Slave Question Liberty And Property In South Africa

Elizabeth Eldredge, Fred Morton

Slave Question Liberty And Property In South Africa:

The Slave Question Richard Lyness Watson,1990 This volume examines attitudes toward slavery among white settlers in South Africa from 1820 until emancipation by an act of the British Parliament in 1834 Drawing largely on contemporary newspaper missionary and government reports the author finds only individual expressions of the view that people should not be held as property the majority of whites accepted property as more important than liberty There is a brief analysis of the part that emancipation played in the Great Trek of Afrikaners The final chapter compares the situation in South Africa with that in the United States in the decades preceding the Civil War **Slave Question** Richard Lyness Watson,1990

Slavery, Emancipation and Colonial Rule in South Africa Wayne Dooling,2008 Slavery Emancipation and Colonial Rule in South Africa examines the rural Cape Colony from the earliest days of Dutch colonial rule in the mid seventeenth century to the outbreak of the South African War in 1899 For slaves and slave owners alike incorporation into the British Empire at the beginning of the nineteenth century brought fruits that were bittersweet The gentry had initially done well by accepting British rule but were ultimately faced with the legislated ending of servile labor To slaves and Khoisan servants British rule brought freedom but a freedom that remained limited The gentry accomplished this feat only with great difficulty Increasingly their dominance of the countryside was threatened by English speaking merchants and money lenders a challenge that stimulated early Afrikaner nationalism The alliances that ensured nineteenth century colonial stability all but fell apart as the descendants of slaves and Khoisan turned on their erstwhile masters during the South African War of 1899

1902 Colonial South Africa:Origins Racial Order Tim Keegan,1997-01-01 It is a story that is strong in notable events slave emancipation the arrival of the 1820 British settlers a series of frontier wars the Great Trek of Boer emigrants as well as in striking personalities among them Dr John Philip Andries Stockenström John Fairbairn Moshoeshoe and Sir Harry Smith In Keegan s pages these familiar historical landmarks and characters emerge in entirely novel ways the subject of fresh interpretations and original insights **Slave Emancipation and Racial Attitudes in Nineteenth-Century South Africa**

R. L. Watson,2012-02-20 Examines the significance of the abolition of slavery in South Africa s Cape Colony in 1834 and the subsequent development of race relations *Slavery In South Africa* Elizabeth Eldredge,Fred Morton,2019-05-28 South

African slavery differs from slavery practiced in other frontier zones of European settlement in that the settlers enslaved indigenes as a supplement to and eventually as a replacement for imported slave labor On the expanding frontier Dutch speaking farmers increasingly met their labor needs by conducting slave raids arming African slave Slavery and Colonial Rule in Africa Martin A. Klein,Suzanne Miers,2013-05-13 This book brings together a series of new case studies some by young scholars others by widely published authors All are based on original research and designed to enhance our understanding of the process of the abolition of slavery in Africa at the grass roots level Part of the studies are on new areas of interest such as the German colonies and the Algerian Sahara Others throw new light on questions already debated such

as emancipation of the Gold Coast Some focus on the impact of abolition on particular groups of slaves such as the royal slaves in Nigeria and concubines in Morocco Among the themes considered is the role of slaves in their own emancipation the short and long term results of abolition the role of the League of Nations and the vestiges of slavery in Africa today

Liberated Africans and the Abolition of the Slave Trade, 1807-1896 Richard Anderson, Henry B. Lovejoy, 2020

Interrogates the development of the world's first international courts of humanitarian justice and the subsequent liberation of nearly two hundred thousand Africans in the nineteenth century *After Slavery* Howard Temperley, 2000 A collection of essays in which every contributor focuses upon some aspect of slave emancipation with the aim of assessing to what extent the outcome met with expectation The hopes and disappointments that characterized the transition from slavery to freedom are depicted

Scandal In The Colonies McKenzie, Kirsten, 2013-06-18 In 1830s Sydney a visiting aristocrat Viscount Lascelles is exposed as a former convict In Cape Town during the same decade veiled accusations of incest and murmurs about a concealed pregnancy surround the family of the Chief Justice Sir John Wylde In these British colonies the divide between the respectable and the disreputable is not as vast as might first appear Rumour and hearsay muddy the lines between public and private worlds and ensure that secret transgressions do not remain secret for very long Scandal in the Colonies explores how colonial societies offered European settlers the opportunity to invent new identities an opportunity exploited with a vengeance But as people goods and correspondence crossed the imperial realm scandal was never far behind In this lively and richly researched book Kirsten McKenzie uncovers the hidden stories of two port towns that were rife with gossip and dubious reputations She argues that scandal influenced imperial policy and became a key element in the emergence of societies divided by class and race Touching on themes such as masculinity and commercial culture female sexuality in civil litigation and gossip in political culture McKenzie offers a fresh and engaging approach to colonial history

