Islam William Russell,2017-03-24 Civilization Suffers Where Islam Rules When the terrible events of 9 11 struck New York City I was astonished that there were such a large number of people in the Islamic countries of the Middle East who hate us who danced in the streets and burned our flag shouting Death to America when they heard the tragic news The fact that our sovereign country was invaded property destroyed and thousands of innocent Americans were murdered by this sneak attack this act of war stirred me to find out who did it and why When we learned that 11 university educated Muslim men 4 with PHD S performed this evil act simply because their God Allah the God of Islam told them to do it was disturbing enough but when further study revealed the fundamental objective of these Muslim fanatics is to take over the world with their philosophies energized me to learn more about Islam and write this book

Life of American Snipers: Chris Kyle and the Rest of the Elite Snipers Mark Dawn,2015-02-27 American snipers have gained increased popularity after the production of the movie American Sniper based on the life of Chris Kyle who served as a sharp shooter in Iraq consecutively for about four periods

Sharp shooter is the less common term to describe snipers whose role in history started in the World War. Famous snipers have since emerged forming part of the elite Navy Seals. While some people refer to snipers as cowards because they do seem to not be actively engaged in combat, they have been hailed as heroes due to the reduced misses during combat and the flexibility of their attack to rely on stealth. American snipers have played a huge role in eliminating some of the terrorists bent on causing terror around the world. Snipers are originally meant to increase the chances of winning a war. They do this by neutralizing the most dangerous people in war from a concealed distance and thereby serve to provide an advantage to their side.

Game of Snipers Stephen Hunter, 2020-06-02 NATIONAL BESTSELLER Bob Lee Swagger is a true American literary icon. Mark Greaney, author of *Mission Critical*. In this blazing new thriller from Pulitzer Prize winner Stephen Hunter, master sniper Bob Lee Swagger takes on his biggest job to date and confronts an assassin with skills that match his own. When Bob Lee Swagger is approached by a woman who lost a son to war and has spent the years since risking all that she has to find the sniper who pulled the trigger, he knows right away he'll do everything in his power to help her. But what begins as a favor becomes an obsession, and soon Swagger is back in the action, teaming up with the Mossad, the FBI, and local American law enforcement as he tracks a sniper who is his own equal and attempts to decipher that assassin's ultimate target before it's too late. With all too real threats and twisty, masterly storytelling, *Game of Snipers* is another gripping addition to a bestselling Bob Lee Swagger series.

Sniper Sari Horwitz, Michael Ruane, 2004-09-28. *Sniper* is the behind-the-scenes story of one of the most frightening rampages to occur in U.S. history and how it was stopped. For more than three weeks, the nation watched in disbelief as Washington D.C. and its surrounding suburbs were held hostage by anonymous gunmen shooting innocent civilians at random. *Sniper* is the definitive account of those alleged gunmen, John Muhammad and Lee Boyd Malvo, and the massive manhunt that ended with their capture by a heavily armed SWAT team in an early morning raid at an interstate highway rest stop. Two Washington Post reporters, Sari Horwitz and Michael E. Ruane, retrace the steps of Muhammad and Malvo from their first meeting on the island of Antigua to Malvo's defiant confession in a Virginia jail. Drawing on exclusive reporting about that confession, internal police documents, and a wide range of law enforcement sources, Horwitz and Ruane track in remarkable detail the murderous trail Muhammad and Malvo are accused of having followed to the Washington area and reconstruct the eerie way in which the two moved invisibly around the nation's capital in the midst of one of the largest police investigations in U.S. history. Horwitz and Ruane also take you inside the police command center where local and state police, joined by the federal government's most experienced crime fighters, worked desperately to stop the killings, unaware that a fundamental error—investigators were wrongly fixated on a white van—was allowing Muhammad and Malvo to slip through the dragnet. We meet FBI negotiators, veteran detectives, forensics experts, prosecutors, and politicians who faced perhaps the biggest challenge of their careers as they confronted frustrating setbacks, logistical nightmares, and the overwhelming pressure of a high-stakes investigation. In a fast-paced narrative that outdoes even the most acclaimed

television cop shows Sniper recounts the extraordinary police work that enabled investigators to quickly exploit the clues handed to them by Muhammad and Malvo that nally led to their arrest Part gripping drama part real life portrait of law enforcement at work Sniper is also a cautionary tale about the vulnerability of American society in an age of terrorism

Voices of Snipers John Walter, 2022-05-30 Based on an incredible breadth of first hand testimony this is a unique collection of eyewitness accounts from World War I and II John Walter draws on meticulous research and the reminiscences of more than fifty snipers tracing their journeys from recruitment and selection through training combat and its aftermath to reveal a surprising commonality of experience even across nationalities Laying bare the triumphs and brutalities of sniping the personalities and psychologies of those who found themselves doing it and considering the immediate implications on both the sniper and the wider theatre of war this is a fascinating detailed insight into frontline combat and the experience of sharpshooting in its historical context The book is appended with the complete diary of Russian sniper Roza Shanina who is still celebrated today for her remarkable shooting accuracy and astonishing bravery Her diary offers a rare insight into the complexities of what it was to be both a sniper and a woman on the frontline *The Films of Clint Eastwood* Matt

Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood s 2014 American Sniper a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood s body of cinematic work As a collection these essays show that none of these themes account for Eastwood s entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives
