Social Class Differences In Britain A Sourcebook:

Social Class Differences in Britain Ivan Reid, 1977 **Routledge Library Editions: British Sociological Association** Various, 2021-07-14 The volumes in this set originally published between 1969 and 2001 is comprised of original books published in conjunction with the British Sociological Association The set draws together original research by leading academics based on study groups and conference papers in the areas of youth race the sociology of work gender social research urban studies class deviance and social control law development and health Each volume provides a rigorous examination of related key issues This set will be of particular interest to students and academics in the field of sociology health and social care gender studies and criminology respectively *Routledge Library Editions: Political Geography* Various, 2021-06-23 From votes to strikes to street violence politics is intrinsically geographical Many of the books in this set originally published between 1964 and 1990 illustrate that the social contexts provided by localities are crucial in defining distinctive political identities and subsequent political activities *The Society of Accountants in Edinburgh, 1854-1914* Stephen P. Walker, 2020-09-04 This book first published in 1988 provides an analysis of recruitment to the new profession of nineteenth century accountancy and in doing so gives an insight into the complex origins and behaviour of the emergent professional classes Unlike most studies this is a study of all recruits not only of those who succeeded in becoming qualified This permits an analysis of the whole process of recruitment including the choice of accountancy as a career option and as a vehicle of social mobility **The British Business Elite** John Fidler, 2024-11-01 First published in 1981 The British Business Elite is a study of the attitudes to class status and power of top businessmen in Great Britain based upon first hand interviews with chairmen chief executives and other directors of Britain's largest industrial banking and insurance companies men of genuine wealth and power Dr Fidler produces important empirical data in a field of study which has been plagued with problems of access a field in which much of the theory has been based on assumptions The book includes a careful examination of the background and career of those interviewed a discussion of the way in which businessmen see the objectives of their companies particularly relevant to the long standing debate over the ownership and control of corporations their views of class and status and of the power of businessmen in Britain Finally Dr Fidler considers the implications of the research for future theory and investigation **The British working class in postwar film** Philip Gillett, 2019-01-04 An incidental pleasure of watching a film is what it tells us about the society in which it is made Using a sociological model The British working class in postwar film looks at how working class people were portrayed in British feature films in the decade after the Second World War Though some of the films examined are well known others have been forgotten and deserve reassessment Original statistical data is used to assess the popularity of the films with audiences With its interdisciplinary approach and the avoidance of jargon this book seeks to broaden the approach to film studies Students of media and cultural studies are introduced to the skills of other disciplines while sociologists and historians are encouraged to

consider the value of film evidence in their own fields This work should appeal to all readers interested in social history and in how cinema and society works **British Sources of Information** P. Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual

Developments in Electoral Geography Ron Johnston,Fred M. Shelley,Peter J. Taylor,2014-10-03 The essays in this collection show how electoral geography has shifted from empiricist activity towards a closer involvement with the wider issues addressed by social scientists They illustrate the potential contributions that electoral geographers can make towards the understanding of global national and local societies *Routledge Library Editions: Welfare and the State* Various,2021-07-14 The volumes in this set originally published between 1940 and 1994 draw together research by leading academics in the area of welfare and the state and provide a rigorous examination of related key issues The volume examines the concepts of welfare in relation to the state through the areas of policy making social administration class division and social inequality social policy and privatization whilst also exploring the general principles and practices of the welfare state in various countries This set will be of particular interest to students of sociology politics economics social work respectively
 Theoretical Perspectives on School Crime National Council on Crime and Delinquency,1978
