The Nostradamus Bible Code:

The Nostradamus Bible Code John Michael Pocock, 2002 **2012, the Bible, and the End of the World** Mark Hitchcock, 2009-09-15 In 2012 the Bible and the End of the World bestselling prophecy expert Mark Hitchcock explores a fascinating last days controversy that is gaining the attention of millions all over the globe What should Christians make of the rapidly spreading speculations that the world will end on December 21 2012 The ancient Mayans were expert astronomers and their advanced calendar cycles predict 12 21 2012 as a catastrophic day of apocalypse This prophecy has spawned a growing number of fringe element books Web sites and even a major movie complete with all star cast scheduled to release in July 2009 Missing in the furor is a biblical perspective Bible teacher Mark Hitchcock whose books have sold more than 300 000 copies examines the following questions Why December 21 2012 Can we trust the Mayan alarm clock Does the Bible say anything about 2012 What signs will tell us that Armageddon is near This book provides a fascinating survey of both the historical past and the prophetic future Readers will discover how to effectively counter baseless speculation with biblical fact Trumpocalypse Paul McGuire, Troy Anderson, 2018-01-02 From the authors of the international bestseller *The Babylon Code* comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency and why the globalist elite and Deep State will stop at nothing assassination military coup staged economic collapse or worse to overthrow him *Trumpocalypse* It's the media coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III an unprecedented nuclear apocalypse ending the world as we know it But is the media telling us the truth No say internationally recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize nominated investigative journalist Troy Anderson America's most insidious enemies are not hostile nations they are elite globalists the Establishment that is making the 1 percent even richer while working and middle class people watch their incomes and net worth's flatline or plummet The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical economic and military affairs experts faith leaders and biblical scholars McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions government education entertainment international banking and even the media *Trumpocalypse* explores the enigmatic prophecies and biblical codes involving Trump and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end time narrative unfolds as many people with prophetic gifts are predicting and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse It further reveals why Trump and millions of deplorables are fighting to

stop the hidden agenda of the Establishment and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end times awakening that millions are praying for Here is an invitation to join the anti Establishment surge what evangelist Franklin Graham calls the Christian revolution and discover how to fulfill your own destiny in the run up to the Second Coming of Jesus Christ

Great Pyramid CODE Discovered Prophecy Revealed by Moon Lunation's and Solar Eclipse Brian Leonard Golightly Marshall,2008-07-22 The end of days has been speculated by researchers for centuries the Great Pyramid has been called a bible in stone Christian researchers fit their prophecy into the numbers But then Christ was reborn to the Earth on January 11th 1944 he made himself known to governments and churches not only did they reject him they recognised him and set up a wall of opposition against him As he matured he solved the mystery by revealing lunation s and solar eclipses pinpointing his birth in the Great Pyramid

The Truth Agenda Andy Thomas,2014-12-10 The Truth Agenda explores some of the most famous unexplained mysteries and global cover ups of recent history What is the truth about UFOs pyramids religious apparitions psychic phenomena visions of the future and ancient prophecies and what is their connection to famous conspiracy theories concerning the Moon landings 9 11 the New World Order and claims that the planet is secretly run by a powerful ruling elite Leading mysteries researcher Andy Thomas pulls the many threads together in an accessible stimulating and credible overview which suggests that our world may be very different from the picture presented by the establishment The Truth Agenda shows how we can avoid control manipulations and help to create a more positive future Why do so many people believe in conspiracy theories and what is the evidence to support them What is the basis for the wide belief that we are now in a New Era of massive change and consciousness shift Why is there such huge but officially undeclared interest in paranormal phenomena from authorities and religions How does all this tie together and explain the agendas of control and surveillance in the West and what can we do

50 Popular Beliefs That People Think Are True Guy P. Harrison,2012-01-03 What would it take to create a world in which fantasy is not confused for fact and public policy is based on objective reality asks Neil deGrasse Tyson science popularizer and author of Astrophysics for People in a Hurry I don t know for sure But a good place to start would be for everyone on earth to read this book Maybe you know someone who swears by the reliability of psychics or who is in regular contact with angels Or perhaps you re trying to find a nice way of dissuading someone from wasting money on a homeopathy cure Or you met someone at a party who insisted the Holocaust never happened or that no one ever walked on the moon How do you find a gently persuasive way of steering people away from unfounded beliefs bogus cures conspiracy theories and the like This down to earth entertaining exploration of

commonly held extraordinary claims will help you set the record straight The author a veteran journalist has not only surveyed a vast body of literature but has also interviewed leading scientists explored the most haunted house in America frolicked in the inviting waters of the Bermuda Triangle and even talked to a contrite Roswell alien He is not out simply to debunk unfounded beliefs Wherever possible he presents alternative scientific explanations which in most cases are even more fascinating than the wildest speculation For example stories about UFOs and alien abductions lack good evidence but science gives us plenty of reasons to keep exploring outer space for evidence that life exists elsewhere in the vast universe The proof for Bigfoot or the Loch Ness Monster may be nonexistent but scientists are regularly discovering new species some of which are truly stranger than fiction Stressing the excitement of scientific discovery and the legitimate mysteries and wonder inherent in reality this book invites readers to share the joys of rational thinking and the skeptical approach to evaluating our extraordinary world *The Complete Idiot's Guide to 2012* Colin Andrews, Dr. Synthia Andrews,

