**The New Woman's Survival Sourcebook** Kirsten Grimstad, Susan Rennie, 1975      **Hearts and Minds** Michael Bibby, 1996 The early 1960s to the mid 1970s was one of the most turbulent periods in American history The U S military was engaged in its longest costliest overseas conflict while the home front was torn apart by riots protests and social activism In the midst of these upheavals an underground and countercultural press emerged giving activists an extraordinary forum for a range of imaginative expressions Poetry held a prominent place in this alternative media The poem was widely viewed by activists as an inherently anti establishment form of free expression and poets were often in the vanguards of political activism Hearts and Minds is the first book length study of the poems of the Black Liberation Women's Liberation and GI Resistance movements during the Vietnam era Drawing on recent cultural and literary theories Bibby investigates the significance of images tropes and symbols of human bodies in activist poetry Many key political slogans of the period black is beautiful off our backs foreground the body Bibby demonstrates that figurations of bodies marked important sites of social and political struggle Although poetry played such an important role in Vietnam era activism literary criticism has largely ignored most of this literature Bibby recuperates the cultural historical importance of Vietnam era activist poetry highlighting both its relevant contexts and revealing how it engaged political and social struggles that continue to motivate contemporary history Arguing for the need to read cultural history through these underground texts Hearts and Minds offers new grounds for understanding the recent history of American poetry and the role poetry has played as a medium of imaginative political expression      Adolescent Parenthood Max Sugar, 2012-12-06 The definition of the risks of adolescent childbearing has received considerable investigative attention during the last decade We have gradually moved away from simplistically studying young maternal age as the sole determinant of biologic and psychosocial outcome even though we recognize it is one of several factors which warrant consideration We now recognize that if adolescents receive adequate and consistent pre natal care they and their infants should do nearly as well as adult women and their infants of similar backgrounds Thus the major morbidities for adolescent mothers adolescent fathers and their infants are psychosocial lack of educational and vocational futures failed marriages and dependence on government aid for support The adequacy of the parenting of adolescent mothers and fathers and the long term developmental and physical outcomes of their children are largely unstudied This book edited by Dr Max Sugar a recognized authority on adolescence focuses on the important topic of adolescent parenthood The authors of this timely contribution approach the topic of adolescent parenthood in a unique fashion utilizing a combination of several approaches consideration of fictional characters in history astute and carefully conceptualized clinical observations reviews of the literature and their own investigation It will be through the use of such a creative approach that we shall define the important questions which should be addressed about adolescents as parents and the outcome for their children      The Power of Adrienne Rich Hilary Holladay, 2025-04-15 A New York Times Book Review

Editors Choice A comprehensive biography of one of the most acclaimed poets of her generation and a face of American feminism New York Times A major American writer thinker and activist Adrienne Rich 1929 2012 transformed herself from a traditional Radcliffe educated lyric poet and married mother of three sons into a path breaking lesbian feminist author of forceful uncompromising prose as well as poetry In doing so she emerged as an architect and exemplar of the feminist movement breaking ranks to denounce the male dominated literary establishment and paving the way for women writers to take their places in the cultural mainstream Drawing on a wealth of unpublished materials including Rich s correspondence and in depth interviews with many people who knew her Hilary Holladay provides a vividly detailed full dimensional portrait of a woman whose work and life continue to challenge and inspire new generations *Going Too Far* Robin

Morgan,2014-11-11 The personal papers of one of feminism s most passionate leaders with a new preface by the author As an activist for social justice Robin Morgan has acquired a reputation for strong convictions and a life affirming way of expressing them through writing Nowhere is this more evident than in *Going Too Far* which takes us behind the scenes in Morgan s life and in the women s movement until 1977 We watch the development of an organizer who is a complex thinker while Morgan evolves as a mother leader writer and activist Morgan s keen eye is trained on all aspects of modern feminism and this is reflected in the juxtaposition of the journal entries and letters of her personal life with the essays and polemics that shape her public persona Her opinions on marriage love religion pornography and art are as utterly fresh and timely today as they were decades ago Her growing wisdom and depth of perception are apparent in the book s progression and her last chapters focused on what she terms the metaphysics of feminism will change a reader s world view for the better and forever Feminisms/Museums/Surveys Hilary Robinson,Lara Perry,2025-04-21

