Donald K. Pickens

The New Republic A Voice Of Modern Liberalism:

The New Republic David Seideman, **Shaping Modern Liberalism** Edward A. Stettner, 2021-10-08 American ideals liberty equality democracy national unity are bandied about by liberal politicians as a package deal inseparably intertwined But the words often flow together better as rhetoric than they mold together in theory But as Herbert Croly and his turn of the century contemporaries found jelling these appealing yet often conflicting concepts into a liberal philosophy was not nearly as easy as embracing them in a campaign speech In this first full length study of Herbert Croly s political theory Edward Stettner analyzes Croly s writings and examines the events experiences and people who influenced Croly s thinking In the process he reveals Croly s significant influence on modern liberalism as classical liberal theory merged with progressive philosophy Croly founder of The New Republic expounded on issues from the nationalization of railroads to the Espionage Act in his search for a middle way between socialism and capitalism Stettner illustrates how Croly s political theory influenced the editorial position of one of the leading liberal journals and how his thought in turn was modified in reaction to national and world events such as presidential elections and World War I Stettner portrays Croly as a modest and conscientious intellectual who wholeheartedly came to embrace the progressive movement and consequently helped establish the framework for modern liberalism In doing so Stettner emphasizes how Croly s philosophy evolved and how Croly was drawn to the conclusion that a strong national government and individual rights could indeed coexist if not always serenely in a democratic society *Liberalism Versus Conservatism* François B. Gérard, 2000 Everyone eschews labels yet we all seem to posses them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author **The New Republic Reader** Dorothy Wickenden, 1995-06-28 Former New Republic managing editor Dorothy Wickenden presents a collection of the best pieces from one of America s most influential liberal periodicals With contributions from many of the 20th century s most distinguished politicians and statemen this anthology offers an entertaining coherent history of how modern liberalism evolved **The New Republic** Herbert David Croly, 1925 **The Space of Opinion** Ronald N. Jacobs, Eleanor Townsley, 2011-10-06 The Space of Opinion describes and analyzes the complex space of commentary and opinion in the news media Ronald Jacobs and Eleanor Townsley rely on enormous samples of opinion collected from newspapers and television shows during the first years of the last two Presidential administrations and employ biographical data on authors of

opinion to connect specific argument styles to specific types of authors and examine the distribution of authors and argument types across different formats **Positivist Republic** Gillis J. Harp,2010-11-01 *Waking to Danger* Robert A.

Rosenbaum,2010-07-20 This intriguing study is the first comprehensive survey of American public opinion about Nazi Germany in the prewar years The 1930s were years when Americans struggled to define their country's role in a dangerous world Opinions were deeply divided and passionately held *Waking to Danger* Americans and Nazi Germany 1933-1941 traces the evolution of American public opinion about Germany as it spiraled from ignorance and isolationism to a sense of danger and interventionism This brief but broad survey fills a gap in the historical literature by bringing together for the first time the reactions toward Nazi Germany of a variety of groups peace advocates Jews fascists communists churches the business community and the military that have hitherto only been treated separately in monographic literature The result is a picture of evolving national public opinion that will be a walk down memory lane for the members of The Greatest Generation while offering those who did not live through these turbulent years a fresh understanding of the era Negotiating in the Press

Joseph R. Hayden,2010 *Negotiating in the Press* presents an engaging analysis of diplomacy and the press in the aftermath of WWI Rather than revisiting the story of lost journalistic freedom it describes the press's newfound power in the war's aftermath a seminal moment when journalists discovered their ability to help broker peace deals By challenging the assumption that the press was peripheral to the quest for peace Hayden demonstrates that journalists instead played an integral part in the talks *Negotiating in the Press* offers a fresh look at the dawn of public diplomacy when leading nations and the press democratized foreign policy **Mary Austin** Esther F. Lanigan,2022-06-21 This book seamlessly combines biography and criticism Lanigan adeptly analyzes Austin's life and also offers insightful analyses of Austin's writing Like

other females of her period she received too little recognition for her original prose style and social critiques Thanks to *Song of a Maverick* we hear Mary Austin's voice more clearly and appreciatively Carol J. Singley in *American Literature* Lanigan provides illuminating sociological background and lucidly marshals the existing biographical data Choice Mary Hunter Austin was a well-known and respected author and activist in her lifetime but is little known in ours In this excellent biography Lanigan chose to focus on a few central relationships in Austin's life to explore in some depth a few central texts and to understand the interior life of her subject She has done a splendid job Ann J. Lane in the *Journal of American History*