Who Wrote the Bible Code? Randall Scott Ingermanson, 1999 Did God imprint his signature on the book of Genesis through a secret code A computational physicist leads an investigation of the evidence at hand and points to a website where readers can download software to crack the Bible code on their own computers *The Isaiah Effect* Gregg Braden, 2009-02-04 Seventeen hundred years ago key elements of our ancient heritage were lost relegated to the esoteric traditions of mystery schools and sacred orders Among the most empowering of the forgotten elements are references to a science with the power to bring everlasting healing to our bodies and initiate an unprecedented era of peace and cooperation between governments and nations In his groundbreaking new book *The Isaiah Effect* Gregg Braden turns to the Isaiah Scroll perhaps the most important of the Dead Sea Scrolls discovered in 1946 to offer insight into a powerful form of ancient prayer In *The Isaiah Effect* Braden author of *Awakening to Zero Point* and *Walking Between the Worlds* combines research in quantum physics with the works of the prophet Isaiah and the ancient Essenes He demonstrates how prophecies of global catastrophe and suffering may only represent future possibilities rather than forecast impending doom and that we have the power to influence those possibilities In addition to describing multiple futures the Isaiah texts take us one step further clearly describing the science of how we choose our futures Tracing key words of Isaiah's text back to their original language

we discover how he taught a mode of prayer that was lost to the West during Biblical editing in the fourth century Braden offers detailed accounts of how elements of this mode of prayer have been applied in a variety of situations ranging from healing life threatening conditions to entire villages using collective prayer to prevail during the 1998 fires in southern Peru In each instance the correlation between the offering of the prayer and a shift of the events in question was beyond coincidence the prayers had measurable effects As modern science continues to validate a relationship between our outer and inner worlds it becomes more likely that a forgotten bridge links the world of our prayers with that of our experience Each time we engage ourselves our loved ones and our communities with Isaiah s life affirming message of hope we secure nothing less than our future and the future of the only home we know *You Are a Spiritual Being Having a Human Experience* Bob Frissell,2000-12-29 Too many people allow themselves to be limited by their ideas about themselves and the world around them Bob Frissell reminds readers that they create their own reality through their consciousness and that improving this reality and living a fuller life is simply a matter of broadening one s perspectives In this book he shows people how to reconnect with their multidimensional selves and remake their lives **2013: the End of Days or a New Beginning? (Easyread Comfort Edition)** , *Jimmy Swaggart: the Anointed Cherub That Covereth* Patricia Ann Sunday,2010-03-16 Within these pages is the reality of the attack mounted by Satan against ministries nations and people The subtleties are exposed and the reasons for the successful resulting destruction are identified It is a book about a war few recognize we are in even as it relates to only one particular battle The tactics of the enemy take on new approaches but at the core they remain unchanged Hocus Pocus Lately with Secret Insert for Bankers Valentino Zubiri,2014-04-27 This is a Special Edition that includes a SPECIAL SECRET 2 PAGE PROPOSAL which the authors hopes for financial institutions including investment banks hedge funds and investors to read ART IS UNREGULATED and it may be the solution to your creative financing problem due to the economic downturn It focuses on investing in art based on Mr Zubiri s idea that his several memoirs would make his art known and desired by art collectors and investors in the long run so financial institutions would find ways to make his art profitable for them He proposes an exponential doubling of price in the Special Secret Insert Psychic healing and psychic surgery are not professional activities that can be turned on and off It is not like a 9 to 5 job I never wanted it but for my beloved father who got sick I was willing to do anything I had seen the impossible decades ago when I met a Filipino psychic surgeon He taught me how to do it Maybe I had no choice in the matter **The Truth Unveiled** Pasquale De Marco,2025-07-23 The Truth Unveiled is a groundbreaking book that reveals the hidden truth about Christianity Drawing on cutting edge research and ancient texts this book challenges everything you thought you knew about Jesus Christ Mary Magdalene and the early church For centuries the church has suppressed the truth about Jesus s life and teachings They have hidden the fact that Jesus was married to Mary Magdalene and that they had children together They have also hidden the fact that Jesus was a revolutionary who preached a message of love compassion and social justice But