The first anthology of feminist art exhibition essays and museum publications providing an exciting and valuable overview of recent developments in feminist curation *Feminisms Museums Surveys Exhibition Curating* 2005 2022 brings together works from exhibition catalogs and museum publications to provide a comprehensive and timely view of the modern approach to feminist curating Offering insights into how curators from around the world engage with different feminisms and select and exhibit feminist art this one of a kind anthology exemplifies the diversity of feminist thinking and curatorial approaches in the contemporary art museum This important volume comprises articles and essays drawn from publications which accompanied major curatorial projects from different regions around the globe and each essay offers a unique critical interpretation of feminist art Organized chronologically the book presents the essays the majority in print for the first time since their initial publications and some for the first time in English with the dates and venues of the exhibition and a brief introduction by the editors All the artists in the exhibitions and the curators involved are indexed in the supplementary material Making key examples of feminist curating easily accessible to a wider audience of scholars and students this unique anthology Offers a transnational perspective on feminist curating featuring exhibitions from across Europe Asia Australia Africa and the Americas Highlights

the diverse ways in which curators have attempted to bring feminist theory into the museum exhibition format Illustrates how feminist ideas have evolved in diverse ways in the international community of museum professionals Includes an index of artists and curators whose work is represented in the volume Offering deep insights into how curators have approached the documentation and representation of art informed by feminist politics and thinking Feminisms Museums Surveys Exhibition Curating 2005 2022 is an ideal resource for courses in feminism and art curation LGBTQ art art and politics museum studies art history cultural studies feminist and gender studies and related courses across fine arts and visual arts programs

*Daring to Be Bad* Alice Echols, 2019-10-22 Winner of Outstanding Book Award of Gustavus Myers Center for the Study of Human Rights An award winning and canonical history of radical feminism whose activist heat and intellectual audacity powered second wave feminism 30th anniversary edition A fascinating chronicle of radical feminism s rise and fall from the mid Sixties to the mid Seventies *Daring to Be Bad* is a must read for both students of gender history and activists of intersectionality This thirtieth anniversary edition reveals how current debates about race transgender rights queer theory and sexuality echo issues that galvanized and divided feminists fifty years ago *The Feminism of Uncertainty* Ann Snitow, 2015-08-27 *The Feminism of Uncertainty* brings together Ann Snitow s passionate provocative dispatches from forty years on the front lines of feminist activism and thought In such celebrated pieces as *A Gender Diary* which confronts feminism s need to embrace while dismantling the category of woman Snitow is a virtuoso of paradox Freely mixing genres in vibrant prose she considers Angela Carter Doris Lessing and Dorothy Dinnerstein and offers self reflexive accounts of her own organizing writing and teaching Her pieces on international activism sexuality motherhood and the waywardness of political memory all engage feminism s impossible contradictions and its utopian hopes **Poetic Community** Stephen Joyce, 2013-06-17 *Poetic Community* examines the relationship between poetry and community formation in the decades after the Second World War In four detailed case studies of Black Mountain College in North Carolina the Caribbean Artists Movement in London the Women s Liberation Movement at sites throughout the US and the Toronto Research Group in Canada the book documents and compares a diverse group of social models small press networks and cultural coalitions informing literary practice during the Cold War era Drawing on a wealth of unpublished archival materials Stephen Joyce offers new and insightful comparative analysis of poets such as John Cage Charles Olson Adrienne Rich Kamau Brathwaite and bpNichol In contrast with prevailing critical tendencies that read mid century poetry in terms of expressive modes of individualism *Poetic Community* demonstrates that the most important literary innovations of the post war period were the results of intensive collaboration and social action opposing the Cold War s ideological enclosures **Visitors** Ann Snitow, 2020-03-24 A feminist organizer in East Central Europe after the fall of the Berlin Wall reveals the struggles of women fighting for their rights during the rise of the Right in Europe *Visitors* tells the story of Ann Snitow s adventures as a Western feminist helping to build a new post communist feminist movement in Eastern Central Europe Snitow stumbles onto

this fast changing chaotic scene by chance but falls in love with the passionate feminists she meets in Poland the former Czechoslovakia and Yugoslavia Hungary and Romania What kinds of feminism should they hope for Visitors is a book about forging enduring relationships and creating formerly unimaginable institutions a feminist school the Network of East West Women women s centers gender studies programs It is about unity amid fractiousness and perseverance through uncertainty Snitow s flickering lodestar Visitors moves gracefully between vivid anecdote political analysis and unsparing introspection It is richly peopled with brilliant comrades and vexing detractors alike all described with respect and humor Every sentence is imbued with the experience and insight of this sui generis feminist activist writer and pedagogue of 50 years Most of all Visitors is the story of friendship the heart and sinew of the leaderless feminist movement Reading like the best historical novel it is intimate and worldly resolutely unsentimental yet finally even as the political skies darken optimistic in the conviction that feminism can make life meaningful fascinating fun pleasurable and better for everyone even as better is redefined again and again

