*New Diamonds and Old Gems* W.H. Shuttleworth, 2008-05-19 Weve all heard Diamonds are Forever But is it really true If diamonds could talk Im sure they would tell many stories of intrigue lust and greed but also about a few beautiful love stories where fairy tale couples marry and live happily ever after On a tour of the Holyland two decades ago our group ventured into a somewhat exclusive diamond factory We watched a meticulous diamond cutter at work at his bench Although many enticing gems and decorative items of jewelry were on display I shyly slipped away without even the tiniest free sample However very shortly thereafter I grabbed up a beautiful gemstone necklace from a persistent Arab street vendor in the city of our Saviors birth It later glistened like the Star of Bethlehem whenever my mom wore it Besides this I noticed how a member of our tour group was picking up a worthless little stone at every holy site we would visit Very soon I was following her example What is the value of such a collection of stones Only the memories it brings back to our minds every time we gaze upon it Hopefully my bag of stones or poems will be of similar value to the reader if this book But please dont altogether elude The Sacred Vault and The Cavern of Commentaries At any rate may you pursuer and enjoy the adventure of it all