Historical Dictionary of Slavery and Abolition Martin A. Klein, 2014-09-04 For almost four thousand years men and women with power have exploited vulnerable populations for cheap or free labor These slaves serfs helots tenants peons bonded or forced laborers etc built pyramids and temples dug canals and mined the earth for precious metals and gemstones They built the palaces and mansions in which the powerful lived grown the food they ate spun the cloth that clothed them This second edition of Historical Dictionary of Slavery and Abolition relates the long and brutal history of slavery and the struggle for abolition using several key features Chronology Introductory essay Appendixes Extensive bibliography Over 500 cross referenced entries on forms of slavery famous slaves and abolitionists sources of slaves and current conditions of modern slavery around the world This book is an excellent access point for students researchers and anyone wanting to know more about slavery and abolition

Status and Respectability in the Cape Colony, 1750-1870 Robert Ross, 1999-07-01 In a compelling example of the cultural history of South Africa Robert Ross offers a subtle and wide ranging study of status and respectability in the colonial Cape between 1750 and 1850 His 1999 book describes the symbolism of dress emblems

architecture food language and polite conventions paying particular attention to domestic relationships gender education and religion and analyses the values and the modes of thinking current in different strata of the society He argues that these cultural factors were related to high political developments in the Cape and offers a rich account of the changes in social identity that accompanied the transition from Dutch to British overrule and of the development of white racism and of ideologies of resistance to white domination The result is a uniquely nuanced account of a colonial society **Imperial**

Underworld Kirsten McKenzie,2016-01-14 This book charts the political expos s of an escaped convict turned activist and sheds new light on nineteenth century British imperial reform **Societies After Slavery** Rebecca J. Scott,Thomas C.

Holt,Frederick Cooper,Aims McGuinness,2002-08-18 One of the massive transformations that took place in the nineteenth and early twentieth centuries was the movement of millions of people from the status of slaves to that of legally free men women and children Societies after Slavery provides thousands of entries and rich scholarly annotations making it the definitive resource for scholars and students engaged in research on postemancipation societies in the Americas and Africa

Reconsidering the History of South African Journalism Gawie Botma,2025-03-21 The concept of the free press is often celebrated as the vehicle which finally brought freedom of speech and democracy to post apartheid South Africa but historically the position of the press was more complicated This book dives into the history of slavery at the Cape between 1800 and 1838 reflecting on the fact that several founding journalists and printers were slave owners themselves and advertised slaves as regular property in their publications The book presents an inclusive history of the founding of colonial newspapers and magazines driven by the question of how we in the 21st century should make sense of the role that newspapers and journalism played at key points in the history of slavery and its aftermath The slave press was a label originally attached to The Cape Town Gazette and African Advertiser when it was founded by a pair of well connected private British slave traders This book challenges us to confront the ghost of the slave press and to consider the complicated history of press freedom in South Africa This important book will be of interest to scholars and students of journalism and media history in South Africa and beyond *Islam and the Abolition of Slavery* W. G. Clarence-Smith,2006 Publisher description

Slavery and Slaving in World History: A Bibliography, 1900-91: v. 1 David Y Miller,2019-07-23 This bibliography of 20th century literature focuses on slavery and slave trading from ancient times through the 19th century It contains over 10 000 entries with the principal sections organizing works by the political geographical frameworks of the enslavers **From**

Chains to Bonds Doudou Diène,2001 A collection of 38 papers from the Ouidah Conference held in September 1994 in Ouidah Benin as the launching conference for UNESCO s international Slave Route Project **A History of South Africa** Leonard Thompson,2014-04-29 A magisterial history of South Africa from the earliest known human inhabitation of the region to the present Lynn Berat updates this classic text with a new chapter chronicling the first presidential term of Mbeki and ending with the celebrations of the centenary of South Africa s ruling African National Congress in January 2012 A

history that is both accurate and authentic written in a delightful literary style Archbishop Desmond Tutu Should become the standard general text for South African history Recommended for college classes and anyone interested in obtaining a historical framework in which to place events occurring in South Africa today Roger B Beck History Reviews of New Books

Breaking the Chains Nigel Worden, Clifton C. Crais, 1994 This text explores slavery in South Africa in the 19th century and offers glimpses into some of the social iniquities of the 20th century Contributors focus attention on the historical transformation of the Cape Colony during the 19th century
