The Night Land:

The Night Land William Hope Hodgson, 2022-11-04 The Sun has gone out the Earth is lit only by the glow of residual vulcanism The last few millions of the human race are gathered together in a gigantic metal pyramid the Last Redoubt under siege from unknown forces and Powers outside in the dark These are held back by a Circle of energy known as the air clog powered from the Earth's internal energy For millennia vast living shapes the Watchers have waited in the darkness near the pyramid it is thought they are waiting for the inevitable time when the Circle's power finally weakens and dies Other living things have been seen in the darkness beyond some of unknown origins and others that may once have been human To leave the protection of the Circle means almost certain death or worse but as the story commences the narrator establishes mind contact with an inhabitant of another forgotten Redoubt and sets off into the darkness to find her

The Night Land William Hope Hodgson, 2015-06-29 The Night Land is a tale of the remote future billions of years after the death of the sun It is one of the most potent pieces of macabre imagination ever written there is a sense of cosmic alienage breathless mystery and terrified expectancy unrivalled in the whole range of literature this fantasy of a night black dead planet with the remains of the human race concentrated in a stupendously vast metal pyramid and besieged by monstrous hybrid and altogether unknown forces of darkness is something that no reader can forget H P Lovecraft The tale of a heroic search for life beyond the darkness this groundbreaking 1912 story was the first work of modern fantasy to feature a dying Earth The inspiration for countless science fiction fantasy and horror novels the book's legions of fans included Clark Ashton Smith who remarked that In all literature there are few works so sheerly remarkable so purely creative as The Night Land

The Night Land "Annotated" William Hope Hodgson, 2020-11-29 The beginning of the book establishes the framework in which a 17th century gentleman mourning the death of his beloved Lady Mirdath is given a vision of a far distant future where their souls will be reunited and sees the world of that time through the eyes of a future incarnation The language and style used are intended to resemble that of the 17th century though the prose has features characteristic of no period whatsoever the almost complete lack of dialogue and proper names for example Critic Ian Bell has suggested that John Milton's epic poem Paradise Lost 1667 is probably a partial literary inspiration for Hodgson's novel especially due to the hellish visions of sombre intensity which mark both works and other similarities including the use of massive structures the Temple of Pandemonium in Milton and the Last Redoubt in The Night Land

3 Once into the book the 17th century framing is mostly inconsequential Instead the story focuses on the future The Sun has gone out and the Earth is lit only by the glow of residual vulcanism The last few millions of the human race are gathered together in a gigantic metal pyramid nearly eight miles high the Last Redoubt under siege from unknown forces and Powers outside in the dark These are held back by a shield known as the air clog powered from a subterranean energy source called the Earth Current For millennia vast living shapes the Watchers have waited in the darkness near the pyramid It is thought they are waiting for the inevitable time when the Circle's power

finally weakens and dies Other living things have been seen in the darkness beyond some of unknown origins and others that may once have been human To leave the protection of the Circle means almost certain death or worse an ultimate destruction of the soul As the story commences the narrator establishes mind contact with an inhabitant of another forgotten Lesser Redoubt First one expedition sets off to succour the inhabitants of the Lesser Redoubt whose own Earth Current has been exhausted only to meet with disaster After that the narrator sets off alone into the darkness to find the girl he has made contact with knowing now that she is the reincarnation of his past love At the conclusion of the adventure the narrative does not return to the framework story instead ending with the homecoming of the couple and his inauguration into the ranks of their most honoured he

The Night Land William Hodgson,2017-02 William Hope Hodgson was a prolific English author who also served in World War I up until his death in 1918 Hodgson produced many classics in the horror ghost and fantasy genres of fiction including *The House on the Borderland* *The Night Land* and *Carnacki the Ghost Finder* *The Night Land* published in 1912 is a horror novel that is a classic in the Dying Earth subgenre of fantasy fiction The book is notable for its creativity and imagination and it influenced other great writers such as H P Lovecraft and Clark Ashton Smith

[The Night Land Illustrated](#) William Hope Hodgson,2020-11-15 *The Night Land* is a horror fantasy novel by English writer William Hope Hodgson first published in 1912 As a work of fantasy it belongs to the Dying Earth subgenre Hodgson also published a much shorter version of the novel entitled *The Dream of X* 1912 *The Night Land* was revived in paperback by Ballantine Books which republished the work in two parts as the 49th and 50th volumes of its Ballantine Adult Fantasy series in July 1972 H P Lovecraft s essay *Supernatural Horror in Literature* describes the novel as one of the most potent pieces of macabre imagination ever written

The Night Land Volume 1 William Hope Hodgson,2018-09-05 *The Night Land Volume 1* By William Hope Hodgson In a language surely of his own invention Mr Hodgson gives us the most touching exquisite spirit romance that has ever been written Bookman

The Night Land William Hope Hodgson,2021-04-12 Described by H P Lovecraft as one of the most potent pieces of macabre imagination ever written *The Night Lands* tells the tale of a time millions of years in the future when the Sun has gone dark The last few millions of the human race are gathered together in a gigantic metal pyramid the Last Redoubt under siege from unknown forces

The Night Land William Hogdson,2016-08-07

The Night Land is a classic horror novel by William Hope Hodgson first published in 1912 *The Night Land* William Hope Hodgson,1973 It was the Joy of the Sunset that brought us to speech I was gone a long way from my house walking lonely wise and stopping often that I view the piling upward of the Battlements of Evening and to feel the dear and strange gathering of the Dusk come over all the world about me **The Night Land :Illustrated Edition** William Hope Hodgson,2021-09-05 William Hope Hodgson was like his contemporaries Algernon Blackwood and Arthur Machen one of the most important prolific and influential fantasists of the early twentieth century His dark and unsettling short stories and novels were shaped in large part by personal experience a professional merchant mariner for much of his life many of Hodgson s tales are set at sea and his work evokes a disturbing sense of the amorphous and horrific unknown While his nautical adventure fiction was very popular during his lifetime the supernatural and cosmic horror he is most remembered for only became well known after his death mainly due to the efforts of writers like H P Lovecraft and Clark Ashton Smith who often praised his work and cited it as an influence on their own By the latter half of the twentieth century it was only his weird fiction that remained in print and his vast catalog of non supernatural stories was extremely hard to find Night Shade Books s five volume series presents all of Hodgson s unique and timeless fiction Each volume contains one of Hodgson s novels along with a selection of thematically linked short fiction including a number of works reprinted for the first time since their original publication The fourth book of the five volume set *The Night Land and Other Romances* collects all of his romances and women s fiction as well as the entirety of his classic 1912 dying earth novel *The Night Land* [The Night Land Annotated](#) William Hodgson,2020-04-21 *The Night Land* is one of Hodgson s handful of novels and is worth a mention not just because of its haunting imagery but also because its premise is relevant to an overarching theme of the weird fiction of the early 1900 s The story is set in a far distant future one so incredibly distant that the Sun has burned out as have in fact all stars in the sky Humanity still survives in this land of eternal night however because of a mystical source of energy known as the Earth Current The remaining humans have sequestered themselves in a massive pyramid known as The Great Redoubt which is powered and protected by the Earth Current and needs to be because the death of the stars has revealed numerous other beings who thrive in the night land and are hostile to humanity My favorite My spy glass showed it to me with clearness a living hill of watchfulness known to us as The Watcher of The South It brooded there squat and tremendous hunched over the pale radiance of the Glowing Dome And so to tell more about the South Watcher A million years gone as I have told came it out of the blackness of the South and grew steadily nearer through twenty thousand years but so slow that in no one year could a man perceive that it had moved Yet it had movement and had come thus far upon its road to the Redoubt when the Glowing Dome rose out of the ground before it growing slowly And this had stayed the way of the Monster The main narrative of the novel concerns the discovery via telepathy by the hero of the story of a previously unknown second Redoubt far away in the darkness The hero falls in love with the woman he communicates with and ventures out into the

perilous dark in search of her when the Earth Current of the second Redoubt begins to fail The tale is a fascinating and beautiful one filled with many eerie images It only begins to drag when the hero finds his love and attempts to lead her back across the lands Hodgson s stunningly sexist view of women as meek submissive animals who must be punished physically when they do wrong is quite icky and his endless descriptions of the couple s love for one another grow tiresome All and all however it is a unique story which blends science fiction fantasy and horror together A theme I will often return to in my blogging is the observation that horror is very much a product of the social conditions and scientific learnings of its time Hodgson s view of a lightless universe in which humanity awaits its inevitable extinction clearly draws inspiration from the new at the time realization that the Earth and its inhabitants have a much older history than previously thought and the realization that the Sun and its fellow stars have expiration dates upon them These realizations came from the biological insights of Darwin and the radioactive insights of Rutherford among many others I ll have more to say about the history of these discoveries and their influence on the weird fiction of the time in another post [The Night Land](#) The Night Land Author: William Hodgson,2016-08-18 The most popular horror book [The Night Land Annotated Book](#) William Hope Hodgson,2020-03-31 Acquainted With the Night is a book of nonfiction divided up into fourteen chapters an introduction and a conclusion frame the rest of the work which comprises twelve chapters each one focusing upon a single hour during the night In total the twelve chapters span every hour between the times of 6 P M and 5 A M and each hour s chapter has a different theme It s a novel approach to an essay collection and it works quite well the structure is quite pleasing in a manner evocative of a quiet night The introduction called First Night explains the origin of the book before launching into the origin of night both scientifically and etymologically The narrator Dewdney describes his draw toward the night and his motivation for writing this book which is a beautiful tribute to the hours between dusk and dawn that most people regard as simply lost time He then goes on to investigate the origin of the word night tracing it all the way back to the ancient Hittite language of four millennia ago where nekus is the word for night The various accounts of the creation or a priori existence of night are recorded in this section as well This is the last line of the introduction and it sets the scene sublimely for the following twelve chapters Night is a collective planetary spectacle it is a mysterious magical realm and it is a frontier that we are still exploring 16 **Something Wicked: 560+ Horror Classics, Macabre Tales & Supernatural Mysteries** Wilhelm Hauff,Charles Dickens,Mark Twain,Harriet Beecher Stowe,Adelbert von Chamisso,Oscar Wilde,Robert Louis Stevenson,Edgar Allan Poe,William Hope Hodgson,Joseph Sheridan Le Fanu,John Buchan,Louis Tracy,Bram Stoker,Anatole France,Charlotte Brontë,Emily Brontë,Jack London,Henry James,Théophile Gautier,Arthur Conan Doyle,Richard Le Gallienne,Jane Austen,Ralph Adams Cram,Thomas De Quincey,John Meade Falkner,Guy de Maupassant,Thomas Hardy,William Archer,Daniel Defoe,John Kendrick Bangs,Cleveland Moffett,Brander Matthews,Marie Belloc Lowndes,Horace Walpole,Rudyard Kipling,Lafcadio Hearn,Hugh Walpole,Ambrose Bierce,Frederick Marryat,Ellis Parker Butler,Washington

While this might not be the The Night Land full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Night Land eBooks, including some popular titles.

FAQs About The Night Land Books

What is a The Night Land PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Night Land PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Night Land PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Night Land PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Night Land PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
