So You're Adopted:

So You're Adopted! James Stanford, 1986 *Being Agile* Leslie Ekas, Scott Will, 2014 Break the Old Waterfall Habits that Hinder Agile Success Drive Rapid Value and Continuous Improvement When agile teams don't get immediate results it's tempting for them to fall back into old habits that make success even less likely In *Being Agile* Leslie Ekas and Scott Will present eleven powerful techniques for rapidly gaining substantial value from agile making agile methods stick and launching a virtuous circle of continuous improvement Drawing on their experience helping more than 100 teams transition to agile the authors review its key principles identify corresponding practices and offer breakthrough approaches for implementing them Using their techniques you can break typical waterfall patterns and go beyond merely doing agile to actually thinking and being agile Ekas and Will help you clear away silos improve stakeholder interaction eliminate waste and waterfall style inefficiencies and lead the agile transition far more successfully Each of their eleven principles can stand on its own when you combine them they become even more valuable Coverage includes Building whole teams that cut across silos and work together throughout a product's lifecycle Engaging product stakeholders earlier and far more effectively Overcoming inefficient waterfalls and big batch waterfall thinking Getting past the curse of multi-tasking Eliminating dangerous technical and project debt Repeatedly deploying release-ready software in real user environments Delivering what customers really need not what you think they need Fixing the root causes of problems so they don't recur Learning from experience mastering continuous improvement Assessing whether you're just doing agile or actually being agile *Being Agile* will be indispensable for all software professionals now adopting agile for coaches managers engineers and team members who want to get more value from it and for students discovering it for the first time **The Family Plot** Brea Brown, Whitney Faelhaber is a strong independent woman Just ask her and she'll tell you Over and over again But when her favorite aunt passes away and leaves her Velvet Printing Whitney's strength and independence are challenged in unexpected ways On paper it sounds easy all she needs to do is spend a few weeks in a small town in Maine and put this small business in order so she can return to her career in academia in sophisticated Boston But the print shop comes with some difficult characters and a crumbling infrastructure and she keeps crossing paths with the socially awkward yet intriguing and handsome guy who works at all places the funeral parlor To make things odder it seems he had some sort of connection to her aunt but nobody wants to talk about exactly what it was least of all him And then there is the missing 50,000 *The Family Plot* explores connections to work family love life death and life again Because maybe what changes your ability to cope with death is learning how to truly live **Having Your Second Child First** Ina Sinsheimer, 2018-06-25 First Step Nursery School was founded in 1977 by Ina Sinsheimer Grounded in a deep respect for children the teaching of independence and caring for others the small Santa Monica preschool has remained consistent for 40 years In Ina's words I hope that when a child walks out of the gate they will climb any mountain they wish to climb educational or otherwise I hope they have learned to question

the world ask Can you explain that to me or say I do not understand or I do not agree More importantly I hope they choose for their life s work something that will make this a better world and that they find someone to share their life because no matter how successful your are life without someone to love is incomplete **Report** Commonwealth Shipping
