Saxby, 1882 **In Resonance** Jasmuheen, 2007-08-01 Utilizing the wisdom of the ages In Resonance was written as a timeless manual for both personal self empowerment and self mastery In Resonance is filled with inspirational information of both experiential research and channelled guidance from Jasmuheen and the Ascended Ones The predominant focus of this book is on bridging the worlds of science and religion the realms of the physical and etheric plus the cultures of the east and west In Resonance offers practical tools utilizing simple and also more complex meditations specific programming techniques for tuning mind mastery for reality creation and creating a purposeful and passionate existence It addresses issues from meditation to telepathy and Universal Laws plus the existence of the Brotherhoods of Light *The Braided Dream* Randolph Paul Runyon, 2014-07-15 Robert Penn Warren s reputation as a poet though always considerable has soared in the last decade as indicated by his recent selection as America s first poet laureate The Braided Dream is one of the first book length studies of the poetry that has led to Warren s recent rise to eminence and the first to consider his final collection *Altitudes and Extensions* In a communicable jargon free style that will appeal to the nonacademic reader as well as the serious scholar Randolph Paul Runyon provides a detailed and illuminating guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren s last four sequences *Now and Then* *Being Here* *Rumor Verified* and *Altitudes and Extensions* is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud s concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren s poems assume additional meanings by the poet s very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect *Dream on It* Lauri Quinn Loewenberg, 2025-10-16 Your dreams hold the key to a better fuller life There is a reason we dream at night It s not random nonsense When we are dreaming we are thinking on a much deeper more insightful level than when we re awake When we re dreaming we re actually problem solving it s just in a different language Our minds are speaking to us in codes warning helping and guiding us through our constantly evolving situations in life The mind through dreams is trying to alert us to problems it wants fixed The truth is our best thinking isn t done in the shower it s done while we dream In fact when we say Let me sleep on it what we re really saying is Let me dream on it In this easy to use guide renowned dream analyst Lauri Quinn Loewenberg gives you the tools to interpret the often confounding language of dreams You will learn how to unlock the hidden dream communications your mind wants you to know understand

Beneath the First Snow, a Dream HONGRAE KIM,NAMHOON KIM,2025-01-21 In 1941 in a small village in Jecheon Chungcheongbuk do South Korea a boy was born carrying a story of love and hope even amidst the chaos of the world During a time overshadowed by the looming threat of war the boy remembered the clear skies of his childhood and the warm touch of his mother However at the age of nine the Korean War broke out plunging his life into turmoil and fear The war took away their home and with no father in the family they barely managed to survive through his mother s unwavering love and strength My mother was a beam of light a pillar who protected us even in the darkest times of war he later recalled never forgetting her sacrifices Despite their hardships the boy never gave up on learning His steps toward the city were filled with hope for a better future By the 1960s he had become a public servant in Seoul working diligently while starting his own family In 1970 he met his lifelong partner and with the birth of his first son his life gained a new purpose I wanted to give my family the same love my mother had given me he said a vow that became the driving force of his life In 1998 his first son got married and moved out leaving the father with mixed emotions of pride and emptiness When his first grandchild was born in 2000 he retired marking the start of a new chapter Now the protagonists of my life are my children and their children he said with a bittersweet smile In 2004 he started a new habit He began sending his first son short poems and stories via email His poems became a bridge between the past and the present containing reflections on the scars of war his love for family and the lessons he had learned over the years For more than 20 years his emails continued to arrive week after week month after month These poems are my life and the truest legacy I can leave you he said His writings were not merely poems but a record of his life and a profound expression of love for his family The poetry collection Beneath the First Snow a Dream being published this time is based on 50 poems selected from over 300 written by my father The central themes of the collection are as follows 1 Harmony Between Nature and Humanity Nature is not merely a backdrop but serves as a mirror reflecting human emotions and experiences Examples The Song of the Blue Valley Whispers of the Silver Grass In the Silence of Cheonchuk Mountain The poetic perspective highlights finding solace and healing in the grandeur and serenity of nature 2 The Passage of Time and Memory Through the changes of seasons and the cycles of nature the poems emphasize the ephemerality and preciousness of life Examples The Whisper of the Autumn Leaves Whisper of the First Snow At the Year s End Time flows connecting the past present and future 3 The Beauty of Everyday Moments The collection cherishes ordinary moments elevating them with poetic sensibility Examples A Beer with a Friend During Overtime Watching the Setting Sun The Last Dinner of the Year The true value of life is discovered in the seemingly trivial moments 4 Solitude and Comfort The

poems confront individual loneliness and transform it into comfort and solace Examples The Empty Room In the Name of Emptiness A Greeting in the Rainy Dawn Even in silent moments the message seeks to uncover sparks of hope 5 Youth and Growth The collection poetically explores the passions struggles and growth of the younger generation Examples Awaken Youth Hope Blooming in Chaos A Daydream of August It interprets youthful energy positively encouraging movement toward the future 6 Connection and Relationships It beautifully depicts bonds with family friends and colleagues Examples Precious Colleagues Chuseok Warmth Beneath the Moonlight One Glass of Comfort Two Glasses of Laughter It emphasizes the warmth of relationships and the power of connection 7 Hope and Renewal The poems sing of finding hope even in hardship and the possibility of renewal Examples The Spring of Hope Hope Blooming Amid Chaos The Sunrise Hill They encourage new beginnings and recovery after despair A Son's Perspective Now his son wishes to turn those poems into a book As his eldest son I hoped that my father's poetry would not remain confined to me alone To make it relatable for younger generations I modernized the language and added illustrations to complete this collection This book is more than just a collection of poems it is a legacy of my father's life and a bridge between generations Through these poems which carry the clarity and warmth of the first snow I hope readers can reflect on their own dreams and love A Message to Readers Hope This collection shares the solace and hope discovered in nature Legacy It invites readers to reflect on their own stories through the record of one family's life Connection By bridging generations the poems gently embrace our lives with warmth
