Snafu Great American Military Disasters:

Snafu Geoffrey Regan,1993 War is a Racket II Robert F. Boland,2019-06-27 This is not an anti war book Rather the book is about the bad behavior of the US government in Washington DC in taking the country into military adventures when it is not necessary To state that the country should never go to war would be irresponsible Wars cannot always be avoided A characteristic of the United States foreign policy establishment is their refusal to admit they made a mistake There are never any consequences for invading the wrong country The establishment carries on as if everything is okay and they quickly forget about the dead and crippled Currently the US has approximately 800 bases in seventy countries As of November 2016 the US was dropping bombs on seven different countries This book does not favor either political party However some may disagree In 1935 retired General Smedley Butler published a small book entitled War Is a Racket which explained how and why the US Government manipulates the country into various wars and military interventions for power and their own selfish interest This is an update on General Butler s 1935 book Most of us have heard or read the following words many times We are forced to go to war or do a military intervention to save our liberty and freedom to make the world safe for democracy a war to end all wars to save the world from communist or whatever to protect American lives to save the world from a country that might possess weapons of mass destruction etc This is a book explaining how the United States government manipulated and lied its way into a number of wars and military interventions This information will not normally be taught in your school history class or viewed on your history channel This is not conspiracy theory stuff You can look it all up This information is available to all citizens if they care to research it Some of this information may shock you **Army** ,1993 *Joint Operation in the Gulf War* P. Mason Carpenter,1995 *Historical Dictionary of the U.S. Army* Jerold E. Brown,2000-12-30 Having evolved over the past two and a quarter centuries to become the premier military force in the world the U S Army has a heritage rich in history and tradition This historical dictionary provides short clear authoritative entries on a broad cross section of military terms concepts arms and equipment units and organizations campaigns and battles and people who have had a significant impact on Army It includes over 900 entries written by some 100 scholars providing a valuable resource for the interested reader student and researcher For those interested in pursuing specific subjects further the book provides sources at the end of each entry as well as a general bibliography Appendixes provide a useful list of abbreviations and acronyms and a listing of ranks and grades in the U S Army **Great Misadventures: Military** Betz Des Chenes,1999 Explores over 100 historical political military and social events where human error has led to disaster Natural Security Raphael D. Sagarin,Terence Taylor,2008-02 Written with the aim of breaking down barriers between disparate disciplines in order to create more responsive and effective strategies Natural Security provides a new lens through which to explore the ancient and ever present problem of how to maintain security in an unpredictable complex and dangerous world BOOK JACKET **Scottish Military Disasters** Paul Cowan,2008 A compilation of Scotland s failures on the battlefields of the

world from Mons Graupius to Korea The Martin Family History Volume II Col. James Martin (1742-1834) and Martha [Martin] Rogers (1744-1825) Francie Lane,2015-01-27 The family and descendants of Col James Martin 1742 1834 of Stokes County North Carolina and his sister Martha Martin Rogers 1744 1825 of Rockingham County North Carolina and Williamson Montgomery Counties Tennessee and the allied families of Henderson Searcy Hunter Bradley Alexander Hughes Dearing and Scales **Snafu** Max Horlick,2018-04-30 Shooting and being shot may seem an integral part of war but they may not necessarily be the most essential elements of a struggle There is always the hidden war behind the war Veterans of wars know that in wartime normal is not normal Fouled up is normal During the Second World War these mistakes became labeled as SNAFUs Max Horlick who once fought in the Battle of the Bulge shares narratives of ten historic battles covering from 450 BCE to 1945 in which the superior forces lost and often encountered the same flaw While leading the reader through each battle Horlick illustrates that generals kings presidents and others in charge made terrible military decisions that caused soldiers to suffer In the Battle of the Bulge Eisenhower did not heed intelligence On the other hand Custer lost at Little Big Horn because he did Other narratives highlight additional memorable battles such as Saratoga and the American Revolution Agincourt and Shakespeare Napoleon in Russia and the battle of Salamis and Xerxes SNAFU shares ten insightful and colorful tales of military battles leaders and the decisions that changed the course of history around the world
