Metropolitan Anxieties Mark Boyle, 2017-03-02 In a lecture entitled Scotland's shame delivered at the Edinburgh Festival in August 1999 Scotland's leading musical composer James MacMillan sought in an explosive way to expose the continuing pervasiveness of anti Irish and anti Catholic sectarianism and bigotry in contemporary Scotland A decade of heated public debate has followed Drawing upon post colonial critiques of the provincial nature of metropolitan theory this book approaches the Scotland's shame debate as in many ways itself a classic metrocentric cultural struggle over the true and essential telos of a once colonised population It argues that the most interesting question the debate has provoked a question which thus far has failed to generate a worthy answer is is the Irish Catholic encounter with Scotland intelligible and if so what is the nature of this intelligibility The purpose of this book is to harness the complex and rich theory of colonialism which French philosopher political activist and novelist Jean Paul Sartre

developed and struggled over to venture a qualified and partial interpretation of the Irish Catholic experience of Scotland Nevertheless in so doing the book takes seriously the charge of metrocentricism as it bears on the search for the meaning of the Irish Catholic adventure in Scotland and refuses to permit any simplistic interpretation of this adventure Presenting findings from a new oral history archive consisting of 67 interviews with members of the Irish Catholic community in Scotland attention is given to the themes of national identity estrangement and belonging diasporic imaginings of Ireland anti imperial activism agitation and advocacy culture faith and family and poverty work education and equality

Writing Lines Tony Stuart,2016-06-25 George Gordon Wentworth 1946 2011 lived a humdrum life He was a barely adequate teacher in a fairly world renowned independent school in Kent and kept a copious diary of his quotidian existence Most of what he recorded was dross However amongst all the utterly uninteresting tailings of his life there were some

nuggets and grains to catch the attention The precious incidents worth recording all reflect the fact that Wentworth was for the most part an unwitting fool whose antics and pratfalls made him a major figure of fun In this book his editor has panned out twenty six episodes which taken together give us what is the best of Wentworth pure comedy gold From losing all the pupils in his charge on a school trip to being arrested on suspicion of terrorism from waking up in bed between the married couple the morning after their wedding to destroying a ski run from appearing full frontal naked in a sheep farmers gazette to triggering an air sea rescue Wentworth was blinkered and befuddled the subject of these and of so many more unlikely but highly amusing events Buy and read this book and you will find that laughter like life is cheap *Get the Way* Tochukwu Callistus Ipere,2011-10-07 *Get The Way* is a book that tries to invest its literary devices in discovering the true nature of success by virtue of the fact that it investigates different aspect of man s effort to get the right way to success The attempt in this poetic story to describe the way is borne out of the desire to bring forth the best of discipline modesty comfort and all the empathy and sympathy that go with it The poetic story is built around some characters Tobenna Pauliana Dr Serenade and Verana The beauty of the works lie in the fact that they can apply to many individuals from many points of views personality angles and priority focuses This 100 poems piece is imbued with denotative connotative as well as subtle trials at spiritual dimensions that make it a possible tribute to God Almighty The attention of the reader is called from time to time to the interesting power of the Almighty over all that be on earth The reader is therefore encouraged to make personal meanings out of the poetic story Tochuwku C Ipere esq *The Pointless Adventures of Dartman & Cueball - Forbidden Loot* Henry Harding,2012-06-18 PART II OF THE DARTMAN CUEBALL SAGA Bank robberies burglaries casino heists tax evasion probably kidnappings ransomings This sounds like yet another job for the police But Commissioner Wilson who is every bit as wise as he is senile has done away with 99 93%% of his police force in a mad cost cutting exercise that has left Topham City s already stretched blue line of law and order thinner than ever Nowadays the only crime fighting weapons at his disposal are Frankie Corleone his cowardly Chief of Police and Officer Maybe his last remaining copper Oh and a couple of unpredictable fist happy maniacs from the local mental hospital who are more than happy to work for free
