Sleeping Naked Under The Moon:

Sleeping Naked Under the Moon Kathy Keating, 2004-01-01 Kathy Keating's inspiration comes from what she sees and what she hears. She is guided by sunshine and shadows, moonlight and night sky, but mostly she is guided by the people she knows and the strength of the unbreakable circle of kitchen string that connects all of us hand to hand, truth to truth, heart to heart. Sex and Sex Worship (phallic Worship) a Scientific Treatise on Sex Otto Augustus Wall, 1919 **Sex and sex worship (phallic worship)** Otto Augustus Wall, 1919 Sex And Sex Worship Otto Augustus Wall, 2014-06-03 Sex is at the very heart of life and this classic illustrated study of sex, its nature and function and its influence on art, science, architecture and religion contains a wealth of information on sex beliefs, practices and worship in other cultures and periods of history stretching back to ancient times. Drawing on a wide range of sources including private collections of erotica, Wall shows how people in other times and places have dealt with the timeless themes of sexuality, male, female, love, passion, lust, desire and worship, dealing with sex as a private practice and also as public celebration. This edition first published in 2006. Routledge is an imprint of Taylor & Francis, an informa company. **Sex and Sex Worship** Otto Augustus Wall, 1922 **The Note She Left** Susan Hahn, 2008-04-18 Hahn's new collection wrestles with the elemental and enduring challenges of the human condition. What can we use from our spiritual heritage? How should we find relief? How, after it all, do we live? The poems are presented as a letter to the world from a woman preparing to leave it. In four sections: The Bells, The Crosses, Widdershins and Afterword, she contrasts the hope against the dark that is embodied by an amulet or cross with the abased resignation of torture, failed prayers and witchcraft. Though Hahn's vision is a dark one, its dramatic emotional depth speaks to a human power that, though damaged, can still engage. From The Crosses: V Cross, my fingers cross, my heart, arms extended, legs together, not apart. I make of myself a cross. In my pockets, bright blue beads, small clay gods, scarabs, four leaf clovers, bejewelled mezuzahs. In my hat, cockleshells to exorcise the demons, to keep hidden the seventh chakra, the tonsure, the bald compulsion. Cross, my fingers cross, my heart, arms extended, legs together, not apart. In my ears, little bells of confusion to frighten away eyes of the evil. On my breast, a foul sachet to repel the lick of the Devil. Cross, my fingers cross, my heart. In my window, a glass witch ball to guard against the shatter from intruders. Cross, my fingers. Design Research Alexandra Lange, Jane Thompson, 2012-02-10 When Ben Thompson opened Design Research in Boston in 1953, his innovative store became synonymous with modern interior design, lighting a public spark that still burns today, though the store itself is no longer. When the mass-produced furniture of impersonal department stores reigned supreme, this boutique retailer dared to provide a learned yet unpretentious environment for sleek design. Today, Design Research's legacy can be seen in the showrooms of Crate & Barrel and Design Within Reach. Through interviews, anecdotes and lush photographs, Design Research documents the array of household objects and furniture introduced to the American home through the legendary store that made good design available to all.
