The Newspapers Of Nevada A History And Bibliography 1854 1979:

The Newspapers of Nevada Richard E. Lingenfelter, Karen Rix Gash, 1984 This new bibliography of Nevada's newspapers supersedes and greatly expands on previous works More than 800 publications are now included traditional newspapers penny shoppers comic and campaign sheets entertainment and matrimonial guides and fictitious newspapers that had life only in the columns of other papers Also included is a brief appendix of early newspapers from border states that reported regularly on Nevada The authors have provided a brief historical sketch of each publication together with a list and location of known copies of the original papers plus current microfilm holdings The bibliography also documents frequency of publication proprietorship title changes printing locations and political affiliation This volume will be of value to historians ranging from scholars to genealogy buffs who need access to the information only newspapers can provide **1979-1990**

Henryk Sawoniak, 2012-02-14 No detailed description available for 1979 1990 **A Short History of Reno, Second Edition** Richard Moreno, 2015-10-01 This completely revised and updated edition of A Short History of Reno provides an entertaining and informative account of Reno's remarkably colorful history Richard Moreno discusses Reno's efforts from its early beginnings in the 1850s to the present day to reinvent itself as a recreation entertainment education and technology hub Moreno looks at the gamblers casino builders and performers who helped create the world famous gaming industry and he considers the celebrities who came to end unhappy marriages back when Reno was the divorce capital of the world Moreno brings the city's history up to date with coverage of the businesspeople and civic leaders who helped make Reno an attraction that still lures millions of visitors each year Today's travelers and residents explore Reno's flamboyant heart and scenic wonders topics the author examines in an accessible and lively fashion **Old Heart Of Nevada** Shawn

Hall, 1998-03-01 Elko County in the old heart of Nevada is rich in historic sites many of them hitherto uncharted and some verging on disappearing For the first time historian Shawn Hall identifies and locates the ghost towns and old mining camps of Elko County and recounts their colorful histories Following a guidebook format Hall divides the county into five easily accessible regions then lists the historic sites within each region and provides directions to reach them He offers a brief history of each site as well as a description of its extant structures and their present condition The result is a lively compilation of local history and mining and ranching lore that records the dramatic past of Nevada's northeast corner its pioneers and prospectors its towns and mines its outlaws ranchers merchants mining concerns and civic leaders The book offers never before available information about the old heart of Nevada and the people who settled there It will be of enduring value to tourists and weekend explorers historic preservationists and all those interested in the history and artifacts of this region Mark Twain, Unsacred Newspaper Reporter James Edward Caron, James E. Caron, 2008 Before Mark Twain became a national celebrity with his best selling *The Innocents Abroad* he was just another struggling writer perfecting his craft but already playin hell with the world In the first book in more than fifty years to examine the initial

phase of Samuel Clemens's writing career James Caron draws on contemporary scholarship and his own careful readings to offer a fresh and comprehensive perspective on those early years and to challenge many long standing views of Mark Twain's place in the tradition of American humor Tracing the arc of Clemens's career from self described unsanctified newspaper reporter to national author between 1862 and 1867 Caron reexamines the early and largely neglected writings especially the travel letters from Hawaii and the letters chronicling Clemens's trip from California to New York City Caron connects those sets of letters with comic materials Clemens had already published drawing on all known items from this first phase of his career even the virtually forgotten pieces from the San Francisco Morning Call in 1864 to reveal how Mark Twain's humor was shaped by the sociocultural context and how it catered to his audience's sensibilities while unpredictably transgressing its standards Caron reveals how Sam Clemens's contemporaries notably Charles Webb provided important comic models and he shows how Clemens not only adjusted to but also challenged the guidelines of the newspapers and magazines for which he wrote evolving as a comic writer who transmuted personal circumstances into literary art Plumbing Mark Twain's cultural significance Caron draws on anthropological insights from Victor Turner and others to compare the performative aspects of Clemens's early work to the role of ritual clowns in traditional societies Brimming with fresh insights into such benchmarks as *Our Fellow Savages of the Sandwich Islands* and *Jim Smiley and His Jumping Frog* this book is a gracefully written work that reflects both patient research and considered judgment to chart the development of an iconic American talent Mark Twain *Unsanctified Newspaper Reporter* should be required reading for all serious scholars of his work as well as for anyone interested in the interplay between artistic creativity and the literary marketplace *Ghosts and Legends of Nevada's Highway 50* Janice Oberding, 2018-09-17 The 287 mile stretch of highway that runs east to west across Nevada's desert is billed as the Loneliest Road in America But those who explore it find there is plenty to discover along the way in the towns of Austin Eureka Ely Fallon and Fernley Every one of these places has its own unique history ghosts and stories to tell From the sordid lynching of Richard Jennings to the humorous legend about a famous sack of flour author Janice Oberding treks across Highway 50 seeking spirits and uncovering the tales of Singing Sand Mountain the Red Headed Giants the Giroux Mine Disaster and many more Handbook for Research in American History Francis Paul Prucha, 1994-01-01 When the Handbook for Research in American History was first published reviewers called it an excellent tool for historians of all interests and levels of experience simple to use and concisely worded Western Historical Quarterly and an excellent work that fulfills its title in being portable yet well filled Reference Reviews The Journal of American History added It is not easy to produce a reference work that is utilitarian and enriching and does not duplicate existing works Professor Prucha has done the job very well This second revised edition takes account of the revolution that is occurring in bibliographic science as printed reference works extend to electronic databases CD ROMs and online networks such as the Internet Focusing on and expanding the major section of the original Handbook it provides information on traditional printed works describes new

guides and updated versions of old ones notes the availability of reference works and of some full text sources in electronic form and discusses the usefulness to researchers of different kinds of material and the forms in which they are available Extensive cross referencing and a detailed index that includes authors subjects and titles enhance the book s usefulness

The Family Tree Sourcebook Family Tree Editors,2010-09-20 The one book every genealogist must have Whether you re just getting started in genealogy or you re a research veteran The Family Tree Sourcebook provides you with the information you need to trace your roots across the United States including Research summaries tips and techniques with maps for every U S state Detailed county level data essential for unlocking the wealth of records hidden in the county courthouse Websites and contact information for libraries archives and genealogical and historical societies Bibliographies for each state to help you further your research You ll love having this trove of information to guide you to the family history treasures in state and county repositories It s all at your fingertips in an easy to use format and it s from the trusted experts at Family Tree Magazine

Mark Twain's Letters, Volume 1 Mark Twain,2023-12-22 **A Short History of Virginia City** Ronald M. James,Susan A. James,2014-09-15 Founded in 1859 Virginia City quickly became world famous for its extraordinary prosperity Over the next two decades the mines of the Richest City on Earth yielded millions in gold and silver The newly wealthy built mansions and churches opera houses and schools with furniture fashions and entertainment imported from Europe and the Far East Here young Samuel Clemens reporting for the Territorial Enterprise in 1863 first called himself Mark Twain At its height Virginia City was a magnet for immigrants and the world leader in technological innovations in mining The city s story did not end when the Comstock Lode played out Beginning in the 1930s bohemian artists literati and tourists were intrigued by this remnant of the Old West The leader of Manhattan s caf society Lucius Beebe moved here and relaunched the Territorial Enterprise in 1950 Television s most popular western from 1959 to 1973 Bonanza located its fictional Ponderosa Ranch nearby In the summer of 1965 a handful of Bay Area musicians including Big Brother and the Holding Company performed at the Red Dog Saloon and launched psychedelic rock part of the inspiration for a defining decade of youth culture Today it is both a National Historic Landmark District and a living community Visitors come to enjoy its saloons and restaurants admire its architecture and learn from its museums and exhibits A Short History of Virginia City will enhance their experience and will also be enjoyed by anyone interested in the history of Nevada mining and the Old West Includes an illustrated walking tour describing more than thirty buildings and sites *Nevada's Remarkable Women* Jan Cleere,2015-11-01 This book presents the compelling histories of fifteen pioneer women all born before 1900 who traveled Nevada Territory in unstable wagons on temperamental mules and in early Motel Ts to leave a legacy of courage and celebration as they broke records hearts and rules while conquering uncharted ground Meet Ferminia Sarras a Nicaraguan immigrant with four young daughters who arrived in Nevada in the early 1800s determined to seek her fortune as a miner and succeeded Dat so la lee a Washoe Indian renowned for her basket weaving artistry whose work is today preserved in

museums and Anne Henrietta Martin a lifelong suffragette who fought for women's rights and was instrumental in securing the passage of the Nineteenth Amendment giving women the right to vote

