The Northern Line:

Automating the Northern Line Owen Smithers, 2016-06-15 Owen Smithers describes the automation of the Northern Line from his own professional experiences The North Line Matt Riordan, 2024-04-02 In Matt Riordan's debut novel a college student in need of quick money finds work on an Alaskan fishing boat in the unforgiving Bering Sea The North Line is a ruggedly erudite story that combines the best of the individualism of Jack London with the introspective ruminations of Raymond Carver not to be missed S A Cosby New York Times bestselling author of All the Sinners Bleed A frightening story of tough men pushed to the brink The novel is captivating occasionally funny and startling I couldn t put it down David Sedaris Even at the ragged edge of civilization some lines should not be crossed Everyone believes Adam to be something he s not Sometimes that s because he s told them a story Sometimes he s told himself one But when Adam joins an Alaskan fishing crew that s promising quick money the dangerous work and harsh lifestyle strip away all fabrications and force a dark hearted exploration of who he really is On the unforgiving Bering Sea Adam finds the adventure and authenticity of a fisherman's life revelatory. The labor required to seize bounty from the ocean invigorates him and the often crude comradery accompanies a welcome hard earned wisdom But when a strike threatens the entire season and violence stalks the waves Adam is thrust into a struggle for survival at the edge of the world where evolutionary and social forces collide for outcomes beyond anyone s control In his riveting debut novel Matt Riordan pairs personal experiences with a master storyteller s eye in a piercing examination of the quest for identity in the face of tempests within and without Compiled Laws of the State of California: Containing All the Acts of the Legislature of a Public and General Nature, Now in Force, Passed at the Sessions of 1850-51-52-53.
