Fight for the Family, 2017-08-08 **Modern motherhood** Angela Davis, 2013-07-19 This book examines women's experiences of motherhood in England in the years between 1945 and 2000 Based on a new body of 160 oral history interviews the book

offers the first comprehensive historical study of the experience of motherhood in the second half of the twentieth century. Motherhood is an area where a number of discourses and practices meet. The book therefore forms a thematic study looking at aspects of mothers' lives such as education, health care, psychology, labour market trends and state intervention. Looking through the prism of motherhood provides a way of understanding the complex social changes that have taken place in the post-war world. This book will be essential reading for students and researchers in the field of twentieth-century British social history. However, it will also be of interest to scholars in related fields and a general readership with an interest in British social history and the history of family and community in modern Britain. A fascinating survey of women's experience of motherhood, eminently readable, a solid and thoughtful study, an outstanding piece of oral history and ambitiously wide-ranging. The judging panel for the Women's History Network Book Prize 2013. The New Basic Black Karen Grigsby Bates, Karen E. Hudson, 2006. A newly revised modern manual of manners and etiquette that has become an African American classic. Unlike the more traditional etiquette books that many African Americans may find stodgy, off-putting and culturally alien, The New Basic Black is for real people who live real lives and it addresses many of the issues of a growing black middle class. Straightforward, user-friendly and illustrated with line drawings, The New Basic Black includes all the information any well-mannered person would want to know about the social rites of passage: marriage, birth, christening, death, the corporate workplace, standard work issues and the more delicate issue of race and its impact on a work environment, various occasions, having guests or being a guest at a summer home, etc. and everyday rules and rituals that make living in hectic times a little easier. The revised edition of The New Basic Black also contains the intricacies of Internet etiquette, tips for travel in the post-9/11 age and a wealth of other invaluable information that will make life more comfortable. For singles and families alike, The New Basic Black takes the mystery out of conventional etiquette and will arm the reader with confidence in any situation.

The Ninth Month James Patterson, 2022-08-23. In this action-packed thriller from the New York Times bestselling author of The Midwife Murders, a mother-to-be sees the women in her social circle start to disappear, and she could be next. Emily Atkinson leads a complicated life in New York City. She's a successful marketing executive who lives in a luxury apartment and enjoys a glamorous existence until she lands in the hospital with a double diagnosis: she parties too much and she's pregnant. Her nurse and new best friend, Betsey, helps Emily rediscover how much she loves morning runs in the park and quiet nights at home. But as a series of women in her wealthy social circles go missing, Emily's pregnancy becomes decidedly high risk. Kentucky by Design Andrew Kelly, 2015-07-31. The Index of American Design was one of the most significant undertakings of the Federal Art Project, the visual arts arm of the Works Progress Administration. Part of President Franklin D. Roosevelt's New Deal, this ambitious initiative set out to discover and document an authentic American style in everyday objects. The curators of the Index combed the country for art of the machine age, from carved carousel horses to engraved powder horns to woven coverlets created by artisans for practical use. In their search for a true American artistic identity,

they also sought furniture designed by regional craftsmen laboring in isolation from European traditions Kentucky by Design offers the first comprehensive examination of the objects from the Bluegrass State featured in this historic venture It showcases a wide array of offerings including architecture furniture ceramics musical instruments textiles clothing and glass and metalworks The Federal Art Project played an important role in documenting and preserving the work of Shaker artists from the Pleasant Hill and South Union communities and their creations are exhibited in this illuminating catalog Beautifully illustrated with both the original watercolor depictions and contemporary art quality photographs of the works this book is a lavish exploration of the Commonwealth s distinctive contribution to American culture and modern design Features contributions from Jean M Burks Erika Doss Jerrold Hirsch Lauren Churilla Larrie Currie Michelle Ganz Tommy Hines Lee Kogan Ron Pen Janet Rae Shelly Zegart Mel Hankla Philippe Chavance Kate Hesseldenz Madeleine Burnside and Allan Weiss