*Drawing Down the Moon* Margot Adler, 2006-10-03 The essential text and classic study of Neo Paganism Since its original publication *Drawing Down the Moon* continues to be the only detailed history of the burgeoning but still widely misunderstood Neo Pagan subculture Margot Adler attended ritual gatherings and interviewed a diverse colorful gallery of people across the United States people who find inspiration in ancient deities nature myth even science fiction In this edition featuring an updated resource guide of newsletters journals books groups and festivals Margot Adler takes a fascinating and honest look at the religious experiences beliefs and lifestyles of modern America s Pagan groups

*American Feminism* Ginette Castro, 1990-10 In this sweeping literary cultural and political history French sociologist Ginette Castro vividly and dramatically tells the story of the contemporary women s movement in the United States From the liberal feminists like Betty Friedan Mary Daly and the members of NOW to the radical feminists including Kate Millett Ti Grace Atkinson New York Radical Women and Cell 16 Dr Castro offers an enlivened yet balanced account of the many different ideological currents within the movement Central to her contribution is the detailed reexamination of the role of the radical feminists and her efforts to neutralize the sensationalism which has become attached to this segment of the movement Captured here is the diversity of expression and yet the underlying unity and potential for ideological synthesis in the American feminist movement *American Feminism* makes an invaluable contribution to understanding the course of feminism in the United States and its radical roots

**Reading Adrienne Rich** Jane Roberta Cooper, 1984 Gathering reviews and essays which examine Rich s poetry and prose this text also looks at how critical opinion about her works has changed

The Movement Clara Bingham, 2024-07-30 A comprehensive and engaging oral history of the decade that defined the feminist movement including interviews with living icons and unsung heroes from former Newsweek reporter and author of the powerful and moving New York Times *Witness to the Revolution* For lovers of both Barbie and Gloria Steinem

The Movement is the first oral history of the decade that built the modern feminist movement Through the captivating individual voices of the people who lived it The Movement tells the intimate inside story of what it felt like to be at the forefront of the modern feminist crusade when women rejected thousands of years of custom and demanded the freedom to be who they wanted and needed to be This engaging history traces women s awakening organizing and agitating between the years of 1963 and 1973 when a decentralized collection of people and events coalesced to create a spontaneous combustion From Betty Friedan s *The Feminine Mystique* to the underground abortion network the Janes to Shirley Chisholm s presidential campaign and Billie Jean King s 1973 battle of the sexes Bingham artfully weaves together the fragments of that explosion person by person bringing to life the emotions of this personal cultural and political revolution Artists and politicians athletes and lawyers Black and white The Movement brings readers into the rooms where these women insisted on being treated as first class citizens and in the process changed the fabric of American life [The Bloomsbury Handbook of Contemporary American Poetry](#) Craig Svonkin, Steven Gould Axelrod, 2023-01-12 With chapters written by leading scholars such as Steven Gould Axelrod Cary Nelson and Marjorie Perloff this comprehensive Handbook explores the full range and diversity of poetry and criticism in 21st century America The Bloomsbury Handbook of Contemporary American Poetry covers such topics as Major histories and genealogies of post war poetry from the language poets and the Black Arts Movement to New York school and the Beats Poetry identity and community from African American Chicana o and Native American poetry to Queer verse and the poetics of disability Key genres and forms including digital visual documentary and children s poetry Central critical themes economics publishing popular culture ecopoetics translation and biography The book also includes an interview section in which major contemporary poets such as Rae Armantrout and Claudia Rankine reflect on the craft and value of poetry today [Deciding about Drugs](#) ,1979 [She's the Boss](#) Debra Michals, 2025-04-15 In the years after World War II as women were being pushed from wartime jobs for returning soldiers government and business leaders and women themselves saw small business ownership as a viable economic solution In just five years US women owned nearly a million of the nation s businesses In the decades since women have moved increasingly into business ownership often outpacing male start ups so that today they own more than fourteen million businesses 40 percent of all US companies *She's the Boss* chronicles the forces that made entrepreneurship attractive to women In rich detail Debra Michals shares the stories of the countless women of all races ethnicities genders and abilities who contributed to this important history The book also explores the intersection of women s personal choices within changing social political and economic factors such as the rising divorce rates of the 1960s and 1970s ongoing workplace and credit discrimination civil and women s rights activism and activist entrepreneurs the 1970s recession and 1980s Reagan Revolution and more recently the internet crowd funding and social entrepreneurship **Media Report to Women** Sheila Jean Gibbons, 1977 [Catalog of Copyright Entries.
