The Autobiography of Samuel Smiles, LL.D. Samuel Smiles, 1905 *Life of Thurlow Weed Including His Autobiography and a Memoir* Thurlow Weed, 1884 *Paul de Man* Martin McQuillan, 2001-01-25 Paul de Man's work is key to the American deconstruction movement and to the so called political turn in critical theory Seventeen years after his death his works continue to arouse violent reactions among critics This book explains why de Man is such an important voice detailing his critical position exploring his intellectual and historical contexts tracing the influence of his work and enabling readers to undertake independent study of his criticism **Encyclopedia of Life Writing** Margaretta Jolly, 2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company **Consuming Autobiographies** Claire Boyle, 2017-12-02 Since 1975 French literary writing has been marked by an autobiographical turn which has seen authors increasingly often tap into the vein of what the French term *écriture de soi* This coincides paradoxically with the death of autobiography as these authors self consciously distance themselves and their writings from conventional autobiography founding a *nouvelle autobiographie* where the very possibility of autobiographical expression is questioned In the first book length study in English to address this phenomenon Claire Boyle sheds a new light on this hostility toward autobiography through a series of ground breaking studies of estrangement in autobiographical works by major post war authors Nathalie Sarraute Georges Perec Jean Genet and Helene Cixous She identifies autobiography as a site of conflict between writer and reader as authors struggle to assert the unknowableness of their identity in the face of a readership resolutely desiring privileged knowledge Autobiography emerges as a deeply troubling genre for authors with the reader as an antagonistic consumer of the autobiographical self **Proceedings, American Philosophical Society (vol. 107, no. 2, 1963)** ,

Autobiography of Thomas Guthrie. D. D. Thomas Guthrie, 1878 **Kipling's Children's Literature** Sue Walsh, 2016-04-22 Despite Kipling's popularity as an author and his standing as a politically controversial figure much of his work has remained relatively unexamined due to its characterization as children's literature Sue Walsh challenges the apparently clear division between children's and adult literature and poses important questions about how these strict categories have influenced critical work on Kipling and on literature in general For example why are some of Kipling's books viewed as children's literature and what critical assumptions does this label produce Why is it that *Kim* is viewed by critics as transcending attempts at categorization Using Kipling as a case study Walsh discusses texts such as *Kim* *The Jungle Books* *The Just So Stories* *Puck of Pook's Hill* and *Rewards and Fairies* re evaluating earlier critical approaches and offering fresh readings of these relatively neglected works In the process she suggests new directions for postcolonial and childhood studies and interrogates the way biographical criticism on children's literature in particular has tended to supersede and

Therapeutic Voicework

Paul Newham, 1998 Based on Paul Newham s experience as a voice therapist and on his work running a professional training course in the psychotherapeutic use of singing this text explores both the theory and practice behind the use of voice and singing in expressive arts therapy *The Art of Biography in Antiquity* Tomas Hägg, 2012-04-05 Greek and Roman biography embraces much more than Plutarch Suetonius and their lost Hellenistic antecedents In this book Professor Hägg explores the whole range and diversity of ancient biography from its Socratic beginnings to the Christian acquisition of the form in late antiquity He shows how creative writers developed the lives of popular heroes like Homer Aesop and Alexander and how the Christian gospels grew from bare sayings to full lives In imperial Rome biography flourished in the works of Greek writers Lucian s satire Philostratus full sophistic orchestration Porphyry s intellectual portrait of Plotinus Perhaps surprisingly it is not political biography or the lives of poets that provide the main artery of ancient biography but various kinds of philosophical spiritual and ethical lives Applying a consistent biographical reading to a representative set of surviving texts

this book opens up the manifold but often neglected art of biography in classical antiquity University of California

Foster, 2002 Brings together key writings on American avant garde cinema to explore the long tradition of underground
filmmaking from its origins in the 1920s to the work of contemporary film and video artists
