ABOUT THE BIBLE Ervin Roberts, 2012-09-21 My purpose for writing this study is not to dazzle you with a lot of theories but to get you to ask what does the Bible say not what does men say it says Sense I am just a simple country preacher I have tried to keep this study as simple as possible My hope is this study will lead people to a better understanding of what God is and has been trying to tell mankind I want those that use this study guide to come away from it with a better knowledge of the purpose of each and every book of the Bible Lets begin by looking at the very basics The Bible is 66 different book written by many different writers over a period of 1500 to 2000 years What that means is it is one book that took a lot of writers a long time to write Every book in the Bible has a purpose and it will be the purpose of this study to explore what that purpose might be The basic question we will be trying to answer of each book is Why did God place this book in the Bible We will not be doing an in depth theology study of the contents of each book but rather we will be looking at the reason that the book is in the Bible Each and every book is special and tells us something we need to know to be able to fulfill God s will on this earth Each book of the Bible is important and has a reason for being in the Bible I know that there are some books that are hard to understand so are seldom read That does not mean that they should not be studied it means that we should try harder to find out what God was saying we should not just set those books aside as not of any use The truth is the Bible without all of it s parts is not the Bible The only way to study the Bible is first pray for guidance and second allow the Holy Spirit to guide you

Ward,2015-11-02 From The Real Housewives of Atlanta to Flavor of Love reality shows with predominantly black casts have often been criticized for their negative representation of African American women as loud angry and violent Yet even as these programs appear to be rehashing old stereotypes of black women the critiques of them are arguably problematic in their own way as the notion of respectability has historically been used to police black women s behaviors The first book of scholarship devoted to the issue of how black women are depicted on reality television

Real Sister offers an even handed consideration of the genre The book s ten contributors black female scholars from a variety of disciplines provide a wide range of perspectives while considering everything from Basketball Wives to Say Yes to the Dress As regular viewers of reality television these scholars are able to note ways in which the genre presents positive images of black womanhood even as they catalog a litany of stereotypes about race class and gender that it tends to reinforce Rather than simply dismissing reality television as trash this collection takes the genre seriously as an important touchstone in ongoing cultural debates about what constitutes trashiness and respectability Written in an accessible style that will appeal to reality TV fans both inside and outside of academia Real Sister thus seeks to inspire a more nuanced thoughtful conversation about the genre s representations and their effects on the black community *Women, Ritual, and Power* Elizabeth Ursic,2014-09-30 Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In *Women Ritual and Power* Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy Continent ,1923 Interior ,1920 Lies Women Believe/Lies Women Believe Study Guide- 2 book set Nancy Leigh DeMoss,2018-02-08 This 2 book set includes bestselling *Lies Women Believe* and *Lies Women Believe Study Guide* In this bestseller book *Lies Women Believe* Nancy exposes those areas of deception most commonly believed by Christian women lies about God sin priorities marriage and family emotions and more She then sheds light on how we can be delivered from bondage and set free to walk in God s grace forgiveness and abundant life Nancy offers the most effective weapon to counter and overcome Satan s deceptions God s truth In *Lies Women Believe Study Guide* you will go deeper with the truths of *Lies Women Believe* This engaging workbook is made up of ten sessions and is designed for individuals and small groups You will get an overview of the chapter to be studied from *Lies Women Believe* a daily personal study for you to complete during the course of the week between your small group meetings as well as questions to answer under the subtitles Realize Reflect and Respond The Biblical Role of Women in the Church Joda Collins,2005-01-22 In this book discover from complete reference to God s Word Does God call women to pastor lead or teach churchmen What is the biblical role of women in the Church Getting Saved from the Sixties Steven M. Tipton,2014-03-19 This groundbreaking study explores the ways young Americans today understand right and wrong how they think out their morality and how they live it out It describes contrasting ethical styles in the biblical utilitarian and personalist traditions of our culture first as they structured the conflict between mainstream and counterculture during the 1960s and second as they have shaped the transformation of these values in new religious movements since the early 1970s Coupling descriptive ethics

with interpretive sociology this study pursues biography and moral dialogue with sixties youth who participated in a charismatic Christian sect a Zen Buddhist meditation center and a human potential organization est It shows the significance of these movements for the adherents changing ideas of their own identity their relationships sex roles courtship and marriage and their politics and vision of society It analyzes the cultural logic and the social location of their ideas which break down recombine and find renewal in the course of conversion *Catalog of Copyright Entries. Made in Heaven, Fleshed Out on Earth Nancy Fowler Christenson,2009-06 After a passionate but pure courtship Nancy Fowler anticipated uninhibited sexual bliss in her marriage to Greg Christenson She couldn t have been more surprised and bewildered when once the vows were said someone turned off the passion switch *Made in Heaven Fleshed Out on Earth* opens with the author s misguided stumblings through the wilderness of the Christian singles scene Chasing Mr Wrong continues through the heady and supernatural adventures of Finding Mr Right and arrives at Ever After where the bride and groom make their unhappy discovery the landscape doesn t look anything like what either of them imagined Believing however that every marriage is Made in Heaven and that God is a very present help as His design is Fleshed Out on Earth they journey on together choosing to trust that God will eventually cause them to triumph Indeed He does in the eleventh year of their marriage sovereignly bringing enduring wholeness and freedom into their love life Nancy Fowler Christenson s story is both an inspiration and a caution to young singles and a rekindling of faith and hope to husbands and wives still struggling on that journey *Thanks: Giving and Receiving Gratitude for America's Troops* Edgar S. Welty Jr.,2015-07-14 This is a book about faith and moral issues facing American troops and veterans As someone who spent four years wearing a U S army uniform Edgar S Welty has plenty of soldier stories But he does not start this book with those stories Instead Welty introduces his work with the telling of Simon s service when he carried the cross of our Lord Jesus Christ He argues that service is the same as Jesus s call to go an extra or second mile Americans are called by Jesus to walk a second mile for American troops and veterans This act of service is necessary because many troops are in trouble as is demonstrated by suicide rates Each section of this book focuses on a new issue surrounding troops and veterans *The Publishers Weekly* ,1905 *Biblical Counsel* ,1993
