trans Appalachian frontier The voices range from the legendary Daniel Boone here in its entirety is Boone's autobiography to a wide array of ordinary settlers and many of the stories are published here for the first time Also included are historical and analytical essays that give context to each story and numerous maps and illustrations

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

The Human Tradition in the American Revolution Nancy L. Rhoden, Ian K. Steele, 2000-01-01 This collection of 17 biographies provides a unique opportunity for the reader to go beyond the popular heroes of the American Revolution and discover the diverse populace that inhabited the colonies during this pivotal point in history

The 17th and 18th Centuries Frank N. Magill, 2013-09-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

Frontiersman Meredith Mason Brown, 2008-09-15 Supported with copious maps illustrations endnotes and a detailed chronology of Boone's life *Frontiersman* provides a fresh and accurate rendering of a man most people know only as a folk hero and of the nation that has mythologized him for over two centuries

A Familiar Wilderness Simon J. Dahlman, 2024-01-12 In 1775 renowned pioneer Daniel Boone was commissioned to blaze a road through the Appalachian and Cumberland Plateau regions as a fledgling American nation steadily pushed westward What would come to be known as the Wilderness Road was the first major route into the West and it allowed settlers to migrate northwest into Kentucky and later settle parts of Ohio Indiana and Illinois In 2012 Jim Dahlman stopped to stretch his legs on a brief hike into the Cumberland Gap and stumbled upon an adventure After months of preparation Dahlman grabbed a pack and set out to hike as accurately as possible Daniel Boone's original trace In *A Familiar Wilderness* Dahlman illustrates that the Wilderness Road is more than an old track through

Appalachia Many of the towns grew up along Boone's original footpath and people in these areas can draw direct connections to Boone himself or to other early settlers who traversed this trans Appalachian route Dahlman uses these and other encounters to uncover the history of the Wilderness Road and show how we are all a product of our past The hospitality of strangers becomes especially instrumental in making Dahlman's hike come alive Robert one such stranger offers to personally guide Dahlman over Powell Mountain As they make their ascent Robert provides a splendid view of the mountain blending careful observation of their surroundings with deep knowledge of the place A finale to Dahlman's almost 300 mile hike occurs on Hackberry Ridge overlooking Fort Boonesborough State Park a fitting tribute to Boone's own arrival on the ridge famously overlooking a herd of buffalo A Familiar Wilderness takes readers on a winding path where geography history and local memory intersect with daily life and Dahlman's lively writing sensitive to every detail will bring readers into thrilling touch with a past that still shapes and challenges the present
