Blackstrap Hawco Kenneth J. Harvey, 2009-02-24 Fifteen years in the making this book is the one Canada's heavyweight champ of brash and beautiful literature was meant to write An epic masterwork about Newfoundland's working class *Blackstrap Hawco* spans more than a century in gorgeous and widely varied prose reminding us that even when writing about the degradation of identity and language Harvey does it magnificently Named in a moment of anger *Blackstrap Hawco* is heir to an island dominion picked over by its adoptive nation From the arrivals of the indentured Irish to the Victorian drawing rooms of the English merchants from the perilous seal hunt to the raucous iron ore mines from a notorious disaster at sea to the relocation of outport communities the family legend

might be all his people have left to live for But as Blackstrap Hawco a novel that will consume you in its dazzling swirl of voices legends and beautiful hearsay testifies a story this haunting this powerful might just be enough *Quill & Quire*,2006

At the Gates of Dawn Ella Young,2011 In early Irish society there existed an honoured group of people called the Filid They preserved the native stories and they were learned in the magical arts It is within this ancient tradition that Ella Young 1867 1956 lived her unique and creative life In the late 1800s Ella began to gather the old tales that had been handed down from family to family for centuries She lived among the rural folk in the West of Ireland and in the hills south of Dublin As part of her devotion to Irish culture she learned Gaelic and as a major contributor to the Celtic Revival she taught classes in the language and the myths Ella s spirituality reached deep into the land and into the heart of ancient Ireland Others have called her a seeress a druidess or a witch the magical name she gave herself was Airmid the goddess of healing who drew her powers from the fertile green earth She knew first hand about the faery folk of Ireland she heard their music and listened to their stories Ella was truly blessed for her life flowed in harmony with her beliefs her nationalism and her career as an author and lecturer This new collection of her writings edited and introduced by John Matthews and Denise Sallee is a deeply magical and evocative tribute to Ella s many gifts featuring some of the best of her poetry and mythical storytelling *The Writers Directory* ,2013 *University of Toronto Quarterly* University of Toronto,1895
