

So Many Henrys

The book cover features a colorful illustration. In the foreground, a young boy with light brown hair and a slight smile is shown from the chest up. He is wearing a purple t-shirt with a white cloud-like pattern. Behind him, a large, stylized white flower with a yellow center sits on a green, rounded base. In the background, a traditional Dutch windmill with a red roof and black-and-white checkered sails is visible against a light blue sky. A small globe sits on a table near the windmill. The overall style is soft and painterly.

So Many Henrys Letta Schatz, 2013-09-01 Who knew there was so much in a name? In this story, little Henry learns that he is not the only person with that name. There are other Henrys in the world. In fact, his grandfather has the exact same first, middle, and last name as Henry does. Henry is confused by this, so he introduces himself to others. As Henry travels the world, he learns how to say his name in Dutch, German, French, and even Spanish. There were many names to remember for one little boy, too many names. Finally, at a rodeo, Henry earns the

nickname Hank the simplest most original of them all Thankfully this name sticks In this magical book children will be introduced to cultures and languages from around the world Coupled with quaint illustrations and a journey around the globe this funny fiction masterpiece shows readers that it doesn't matter what your name is It's who you are inside that makes you unique
