Stranger In My Heart Mary Monro,2018-06-09 Stranger In My Heart is about the search for understanding oneself answering the question Who am I by seeking to understand the currents that sweep down the generations eddy through one s own persona and continue on palpable but often unrecognised My father fought at the Battle of Hong Kong in December 1941 was taken prisoner by the Japanese and then escaped in February 1942 making his way across 1200 miles of inhospitable country to reach China s wartime capital at Chongqing Seventy years later I retraced his steps in an effort to understand a man who had died when I was 18 leaving a lot of unanswered questions behind My book is the quest that I undertook to explore my father s life in the context of the Pacific War and our relationship with China A picture of a man of the greatest generation slowly unfolds a leader a 20th Century Great but a distant father As I delve into his story and research the unfamiliar territory of China in the Second World War the mission to get to know the stranger I called Dad resolves into a mission to understand how my own character was formed As I travel across China the traits I received from my father gradually emerge from their camouflage The strands of the story are woven together in a flowing triple helix with biography travelogue and memoir punctuated with musings on context and meaning **Dreams of A Wild Heart** Danube Adele,2014-12-15 Dr Cecilia Ceci Bradford at your service I dance rock climb and have mastered MMA
