WANSBROUGH OSB, 2018-02-14 A Bible for study and proclamation The Revised New Jerusalem Bible presents anew the scholarship character and clarity of the 1966 Jerusalem Bible the first modern English version and the 1985 New Jerusalem Bible It prioritises accuracy of translation and richness of tone written that the message might be fully proclaimed 2 Ti 4 17 The New testament of the Jerusalem Bible Alexandre Jones, 1969 **The New Jerusalem Bible** Henry Wansbrough, 1999-03-16 The New Jerusalem Bible Standard Edition will satisfy the great need for an authoritative version of the greatest story ever told in a package so attractive user friendly and affordable this edition is destined to become a classic Using the same translation that has been hailed as truly magnificent Journal of Bible Literature the Standard Edition has a completely redesigned interior set in a two column format for easy reading With all the best features of much more cumbersome and costly versions this Bible is a must have for home church and school **The New Testament of the Jerusalem Bible. Kelly, 2016-03-24 The title of this book may be a bit puzzling a Catholic introduction to the New Testament The New Testament belongs to all Christians and the modern study of the New Testament has benefited from the contributions by scholars of all Christian denominations But there are questions and issues in the New Testament that are specific to Catholics such as the portrayal of Jesus mother Mary the commissioning of Peter and the Trinity In this volume Joseph Kelly provides an introduction to the New Testament for students and deals with the concerns of modern Catholics reading the Bible It s a book that Catholic teachers can use rather than a book that presents them with problems they have to explain Kelly helps readers to understand what modern scholars especially Catholic biblical exegetes say about the individual books

because we cannot understand what role Jesus can play in modern life if we don't understand what he meant to the earliest Christians. The New Testament tells the story of Jesus, the most remarkable person who ever lived, and of his disciples. It includes some of the most famous narratives in the world and the most memorable words ever spoken. It introduces us to great people who moved history and to those who took the difficult step of leaving the religions of their ancestors and families to become Christians. Kelly shows that in looking at the New Testament we see real people communicating with us, sharing their beliefs, their fears, and their hopes. Distant yet familiar, challenging yet comprehensible, the New Testament is a precious heritage and one that Kelly recommends we must make our own.

Joseph F. Kelly, PhD, is professor of religious studies at John Carroll University in Cleveland, Ohio. He is the author of *The World of the Early Christians*, *The Problem of Evil in the Western Tradition*, *Responding to Evil*, *The Origins of Christmas*, and *The Collegeville Church History Time Line*, published by Liturgical Press.
