Dahlstrom,2015-05-27 By utilizing a relatively unknown natural law of science we are able to reveal the hidden pattern and divine structure of the Holy Scripture which by definition proves its authenticity This book is a unique defense of the Bible and thus by extension that of Christianity by providing a proof of the veracity of the Word of God in a scientific manner outside the Bible itself which previously has not been accomplished The author will demonstrate that the same true natural law of science the Law of First Digits as described in chapters 2 and 3 when applied to the Holy Scriptures of the Bible proves the presence of Gods unfathomable intelligence in creating and preserving the truthfulness of His Word Moreover this proof extends to the identification of God as the only true God of the universeto the exclusion of all others That is a very powerful and controversial statement but one that can be backed up If one proves the entirety of the Scripture as true then it follows that the God referred to in those same Scriptures is and must be the one true God of the universe *The Philosophical Magazine, Or Annals of Chemistry, Mathematics, Astronomy, Natural History and General Science* ,1830 *Mystery of the Seven Golden Candlesticks* Doug Gilworth,2021-09-09 John the Apostle was in the Spirit on the Lord s day and he heard Jesus speak as the voice of a trumpet When John turned to look the first thing he saw was seven golden candlesticks and Jesus in the midst of them What are these seven golden candlesticks John heralds to us in the first chapter of the book of Revelation Bible scholars and students have speculated on this topic for almost two thousand years Some suggest a deeper meaning of the seven golden candlesticks is they represent seven periods of the church seven personality types within the church and seven types of churches among others But no widely held view exists An angel explained to John deep spiritual truth pertaining to the seven golden candlesticks giving the seven churches Ephesus Smyrna Pergamos Thyatira Sardis Philadelphia and Laodicea as the answer but is that all there is to it or did the angel tell John more Did the angel tell John something in which he was instructed not to write because it was for the end times Most believe there is a deeper meaning otherwise there would not have been so much conjecture over the years And it is called a mystery for a reason Seven messages to the seven churches occupy two full chapters in the preeminent end time book of prophecy undoubtedly for an important purpose certainly adding fuel to the fire of grandeur The ultimate meaning of the mystery of the seven golden candlesticks is what this book possibly divulges and along with it the understanding of who the seven stars in Jesus s right hand are the unfolding of the righteous experiencing victory over death the judgment seat of Christ the kingdom of heaven and many other things revealed by the understanding of this mystery **The Natural History of the Bible** Henry Baker Tristram,1875 **Philosophy of Natural Therapeutics, Henry Lindlahr** Henry Lindlahr,1999 **Spiritual Healing Using Natural Health** Reverend Sheila L. Hall,2010-09-30 **40 Days in Psalms** T.J. Betts,2021-03-02 40 Days in Psalms is part of a series of devotionals written for any Christian desiring to deepen his or her understanding of Scripture The Holy

Spirit uses God's Word to grow believers in their faith and increase their passion for Jesus.