Katherine Anne Porter Janis P. Stout,1995 Katherine Anne Porter's life closely paralleled that of her century not only in its span 1890-1980 but in its interests and contradictions A communist sympathizer who became a quasi-fascist a cosmopolitan who embraced southern agrarianism a femme fatale whose writings nonetheless evince feminist feeling Porter embodied often at their extremes the major currents of her time and ours In this new biography Janis P. Stout argues that these inconsistencies can be viewed as part and parcel of modernism itself Drawing on Porter's rich and voluminous correspondence as well as published works Stout here sets out to craft an intellectual biography of a woman who by her own

admission was not really an intellectual Stout reveals the extent of Porter's involvement in events of public significance and her interactions with prominent figures from President Alvaro Obregon of Mexico in 1920 to Hermann Goering in Berlin in 1931 to Robert Penn Warren Eudora Welty Allen Tate and others in the 1930s and 1940s to members of the Lyndon Johnson White House in the 1960s Against the backdrop of world war and cold war Porter's conflicting views on politics race religion and feminism reflected Porter's ambivalence toward her own Texas roots *New Perspectives on Women and Comedy* Regina Barreca, 2022-04-26 First published in 1992 the twenty one original essays in this volume explore the way women have used humor to break down cultural stereotypes between the genders Examples from literature and the performing arts deal with humor and violence humor and disability humor and the supposition of women's shame lesbian and ethnic humor and particularly women's responses to men's humor The essayists present traditional issues from new perspectives and take us from Italy in the Renaissance to today's New York comedy clubs They may make you laugh they may make you nervous They will certainly make you reevaluate the importance of placing women at the center of a discussion of comedy

Uncommon Americans Timothy Walch, 2003-09-30 This first joint biography of the Hoovers will reshape Herbert Hoover's image as a man who did little more than sit in the White House while the country suffered Both Hoovers were dynamic uncommon Americans who made enormous contributions to mankind before during and after the presidency Walch Director of the Herbert Hoover Presidential Library brings together contributions from leading scholars who have conducted extensive research into the lives of this extraordinary couple placing them in a national and international context He hopes to entice more historians to delve into the intricacies of their lives **The Round Table Movement and the Fall of the 'Second' British Empire (1909-1919)** Andrea Bosco, 2017-01-06 In spite of the general phobia of federalism there is a strong federalist trend within British political culture In three very different historical contexts federalism inspired the action of political movements such as the Imperial Federation League the Round Table and the Federal Union Indeed it was regarded as the solution to problems arising from the first signs of the possible collapse of Great Britain and its Empire The Round Table Movement played a particularly interesting role in this regard attempting to reverse the rapid and inexorable decline of the British Empire It was a political organisation with roots in all the major peripheries of the Empire and almost unlimited financial resources This volume discusses the strategies and means employed by the group in order to maintain the British Empire's global prominence The book's main argument is that we did not have a British century the nineteenth and an American century the twentieth but rather four centuries of Anglo Saxon supremacy which witnessed the affirmation of the national principle expression of the Continental political tradition and its overcoming through its opposite the federal principle the expression of the insular political tradition *The New Communitarians and the Crisis of Modern Liberalism* Bruce Frohnen, 1996 Profound scholarly learned carefully reasoned and though of enduring value timely Forrest McDonald author of *The American Presidency* A provocative book that does much to save us from the hubris of intellectuals John Patrick

