### **The Newly-Married Couple** Bjørnstjerne Bjørnson, 2020-09-28

BJORNSTJERNE BJORNSON poet dramatist novelist and politician and the most notable figure in contemporary Norwegian history was born in December 1832 at Kvikne in the north of Norway His father was pastor at Kvikne a remote village in the Osterdal district some sixty miles south of Trondhjem a lonely spot whose atmosphere and surroundings Bjørnson afterwards described in one of his short sketches *Blakken* The pastor's house lay so high up on the fjeld that corn would not grow on its meadows where the relentless northern winter seemed to begin so early and end so late The Osterdal folk were a wild turbulent lot in those days so much so that his predecessor who had never ventured into the church without his pistol in his pocket had eventually run away and flatly refused to return with the result that the district was pastorless for some years until the elder Bjørnson came to it It was in surroundings such as this and with scarcely any playfellows that Bjørnstjerne Bjørnson spent the first six years of his life and the sturdy independence of his nature may have owed something to the unaccommodating life of his earliest days just as the poetical impulse that was so strong in his developed character probably had its beginnings in the impressions of beauty he received in the years that immediately followed For when he was six a

welcome change came His father was transferred to the tranquil pastorate of Naes at the mouth of the Romsdal one of the fairest spots in Norway Here Bjornson spent the rest of his childhood in surroundings of beauty and peacefulness going to school first at Molde and afterwards at Christiania to pass on later to the Christiania University where he graduated in 1852 As a boy his earliest biographer tells us he was fully determined to be a poet and naturally the foremost poet of his time but as years passed he gained a soberer estimate of his possibilities At the University he was one of a group of kindred spirits with eager literary leanings and it did not take him long to gain a certain footing in the world of journalism His work for the first year or two was mainly in the domain of dramatic criticism but the creative instinct was growing in him A youthful effort of his a drama entitled Valborg was actually accepted for production at the Christiania theatre and the author according to custom was put on the free list at once The experience he gained however by assiduous attendance at the theatre so convinced him of the defects in his own bantling that he withdrew it before performance a heroic act of self criticism rare amongst young authors [Catalogue of Copyright Entries](#) ,1913 **Three Dramas** Bjørnstjerne Bjørnson,2019-12-19 In Three Dramas Bjørnstjerne Bjørnson explores the nuances of human emotion and societal constraints through a trilogy of plays that deftly examine moral dilemmas and the complexities of personal choice Each drama employs a rich tapestry of dialogue and character driven narratives employing realism to peel back the layers of social convention The works reflect Bjørnson's engagement with contemporary issues delving into themes of love sacrifice and the struggle for freedom mirroring the transformative nature of 19th century Norwegian society Bjørnson a pivotal figure in Norwegian literature and a champion of national identity drew upon his experiences and the cultural zeitgeist of his time to craft these poignant dramas His passion for social justice and his involvement in the Norwegian nationalist movement deeply influenced his writing As a close contemporaneous friend of fellow playwright Henrik Ibsen Bjørnson's works serve as an intriguing counterpart to the existential explorations prevalent in Ibsen's oeuvre offering a unique perspective on the human condition Three Dramas is highly recommended for readers seeking a profound exploration of ethical quandaries within a historical context Bjørnson's ability to evoke empathy and provoke thought through his vividly drawn characters makes this collection a critical addition to any understanding of Scandinavian literature and the human experience **A Partial List of Plays in the Library ...** St. Louis Public Library,1917 **Three Dramas** Bjørnstjerne M. and modern and it's not too much to suggest that if his friend and colleague Mark Twain who stole Warner's quip about how everybody complains about the weather but nobody does anything about it had assembled this set it would still be hailed today as one of the great achievements of the book world Highlights from Volume 5 include the letters of Otto Edward Leopold von Bismarck poems by Bjørnstjerne Bjørnson excerpts from Richard Doddridge Blackmore's Lorna Doone poems by William Blake art criticism by Charles Blanc and Johann Jakob Bodmer poems by Mathilde Blind the writings of Giovanni Boccaccio an essay by Saint Bonaventura hymns by Sir John Bowring and much much more *Monthly Bulletin* St. Louis Public Library, 1913 Teachers bulletin vol 4 issued as part of v 23 no 9 Library of the World's Best Literature, Ancient and Modern: A-Z Charles Dudley Warner, 1902

**Eminent Authors of the Nineteenth Century: Literary Portraits** Georg Brandes, 2022-09-16 In *Eminent Authors of the Nineteenth Century Literary Portraits* Georg Brandes presents a vivid exploration of the literary giants who shaped an era of profound cultural transformation Through a series of insightful essays Brandes employs a biographical approach meticulously interweaving personal backgrounds with the literary contributions of figures such as Tolstoy Zola and Ibsen His prose is characterized by a critical depth and an eloquent style that both celebrates and scrutinizes the nuances of these authors' works against the backdrop of the socio-political upheavals of the nineteenth century This collection serves not only as a homage but also as a critical commentary on the evolution of literature during this time of burgeoning realism and modernism Georg Brandes 1842-1927 was a pivotal Danish literary critic and philosopher known for introducing Scandinavian readers to European literary movements His own experiences of growth and transformation in a rapidly changing society deeply influenced his perspectives on literature and its cultural ramifications By championing the ideas of individualism and social responsibility Brandes sought to inspire both readers and writers encouraging a deeper engagement with challenging social themes through literary narratives *Eminent Authors of the Nineteenth Century* stands as an essential read for scholars of literature and enthusiasts alike Brandes's analytical lens invites readers to gain a richer understanding of the complexities surrounding these authors and their works making it a valuable addition to any literary collection It is a compelling journey through the literary landscape of a transformative century
