over the last little while haven't been All About Romance      *Nightwalkers* Laura Rosenthal, 2008-08-12 This anthology makes available for the first time a selection of narratives by and about prostitutes in the eighteenth century. These memoirs, some written by and some about eighteenth century prostitutes, offer important insights into female experience and class and gender roles in the period. Portraying the lives of women in both success and hardship, written in voices ranging from repentant to bawdy, the memoirs show the complexity of the lives of the nightwalkers. For eighteenth century readers as Laura Rosenthal writes in her introduction, these memoirs offered sensual and sentimental journeys, glimpses into high life and low life and relentless confrontations with the explosive power of money and the vulnerability of those without it. Offering a range of narratives from the conservative and reformist to the unabashedly libertine, this book provides a fascinating alternative look into eighteenth century culture.

**Nightwalkers** Debarshi Mitra, Goirick Brahmachari, 2022-12-31 About *Nightwalkers* This is fine work by two poets whose work combines an enjoyment of language with formal attentiveness. Debarshi Mitra's poems synthesize the hysteria of dream visuals with a sparseness of line as he conjures a city held by lights where mannequins walk gingerly and a one-eyed man grins. An arresting mix of irony and image characterizes Goirick Brahmachari's evocation of a city that speaks a language of snakes and ladders, hyper-productive genetically modified pre-defined Arundhati Subramaniam. In this rare collection of poems, Debarshi Mitra and Goirick B engage in a soulful poetic conversation around the nightlife in the city. The poems travel in diverse directions to capture every possible nuance of life lived after sunset by people of every age, gender, and class, and articulate a range of feelings from solitude to revelry, from weariness to intimacy and from fear to ecstasy. Together, the poems are an exploration into the oft-concealed dimensions of urban existence, an act like peeping into the other side of the moon to see the undiscovered and the less-discussed aspects of life in the dark, a jugalbandi that is sure to enchant the lovers of poetry.

K Satchidanandan Book Details Authors Debarshi Mitra and Goirick Brahmachari Pages 130 Publisher Writers Workshop Year of Publication 2022 Price Rs 500 Hardback ISBN 978 81 958199 9 7 9788195819997 Preface extract This collection is a collaborative project by two poets. Thematically, it attempts to work around the ideas associated with the term *Nightwalkers*. While the literal meaning of the title may be associated with the idea of a person who walks or sleepwalks through the night, a dated connotation is also its association with prostitutes, and in a larger sense, all deviants who refuse to conform to all that is expected of them. We also attempted to sketch the lives in our own idiosyncratic ways of those in the city who are subjected to various demands during the day, workplace or otherwise, and therefore look forward to the night to express themselves, perhaps in a way reminiscent of the famous painting *Nighthawks* by Edward Hopper. Night then becomes a gateway for memories to flood in for pause, reflection, and more. It is also a way of exploring the so-called underbelly of the city to try and understand the lives of those rendered invisible by the market forces: the cab drivers who continue to drive during the night, the bartenders awaiting a night of revelry, and the many others who are often absent from the public or literary imagination. In our own distinctive ways, we

sought ways to articulate and mirror our own experiences our fleeting thoughts and images In the process we hoped to initiate a larger conversation about the very nature of art and life in a post truth increasingly sectarian and totalitarian world
