The Oberammergau Passion Play:

The Oberammergau Passion Play Vernon Heaton, 1979 *The Oberammergau Passion Play* Saul S. Friedman, 1984
Traces the origin of passion plays and discounts the legend that the Oberammergau play was first performed in 1634 after the village was saved from a plague Its true origin is in religious zealotry antisemitism and the profit motive Surveys the various texts and concludes that the play falls far short of aesthetic demands creates harmful stereotypes of Jews and perpetuates the charge of deicide Describes changes in the play during the Nazi era its revival after World War II for financial profit and recent unsuccessful efforts to revise the text Pp xv xix contain an essay by Judson Shaver New Testament Roots of Christian Anti Semitism Oberammergau James Shapiro, 2001-06-12 The Bavarian village of Oberammergau has staged the trial crucifixion and resurrection of Christ nearly every decade since 1634 Each production of the Passion Play attracts hundreds of thousands many drawn by the spiritual benefits it promises Yet Hitler called it a convincing portrayal of the menace of Jewry and in 1970 a group of international luminaries boycotted the play for its anti Semitism As the production for the year 2000 drew near James Shapiro was there to document the newest wave of obstacles that faced the determined Bavarian villagers Erudite and judicious Oberammergau is a fascinating and important look at the unpredictable and sometimes tragic relationship between art and society belief and tolerance religion and politics *Complete Official Text of the Oberammergau Passion-play* Joseph Alois Daisenberger, 1900 Passion Play Oberammergau 2022 Gemeinde Oberammergau, 2022-10-06 The history of the Oberammergau Passion Play begins in 1633 In the midst of the Thirty Years War as plagues brought suffering and death for months on end the people of Oberammergau vowed that they would stage the play of the suffering death and resurrection of our Lord Jesus Christ every ten years It was at Pentecost in 1634 that they first fulfilled this promise In 2022 the community will present the Passion Play for the 42nd time an unrivalled feat of continuity Almost half the residents of Oberammergau more than 2000 participants mount the life of Jesus of Nazareth in a five hour performance on the imposing open air stage of the Passion Play Theatre in southern Bavaria With more than one hundred performances and half a million spectators it is the most successful amateur production in the world and is included on UNESCO s register of Intangible Cultural Heritage The official illustrated book documents Christian St ckl s new production of the Passion Play with set designs costumes and tableaux vivants by Stefan Hageneier It is the third Passion Play production that the two Oberammergau born artists have staged together one that sees them forging a connection with the present day highlighting the pressing issues of asylum and integration The rehearsals are captured by Icelandic cinematographer Birgit Gu j nsd ttir and her moving and richly detailed photographs reveal the enormous energy and emotional force of this unique event The Oberammergau Passion Play Kevin J. Wetmore, Jr., 2017-02-06 Every ten years since 1634 the Bavarian village of Oberammergau has performed the world s most famous Passion Play recounting the last days of Jesus Christ In 2010 presenting the play for the 41st time the village broke with tradition to offer a new interpretation

[A Rabbi's Impressions of the Oberammergau Passion Play](#) Joseph Krauskopf,2020-02-10 ORIGINALLY but one lecture on the Oberammergau Passion Play was contemplated by the author Developing his subject he found himself obliged in justice to his theme to make of the one lecture three The widespread interest which the treatment of the subject awakened and the keen desire of large audiences and of a yet larger reading public both of Jews and non Jews to hear and read more and more of a Rabbi s Impressions of that unique presentation of the gospel story of Christ s Passion at Oberammergau not only changed the three lectures into six not only exhausted two large pamphlet issues of them but has also necessitated this new edition supplemented by a number of chapters which bear on the subject and which throw additional light on the question discussed But the great demand for these lectures is not the only reason for their issuance in book form They would have been delivered from the pulpit of the Reform Congregation Keneseth Israel even if no interest in them had been evinced and they would have been issued in printed form even if no one had shown a desire to peruse them The discourses would have been obliged to create that interest no matter how difficult the task no matter how slow the progress The Oberammergau Passion Play has made clear that there are falsehoods enacted and taught that must be uprooted and that there are truths suppressed that must be brought to light and given the widest publicity if the Jew is to be spared further suffering and if the Christian is to be saved from further wrong doing against Israel