Diggins author of *The Lost Soul of American Politics* *Public Universities and the Public Sphere* W. Smith, 2010-11-22
Public Universities and the Public Sphere argues that two crises facing America a crisis of public discourse and a crisis of public higher education are closely connected Part of the solution Smith argues in this timely work to both crises lies in understanding and building on the connection *John Dewey and American Democracy* Robert B. Westbrook, 2015-07-22
Over a career spanning American history from the 1880s to the 1950s John Dewey sought not only to forge a persuasive argument for his conviction that democracy is freedom but also to realize his democratic ideals through political activism Widely considered modern America's most important philosopher Dewey made his views known both through his writings and through such controversial episodes as his leadership of educational reform at the turn of the century his support of American intervention in World War I and his leading role in the Outlawry of War movement after the war and his participation in both radical and anti communist politics in the 1930s and 40s Robert B Westbrook reconstructs the evolution of Dewey's thought and practice in this masterful intellectual biography combining readings of his major works with an engaging account of key chapters in his activism Westbrook pays particular attention to the impact upon Dewey of conversations and debates with contemporaries from William James and Reinhold Niebuhr to Jane Addams and Leon Trotsky Countering prevailing interpretations of Dewey's contribution to the ideology of American liberalism he discovers a more unorthodox Dewey a deviant within the liberal community who was steadily radicalized by his profound faith in participatory democracy Anyone concerned with the nature of democracy and the future of liberalism in America including educators moral and social philosophers social scientists political theorists and intellectual and cultural historians will find John Dewey and American Democracy indispensable reading *Sound and Fury* Eric Alterman, 2019-06-30 For this new edition Eric Alterman has made revisions throughout the book with new material on the impact of the O J Simpson trial and the rise of MSNBC as well as on the Clinton scandals the media's obsession with Monica Lewinsky and the resulting conflation of investigative reporting with gossip **Leon H. Keyserling** Donald K. Pickens, 2009-09-03 Leon H Keyserling A Progressive Economist is the insightful biography of the life and thought of the influential liberal reformer Leon H Keyserling By examining Keyserling's life in the context of integrative liberalism the biography aims to explore the origins of the concept of integrative liberalism and Keyserling's profound and provocative contribution to it The book follows the political reformer's life from the beginning of his career as a member of Democratic Senator Robert Wagner's staff at the same time showing how the Progressive Movement before World War I was the ideological and institutional origin for integrative liberalism The Great Depression and subsequent New Deal to which Keyserling was a significant contributor allowed integrative liberalism to develop until the movement started losing vitality in the 1960s and came to an end during the Reagan Presidency In the meantime the book presents Keyserling as a major sculptor of Truman's economic policies after which he left the government and began effectively debating public policy on his own Tracing Keyserling's interactions with each presidency the biography

shows that Keyserling's policies and politics were expressive of integrated liberalism an often overlooked philosophy of reform in the second half of the twentieth century The ideological cornerstone of integrative liberalism was a full employment public policy expressed as economic growth and developed directly from United States history The fear driving the policy was that there would be wide swings in the business cycle resulting in underemployment and economic stagnation This sentiment and fear has an impact even now in the twenty first century making Leon H Keyserling a timely and profitable study for graduate and undergraduate students of history economics political science and public administration

The Christian Century and the Rise of the Protestant Mainline Elesha J. Coffman, 2013-04-04 In *The Christian Century and the Rise of the Protestant Mainline* Elesha J Coffman argues that liberal Protestants used cultural capital and persuasive rhetoric to make a strong case for their own status as shepherds of the American soul but their influence on American culture was ultimately more a social construct than a demographic reality The mainline was never mainstream and its alliance with genteel philosophy rather than popular culture led to both its early successes and its eventual crises

The New Republic A Voice Of Modern Liberalism Introduction

In today's digital age, the availability of The New Republic A Voice Of Modern Liberalism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The New Republic A Voice Of Modern Liberalism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The New Republic A Voice Of Modern Liberalism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The New Republic A Voice Of Modern Liberalism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The New Republic A Voice Of Modern Liberalism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The New Republic A Voice Of Modern Liberalism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The New Republic A Voice Of Modern Liberalism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The New Republic A Voice Of Modern Liberalism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The New Republic A Voice Of Modern Liberalism books and manuals for download and embark on your journey of knowledge?

FAQs About The New Republic A Voice Of Modern Liberalism Books

1. Where can I buy The New Republic A Voice Of Modern Liberalism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