now the truth is finally coming to light Thanks to the work of courageous scholars and researchers we are now able to piece together the real story of Jesus and his followers In this book you will learn about The real story of Jesus Christ Mary Magdalene and the early church The suppressed gospels and other ancient texts that reveal the truth about Jesus s life and teachings The hidden lineage of Jesus and Mary Magdalene The secret societies that have guarded the truth about Jesus for centuries The prophecies that foretell the return of Jesus and the coming of a new age This book is a must read for anyone who wants to know the truth about Jesus Christ and his message It is a book that will change your life forever The truth has been hidden for too long But now it is time for the world to know The Truth Unveiled is a well researched and thought provoking book that will challenge your beliefs about Christianity It is a must read for anyone who is interested in the truth about Jesus Christ and his message If you like this book write a review **Quatrain** John Medler,2011-01-13 In 1557 Nostradamus published a collection of four line rhyming prophetic verses called Squatrains The initial collection was supposed to have 1000 prophecies However only 942 survived until now Can a cynical college professor and his two rebellious teenagers find the 58 lost prophecies of Nostradamus and use them to stop an impending terrorist attack and will anyone believe them **TIME AND SPACE** Ricky Lucio,2010-10-12 Do you believe that the world will end on December 21 2012 Neither did astrophysics professor Ivan Peterson until he saw the irrefutable evidence before him What started out as an ordinary day for Dr Peterson quickly turned into a challenge to save the world With heart pounding intensity and challenges at every corner Dr Peterson must work with the U S Military the President of the United States a couple of friends and a visitor from the future to try to save the Earth from destruction With only days to go before December 21 2012 and with no clear strategy to save the world from the myriad of possible destructive forces Professor Peterson must try to prevent a catastrophe Nothing is as it seems and everything seems to happen at once Ivan s extensive education was no preparation for what he and the others must now face Which force will destroy the Earth and its people fi rst a hostile alien race or the increasingly tense nuclear countries of the world all with their weapons ready to fi re at a moment s notice **You Are STILL Being Lied To** Russ Kick,2009-01-01 A must have revised and expanded edition of The Disinformation Company s classic anthology You Are STILL Being Lied To contains more than a dozen all new essays from contributors like Norman Solomon Graham Hancock Alex Jones John Major Jenkins Robert Bauval Richard DeGrandpre Alexandra Bruce John Hogue Gregory Davis and Scott Creighton on topics ranging from the misleading marketing of antidepressants to the truth about the North American Union from media consolidation to the New Thought movement Editor Russ Kick s massive collection acts as a battering ram against the distortions myths and outright lies that have been shoved down our throats by the government the media corporations organized religion the scientific establishment and others who want to keep the truth from us An unprecedented group of researchers including Howard Zinn Noam Chomsky Howard Bloom Sydney Schanberg Michael Parenti Riane Eisler Jim Marrs and many many others paint a picture of a world where crucial stories are ignored or actively

suppressed and the official version of events has more holes in it than Swiss cheese A world where real dangers are downplayed and nonexistent dangers are trumpeted In short a world where you are being lied to **The Purification Papers** Daniel Briggs,2012 This original 2012 review by an Amazon Top 1000 Reviewer was redacted from the Amazon Website Author Daniel Briggs has done a lot of work to put together this remarkable compilation of evidence that we are inevitably heading toward a major shift in consciousness I was very impressed he must have read hundreds of books in his research of this compilation It includes history going back to matriarchal times biblical times esoterica alien influences the Mayans of course the Bible code Terence McKenna s analysis of the I Ching and much much MUCH more Modern events such as 9 11 and OJ Simpson are weaved into the prophecies Though I have read a great deal on the vast majority of these topics I was nonetheless surprised and shocked by tidbits of info such as the concept that men actually leave energy lines in women during sex and these take 7 years to go away Astronaut Edgar Mitchell went into Samadhi during his space flight I was most astonished to learn that even hard headed engineering types have concluded that this shift is inevitable as we head toward zero point energy There is hope on the horizon I love how Mr Briggs suggests we will develop siddhis powers after the shift Attendance at the Hogwarts schools of the new Golden Age promises inconceivable thrills as we develop our God given siddhis in a natural and controlled environment Without doubt the most popular class will be flying Sporadic levitations have been recorded throughout history mostly connected with an overpowering euphoric vision rapture My only complaint about this book is that there is no introduction for us to get the overall picture of what the book is about nor is there an author bio But if you want a summary of all things pointing to a major shift this is a great read Susan Schenck Amazon Top 1000 Reviewers **The Prophecy and the Warnings Shines Through the Mystifying Codes of the Holy Quran** Adel Awadalla,2004 Nostradamus 1503 1566 a Jewish French physician and astrologer wrote a book of over 900 predictions A lot of these predictions came true How could he get to this precision in his predictions So could Nostradamus make these predictions And what books did he use For someone to predict the future with this precision he must be a man who knew the secret methods of predicting the future as we will explain The author will show you how these predictions came about and how we can make our own predictions and events about to happen It s been said that the CIA uses the Bible and the Book of Revelation and other holy books as the backbone of all their plans and plots
