**Andiron Tales** John Kendrick Bangs, 2015-10-30 Tom and the Andirons It was perfectly natural in one respect anyhow There was really no reason in the world why Tom should not lie upon the great bear skin rug in front of the library fire those cold winter nights if he wanted to nor need anyone be surprised that he should want to It was indeed a most delightful place to lie in The bear skin was soft and in every way comfortable and comforting The fireplace itself was one of those huge hospitable affairs that might pass in some apartment houses in our narrow cooped up city streets for a butler s pantry or small reception room in fact in the summer time Tom used to sit in the fireplace and pretend he was in his office transacting business with such of his sister s dolls as could be induced to visit him there giving orders to imaginary clerks and bookkeepers and keeping an equally fanciful office boy continually on the run And then apart from the rug and the fireplace it was a beautiful room in which they were Tom s father was very fond of books and although he was a great many years older than Tom he had not forgotten how to enjoy the very same kind of books that Tom liked He was not ashamed to have one little niche of his library filled with the stories which had delighted him in his boyhood days and which still continued to please him and of course this lent an additional charm to the library in Tom s eyes It held his heroes and on some of those drowsy nights when the only sounds to break the stillness of the room were the scratching of his father s pen the soft humming of some little tune by his mother sitting and sewing by the evening lamp and the fierce crackling of the burning logs Tom could almost see these heroes stepping down from the shelves and like so many phantoms flitting in and about the room In fact upon one occasion Tom is convinced he did see these very people having a dance upon the great tiled hearth but of that you shall hear later