The Civil War Years in Utah John Gary Maxwell, 2016-02-29 In 1832 Joseph Smith Jr the Mormons first prophet foretold of a great war beginning in South Carolina In the combatants mutual destruction God's purposes would be served and Mormon men would rise to form a geographical political and theocratic Kingdom of God to encompass the earth Three decades later when Smith's prophecy failed with the end of the American Civil War the United States left torn but intact the Mormons perspective on the conflict and their inactivity in it required palliative revision In *The Civil War Years in Utah* the first full account of the events that occurred in Utah Territory during the Civil War John Gary Maxwell contradicts the patriotic mythology of Mormon leaders version of this dark chapter in Utah history While the Civil War spread death tragedy and sorrow across the continent Utah Territory remained virtually untouched Although the Church of Jesus Christ of Latter day Saints and its faithful proudly praise the service of an 1862 Mormon cavalry company during the Civil War Maxwell's research exposes the relatively inconsequential contribution of these Nauvoo Legion soldiers Active for a mere ninety days they patrolled overland trails and telegraph lines Furthermore Maxwell finds indisputable evidence of Southern allegiance among Mormon leaders despite their claim of staunch long standing loyalty to the Union Men at the highest levels of Mormon hierarchy were in close personal contact with Confederate operatives In seeking sovereignty Maxwell contends the Saints engaged in blatant and treasonous conflict with Union authorities the California and Nevada Volunteers and federal policies repeatedly skirting open warfare with the U S government Collective memory of this consequential period in American history Maxwell argues has been ill served by a one sided perspective This engaging and long overdue reappraisal finally fills in the gaps telling the full story of the Civil War years in Utah Territory

A Great Basin Mosaic James W. Hulse, 2017-03-01 The Nevada of lesser known cities towns and outposts deserve their separate chronicles and here Hulse fills a wide gap He contributes in a text rich with memories tramping through rural Nevada as a child then as a journalist seeking news and gossip then later as an academic historian and a parent trying to share the wonders of the high desert with his family Nobody is more qualified to write about the cultural nuances of rural Nevada than Hulse who retired after 35 years as a professor of history at University of Nevada Reno Robert Laxalt wrote an article in National Geographic in 1974 entitled *The Other Nevada* in which he referred to the Nevada that has been eclipsed by the tinsel trimmings of Las Vegas the round the clock casinos the ski slopes of the Sierra It is a Nevada that few tourists see With this book Hulse reflects on Laxalt's insights and shows changes often slow moving and incremental that have occurred since then Much of the terrain of rural Nevada has not changed at all while others have adapted to technological revolutions of recent times Hulse states that there is no single other Nevada but several subcultures with distinct features He offers a tour of sorts to what John Muir called the bewildering abundance of the Nevada landscape

The Boy Nevada Killed: Floyd Loveless and the Juvenile Capital Punishment Debate Janice Oberding, 2017-02-20 At

seventeen Floyd Burton Loveless became the youngest person ever executed by the state of Nevada What led him to that end was just as tragic Following a series of family catastrophes Loveless was a petty thief by age twelve and a confessed rapist at fifteen Sentenced to seven years at an Indiana state boys reformatory he escaped after a month in custody The ruthless teen robbed his way to Carlin Nevada where he shot and killed a constable who spotted the stolen car he was driving and confronted him After a protracted legal battle Loveless died in the gas chamber on September 29 1944 Author Janice Oberding recounts the sordid details that sparked national controversy over the constitutionality of juvenile capital punishment

