Sober Faith:

Sober Faith Stephanie Perry Moore, 2000-07-01 Payton Skky and her girlfriends are in their senior year at their Georgia high school and loving every minute of it But the rest of Payton s crew has strayed from God and continues to make bad decisions While chasing after a good time her friends begin experimenting with alcohol drugs and sexual sin How can Payton help her girls turn toward God and away from those sins Can she resist her own impulses to try things she knows are against God s will See if Payton discovers how to show her friends that true faith is sober faith **Spiritual Sobriety** Elizabeth

Esther, 2016-04-19 It s easy to get high on God in America But is this good religion In a compelling follow up to her memoir *Girl at the End of the World* Elizabeth Esther explores how religious fervor can become religious addiction The evidence is everywhere In families who inexplicably choose to harm their children in order to abide by cultic church doctrine But in ordinary believers too who use God the same way addicts use drugs or alcohol to numb pain alter their mood or simply to escape the realities of this messy unpredictable thing called life If you ve ever wondered how a religion that preaches freedom and love can produce judgmental and unkind followers if you ve ever felt captive to the demanding God of your own childhood if you ve struggled to find contentment without needing another emotional hit from a life changing conference or mountain top experience then *Spiritual Sobriety* is for you The author who grew up in a hyper controlling church cult will help you find hope and rebirth in the ruins of disillusioned faith Filled with stories and warm practical advice *Spiritual Sobriety* offers a gentle path out of the desperate cycles of craving euphoria hangover and into a freer clean and sober faith practice **A Sober Faith** George Aiken Taylor, 1953 *Empathy Prescribed* Ella Vega, 2021-02-16 Empathy prescribed to

progress and disagree without iniquities or conflict to exist together while being me Chemicals that bind to create adhering matter vital to humanity and impossible to scatter unanimously living blissful as can be scheming sorrow out of life the synthesis of you and me While living in different locales around the world Ella Vega was provided the opportunity to understand culture societies and human behavior It is with this diverse global perspective that she shares her first collection of poems that reflects on today s society and individuals Vega a Costa Rican American writer encourages us to reach inside ourselves despite living within a divisive and uncertain world and realize that we are similar and that our human experiences are still rooted in basic feelings and thoughts With deep tone and nostalgic sentiment her rhythmic poems touch on diverse topics such as the birth of new ideas the polarization of the world the quest for meaning and an objective description of emotions *Empathy Prescribed* is a compilation of poems that brings back the relevance of written verse during an uncertain time for the world and its people *Sober Faith* Stephanie Perry Moore, 2000 On top of the world after her debutante ball and her reconciliation with Tad Payton s happiness hits a wall when her friends decide to celebrate with alcohol leaving her torn between friendship and godliness **Bonhoeffer as Youth Worker** Andrew Root, 2014-10-14 The youth ministry focus of Dietrich Bonhoeffer s life is often forgotten or overlooked even though he did much work with young people and wrote a

number of papers sermons and addresses about or for the youth of the church However youth ministry expert Andrew Root explains that this focus is central to Bonhoeffer s story and thought Root presents Bonhoeffer as the forefather and model of the growing theological turn in youth ministry By linking contemporary youth workers with this epic theologian the author shows the depth of youth ministry work and underscores its importance in the church He also shows how Bonhoeffer s life and thought impact present day youth ministry practice

Home with My Sisters Mary Carter,2016-09-27 Faith Hope and Joy As children the Garland sisters seemed to fit together as seamlessly as their names Together they survived their free spirited parents who moved from place to place and whim to whim until their father took off for good But as the girls grew up they became virtual strangers This Christmas they intend to spend the holidays in their usual way far apart But their ailing grandmother wants her girls around her once more Hope always the peacemaker convinces her reluctant sisters to travel to Leavenworth Washington Hope is immediately charmed by the setting modeled on a Bavarian village and by her grandmother s handsome mysterious neighbor Still there s scant trace of celebration within the family Joy s main motivation for visiting is to secure start up funds for a coffee shop Faith oblivious to her children s unhappiness is preparing to announce that her marriage is over and she has a new love With a festive schedule of candy cane martinis hot tubs and snowball fights Hope tries to expose and heal old resentments but moving forward as a family will take more than a little seasonal goodwill

Psychoanalytic and Buddhist Reflections on Gentleness Michal Barnea-Astrog, 2019-03-04 Inspired by Buddhist teachings and psychoanalytic thought this book explores gentleness as a way of being and a developmental achievement It offers reflections on the unique position of gentle people as well as certain gentle layers of the psyche in general as they meet the world Examining the perceptual sensory conscious discrepancy that often exists between a gentle person and their surroundings it follows the intricate relationship between sensitivity and fear the need for self holding and the possibility of letting go Incorporating theoretical investigation clinical vignettes and personal contemplation the book looks into those states of mind and qualities of attention that may compose a favorable environment internal and interpersonal where gentleness can be delicately held There it is suggested gentleness may gradually shed the fragility confusion and destructiveness that often get entangled with it and serve as a valuable recourse Offering a unique perspective on a topic rarely discussed the book has broad appeal for both students and practitioners of psychoanalysis and psychotherapy as well as Buddhist practitioners and scholars
