Cutler,2016-07-15 Col George Wright s campaign against the Yakima Spokane Coeur d Alene Palouse and other Indian peoples of eastern Washington Territory was intended to punish them for a recent attack on another U S Army force Wright had once appeared to respect the Indians of the Upper Columbia Plateau but in 1858 he led a brief war noted for its violence bloodshed and summary trials and executions Today many critics view his actions as war crimes but among white settlers and politicians of the time Wright was a patriotic hero who helped open the Inland Northwest to settlement Hang Them All offers a comprehensive account of Wright s campaigns and explores the controversy surrounding his legacy Over thirty days Wright s forces defeated a confederation of Plateau warriors in two battles destroyed their food

supplies slaughtered animals burned villages took hostages and ordered the hanging of sixteen prisoners Seeking the reasons for Wright's turn toward mercilessness Cutler asks hard questions If Wright believed he was limiting further bloodshed why were his executions so gruesomely theatrical and cruel How did he justify destroying food supplies and villages and killing hundreds of horses Was Wright more violent than his contemporaries or did his actions reflect a broader policy of taking Indian lands and destroying Native cultures Stripped of most of their territory the Plateau tribes nonetheless survived and preserved their cultures With Wright's reputation called into doubt some northwesterners question whether an army fort and other places in the region should be named for him Do historically based names honor an undeserving murderer or prompt a valuable history lesson In examining contemporary and present day treatments of Wright and the incident Hang Them All adds an important informed voice to this continuing debate

The Curious Passage of Richard Blanshard Barry Gough, 2023-11-25 Celebrated historian Barry Gough brings a defining era of Pacific Northwest history into focus in this biography of Richard Blanshard the first governor of Vancouver Island illuminating with intriguing detail the genesis and early days of Canada's westernmost province Early one wintry day in March 1850 after seven weary weeks out of sight of land a well dressed Londoner a bachelor aged thirty two stood at the ship's rail taking in the immensity of the unfolding scene From Her Britannic Majesty's paddlewheel sloop of war Driver steadily thumping forth on Imperial purpose all that Richard Blanshard could make out to port in reflected purple light upon the northern side was a forested rock clad island rising to considerable height Vancouver's Island they called it in those far off days This was his destination Richard Blanshard was only governor of the young colony for three short unhappy years only one and a half of which were spent in the colony itself From the very beginning he was at odds with the vastly influential Hudson's Bay Company run by its Chief Factor James Douglas who succeeded Blanshard as governor of the colony of Vancouver Island and later became the first governor of the colony of British Columbia While James Douglas is remembered for better or worse as a founding father of British Columbia Richard Blanshard's name is now largely forgotten despite his vitally important role in warning London of American cross border aggressions including a planned takeover of Haida Gwaii However his failures highlight the fascinating struggles of the time the supreme influence of commerce the disparity between expectations and reality and the bewildering collision of European and Pacific Northwest culture
