USA Today Magazine Winner of the Popular Culture Association's Ray and Pat Browne Book Award. Whether serious or satirical, biographical or fictional, the ways that US presidents are depicted in popular culture reveal much about us as a nation. The contributors to *Hollywood's White House* examine the historical accuracy of presidential depictions, illuminate their influence, and uncover how they reflect the concerns of their times and the social and political visions of the filmmakers. With reflections on portrayals of Washington, Adams, Lincoln, FDR, Nixon, and more, this volume, which includes a comprehensive filmography and a bibliography, is ideal for both historians and film enthusiasts. This work examines what happens when comedy becomes political and politics become funny. A series of original essays focus on a range of programmes from *The Daily Show* to *South Park*. **A Funny Thing Happened on the Way to the Senate** Wyman Spano, Nona Yates, 2010-07-15 The Franken Coleman campaign saga really begins with the tragic plane crash resulting in the death of Senator Paul Wellstone. That moment provided Norm Coleman his second opportunity for major political reinvention, the first being when he switched parties. Following the tragedy, Coleman shifted gears to run a kinder, gentler series of television ads that hardly mentioned his new opponent, Walter Mondale. Meanwhile, when Republicans accused Democrats of turning the Wellstone memorial service into a carefully choreographed political rally, Franken was outraged. He immediately set upon a mission to unseat Coleman, which ended up with their eventual head-to-head run in 2008. The unprecedented recount and legal drama that ultimately decided the election was an appropriate coda to what had already been an extraordinary Minnesota Senate race. **A Funny Thing Happened on the Way to the Senate** tells the whole story.
