The Three Meetings Yeshayahu (Jesaiah) Ben-Aharon, 2022-04-26 How can our souls unite with the etheric Christ experienced in the etheric world since the end of the last century What steps should we take in the second century of the age of Michael to unite with Him At the centre of humanity's evolution stands the Mystery of Golgotha through which the Christ impulse entered the earth Anthroposophy said Rudolf Steiner was given at the beginning of the last century to prepare for the second major Christ event the etheric Second Coming beginning in 1933 This Event is the portal that leads to the mighty and transformative happenings taking place in the etheric world right now enabling us to meet the etheric Christ Michael and Anthroposophia At the heart of this book is an existential question Early in his anthroposophical work Ben Aharon came to realize that without the light of spiritual science the meeting with the

etheric Christ remained simply a personal experience Likewise without the new life forces streaming from the etheric Christ anthroposophy was merely a body of knowledge frozen in time Both needed each other But how was that mutually enlivening bridge to be built Speaking candidly of his personal spiritual path and inner struggles of consciousness Ben Aharon tackles this fundamental dilemma as a prelude to the forthcoming second edition of his book *The New Experience of the Supersensible* Contents include *The Ur Phenomena of the Modern Christ Experience* Paul's Christ Experience and the Birth of Christian Platonism *The Michaelic Yoga* *The Platonic Aristotelian Essence Exchange at the End of the Twentieth Century* *The Meeting with the Etheric Christ* *The Abyss and the Event of the Threshold* *The Knowledge Drama of the Second Coming* *The Meeting with Michael* *The Meeting with Anthroposophia* **Via Podiensis, Path of Power** Marie-Laure Valandro, 2015-08-01 In a kind of sequel to her book *Camino Walk Where Inner Outer Paths Meet* the following year Marie Laure Valandro walked and wrote about her experiences on the French section of the Via Podiensis or the Le Puy Route one of four routes through France on the pilgrimage to Santiago de Compostela in northwest Spain and the tomb of St James She again encountered a steadfast though fleeting international community on the route through southern France while connecting her personal experiences with the many significant historical events of that area especially those of the ninth century in connection with key political and spiritual figures the Grail mysteries and the struggles of women of that time and region The book brings to life words of Rudolf Steiner and other writers as well as the memoirs of historical personalities In this day by day step by step account the author reveals her struggles along the way and considers the true purpose of such a journey or indeed any journey which is self transformation As with her book *Camino Walk* the reader is inspired if not to walk the physical Camino to find one's own path to the inner challenge of change **Fugitive Facts** Robert Thorne, 1889 **The Sion Revelation** Lynn Picknett, Clive Prince, 2006-02-07 An essential notion in the 1 New York Times bestseller *The Da Vinci Code* is the existence of an age old French society the Priory of Sion whose task it is to protect Christ's sacred bloodline In *The Sion Revelation* Picknett and Prince reveal the story of the Priory taking readers on a highly significant disturbing and even alarming ride through history into an intriguing world where a great many uncomfortable facts will have to be faced both religious and political Drawing on a wealth of astonishing evidence they answer numerous questions that shroud this society including Does the Priory actually exist or is the group's entire history an elaborate hoax Was Leonardo da Vinci really one of the Priory's Grand Masters What is the truth behind Pierre Plantard the enigmatic French aristocrat who claimed to be a Priory Grand Master and who some claim was a Nazi sympathizer Could the Priory be a front for other occult societies in Europe with religious or even political agendas By carefully untangling centuries of obfuscation rumor and documented fact *The Sion Revelation* unravels the great intricacies of this secret society and takes us on a historical journey that is as groundbreaking in its explanation as it is riveting in its telling [The New Arthurian Encyclopedia](#) Norris J. Cosmic Christianity Willi Sucher, 1993 Cosmic Christianity describes the relationship between the earthly and supra earthly cosmic worlds by showing the relationship between the cosmos as expressed in the movements of the stars and the activities of Christ during his three years of ministry on Earth The gesture of each astrological planet during those years is worked out and correlated with specific acts of the Christ as recorded in the Gospels The apparent looping movements of Mercury for example are connected with the seven signs of St John s gospel The author goes on to explore the many ways in which these healing acts which have been inscribed in the heavens continue to work in evolution through the events of history and through our individual human lives By studying this we begin to understand our responsibility for developing the new Christian mysteries and consequently renewing the starry cosmos Sucher presents a real foundation for modern star wisdom Topics include the evolution of cosmology the origins of the planetary symbols our new relationship to the stars as revealed in human lives and historical events and the role of the Archangel Michael in our individual relationship to the stars This is an excellent place to begin one s study of the stars and their meaning for both our individual lives and for the world To purchase other books by Willi Sucher please visit the Astrosophy Research Center where you will find some of his most important works on star wisdom Included are Isis Sophia I Introducing Astrosophy Isis Sophia II Outline of a New Star