Nevada Michael S. Green, 2015-03-23 Nevada A History of the Silver State has been named a CHOICE Outstanding Title Michael S Green a leading Nevada historian provides a detailed survey of the Silver State s past from the arrival of the early European explorers to the predominance of mining in the 1800s to the rise of world class tourism in the twentieth century and to more recent attempts to diversify the economy Of the numerous themes central to Green s analysis of Nevada s history luck plays a significant role in the state s growth The miners and gamblers who first visited the state all bet on luck Today the biggest contributor to Nevada s tourist economy gaming still relies on that same belief in luck Nevada s financial system has generally been based on a one industry economy first mining and more recently gaming Green delves deeply into the limitations of this structure while also exploring the theme of exploitation of the land and the overuse of the state s natural resources Green covers many more aspects of the Silver State s narrative including the dominance of one region of the state over another political forces and corruption and the citizens often tumultuous relationship with the federal government The book will appeal to scholars students and other readers interested in Nevada history

Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America s understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism s ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies

The Coming of the Frontier Press Barbara Cloud, 2008-10-22 Western expansion and journalism have had a symbiotic relationship By examining this relationship along its entire timeline this book argues that newspapers played a crucial role in pushing aside both wildlife and Native Americans to make room for the settlers who would become their readers

The Popular Press, 1833-1865 William Huntzicker, 1999-01-30 A study of the transition from partisan to commercial newspapers as a gradual process between the founding of the penny papers in New

York through the Civil War The Roar and the Silence Ronald M. James, 2012-05-30 Nevada's Comstock Mining District has been the focus of legend since it first burst into international prominence in the late 1850s and its principal settlement Virginia City endures in the popular mind as the West's quintessential mining camp But the authentic history of the Comstock is far more complex and interesting than its colorful image Contrary to legend Virginia City spent only its first few years as a ramshackle mining camp The mining boom quickly turned it into a thriving urban center at its peak one of the largest cities west of the Mississippi replete with most of the amenities of any large city of its time The lure of the area's fabulous wealth attracted a remarkably heterogeneous population from around the world and offered employment to dozens of trades and thousands of people both men and women representing every one of the region's diverse ethnic groups Ronald James's brilliant account of the Comstock's long and eventful history the first comprehensive study of the subject in over a century examines every aspect of the region and employs information gleaned from hundreds of written sources interviews archeological research computer analysis folklore gender studies physical geography and architectural and art history as well as over fifty rare photographs many of them previously unpublished *Devils Will Reign* Sally Zanjani, 2007-08-01 Nevada entered the Union in 1864 as the thirty-sixth state a mere two decades after John Charles Fremont and his party undertook the first Euro-American exploration of the Great Basin However the intervening years were exceptionally eventful gold was discovered in California in 1848 the debate over slavery in the territories made the Far West a significant topic of congressional concern and the Mormon establishment in Utah stimulated national suspicion of the sect's ambitions and policies giving this remote sparsely populated region on the eastern slope of the Sierra Nevada an importance that it probably would not have had in less turbulent times In 1849 more than 22,000 people traveled the emigrant trails across the Great Basin and soon Mormons from Utah set up a trading station in the Carson Valley to reap profit from the emigrant trade and anchor the western periphery of what their leader Brigham Young envisioned as a Mormon inland empire Miners in Gold Canyon just south of what is now Virginia City and settlers in the Carson Valley were pushing the Native Americans out of their ancient homelands and vying with one another for control of choice land and rudimentary local governments In *Devils Will Reign* acclaimed historian Sally Zanjani recounts the momentous early history of the territory that is now known as Nevada weaving the colorful saga of this rowdy frontier into the larger story of national political crises and economic ambitions rapid development in California and religious antipathy toward the polygamous Mormons Here are intrepid frontiersmen beleaguered Native Americans zealous Mormons and colorful characters and farmers including a group of African Americans who successfully settled in the Carson Valley Zanjani covers the lives of the pioneers as well as the development and impact of the Comstock silver bonanza and the tenuous halting efforts of the region's residents to create first a territorial then a state government Seldom has the process of western settlement and government making been described with such detail and insight

Decoding **The Newspapers Of Nevada A History And Bibliography 1854 1979**: Revealing the Captivating Potential of Verbal Expression
