

The consequences of a conviction for second-degree assault can be severe. Depending on the case, an offender may face up to several years in prison and be fined up to \$2,500.

Additionally, a person convicted of this crime will have a permanent criminal record that could affect their ability to find employment or housing.

Social Consequences Of Conviction:

Civil Penalties, Social Consequences Christopher Mele, Teresa Miller, Teresa Ann Miller, 2005 Publisher Description

Fundamental Rights and Legal Consequences of Criminal Conviction Sonja Meijer, Harry Annison, Ailbhe

O'Loughlin, 2019-06-27 The legal position of convicted offenders is complex as are the social consequences that can result from a criminal conviction After they have served their sentences custodial or not convicted offenders often continue to be subject to numerous restrictions in many cases indefinitely due to their criminal conviction In short criminal convictions can have adverse legal consequences that may affect convicted offenders in several aspects of their lives In turn these legal consequences can have broader social consequences Legal consequences are often not formally part of the criminal law but are regulated by different areas of law such as administrative law constitutional law labour law civil law and immigration law For this reason they are often obscured from judges as well as from defendants and their legal representatives in the courtroom The breadth severity and longevity and often hidden nature of these restrictions raises the question of whether offenders fundamental rights are sufficiently protected This book explores the nature and extent of the legal consequences of criminal convictions in Europe Australia and the USA It addresses the following questions What legal consequences can a criminal conviction have How do these consequences affect convicted offenders And how can and should these consequences be limited by law

Criminal Convictions in U.S. Tribal Law Andrew Novak, 2024-08-02 This book is the first comparative law study of collateral consequences of criminal conviction in all federally recognized Indian tribes in the lower 48 U S states and the mechanisms for restoring civil rights in tribal law Surveying the constitutions codes and ordinances of tribal jurisdictions reveals a broad range of consequences the impact of which has not been comprehensively and critically examined Like state and federal jurisdictions tribal law attaches thousands of legal disabilities to tribal offices business licenses and permits social services and civil rights for persons with criminal convictions This is especially true in economically important industries such as gaming and resource extraction additionally rapidly changing areas such as marijuana regulation and sex offender registries expand the scope still further This book catalogues restoration of rights procedures in tribal law to include pardons expungements and record sealing Collateral consequences have proliferated in tribal law because of the limitations of tribal criminal jurisdiction including over non tribal members However tribal collateral consequences risk contributing to overcriminalization and social exclusion for persons with previous criminal convictions especially as Native Americans are already disproportionately impacted by the U S criminal justice system This book will appeal to legal academics scholars and practitioners working in tribal criminal law as well as to others with interests in Indigenous legal issues

The Shaming of Sexual Offenders Anne-Marie McAlinden, 2007-04-05 Winner of the 2008 British Society of Criminology Book Prize Sex offenders particularly those who offend against children feature prominently in contemporary law and order debates Child sexual abuse is a small component of the broader category of gendered and

sexualised violence which causes significant trauma for victims yet continues to evade conventional approaches to justice. This is evidenced not only by the low number of prosecutions due mostly to low levels of reporting and evidential difficulties at trial but also by the failure of the justice system to prevent re-offending largely due to the limited availability and effectiveness of prison treatment programmes. Following Braithwaite's dichotomy of reintegrative and disintegrative shaming, this book argues that contemporary popular and state-led responses to the risk posed by sex offenders are largely disintegrative in nature. At best the offender may be labelled, stigmatised and ostracised from the community while at worst he may be subjected to violence and vigilante action and ultimately return to offending behaviour. The failure of these retributive responses means there is considerable scope for exploring alternative forms of justice and their potential for improving the outcome for victims, offenders and communities affected by sexual offences. This book examines the controversy of whether restorative justice can be applied to child sexual abuse as one of the most intractable of contemporary societal problems and if so what special considerations might apply. Although restorative schemes with sex offenders are in short supply, a few initiatives have developed in Canada and parts of the United States which have effected significant benefits in reintegrative shaming. The book examines whether such ad hoc schemes may be of general application with child sexual abuse and whether they may be implemented on a more holistic basis.

Offender Rehabilitation Act
United States. Congress. Senate. Committee on the Judiciary. Subcommittee on National Penitentiaries, 1973

Criminal on the Road T. C. Willett, 2013-07-04 Tavistock Press was established as a co-operative venture between the Tavistock Institute and Routledge Kegan Paul (RKP) in the 1950s to produce a series of major contributions across the social sciences. This volume is part of a 2001 reissue of a selection of those important works which have since gone out of print or are difficult to locate. Published by Routledge, 112 volumes in total are being brought together under the name The International Behavioural and Social Sciences Library Classics from the Tavistock Press. Reproduced here in facsimile, this volume was originally published in 1964 and is available individually. The collection is also available in a number of themed mini-sets of between 5 and 13 volumes or as a complete collection.

Power, Crime and Mystification Steven Box, 2002-11 First Published in 2004 Routledge is an imprint of Taylor & Francis, an informal company.

Offender Rehabilitation Act United States. Congress. Senate. Judiciary, 1973

Public Health Service Publication, 1971

Trials and Punishments Antony Duff, 1986 This book discusses whether a system of criminal punishment can be justified within our legal system.
