# THE NUCLEAR AXIS

No. 118

The 10th I have been advised that I have brought to your notice the German Ambassador. See my 8/19 of 9th October entitled "Is there a threat of a second Cabore Basaa" also my 10/20 of 10th October entitled "German participation in the Hocking Project" and my report on Kaunda's visit 8/3/1 of 20th October.

It is for this reason that I express reservations about Rossini's **Secret collaboration between West Germany and South Africa** for me to talk to one of their top men and this has now been arranged for November 6th.

I must defer my final recommendation until I have spoken to Uran Gesellschaft and at this stage would merely remark that the German Government was successfully persuaded to stand firm on Cabore Basaa and that it is important that it should stand firmly on Rossini, although it may be more correct to say that it should stand firm on Rossini making the necessary representations if it is our best judgment that these representations could be worthwhile.

It is an open question whether publicity at this stage would be wise or unwise and it is here that I consider that we should be guided by Uran Gesellschaft.

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
