The Consolations of Writing Rivkah Zim, 2017-06-06 Why writing in captivity is a vitally important form of literary resistance Boethius wrote *The Consolation of Philosophy* as a prisoner condemned to death for treason circumstances that are reflected in the themes and concerns of its evocative poetry and dialogue between the prisoner and his mentor Lady Philosophy This classic philosophical statement of late antiquity has had an enduring influence on Western thought It is also the earliest example of what Rivkah Zim identifies as a distinctive and vitally important medium of literary resistance writing in captivity by prisoners of conscience and persecuted minorities *The Consolations of Writing* reveals why the great contributors to this tradition of prison writing are among the most crucial figures in Western literature Zim pairs writers from different periods and cultural settings carefully examining the rhetorical strategies they used in captivity often under the threat of death She looks at Boethius and Dietrich Bonhoeffer as philosophers and theologians writing in defense of their ideas and Thomas More and Antonio Gramsci as politicians in dialogue with established concepts of church and state Different ideas of grace and disgrace occupied John Bunyan and Oscar Wilde in prison Madame Roland and Anne Frank wrote themselves into history in various forms of memoir and Jean Cassou and Irina Ratushinskaya voiced their resistance to totalitarianism through lyric poetry that saved their lives and inspired others Finally Primo Levi's writing after his release from Auschwitz recalls and decodes the obscenity of systematic genocide and its aftermath A moving and powerful testament *The Consolations of Writing* speaks to some of the most profound questions about life enriching our understanding of what it is to be human **The Book of Consolations: Or the Pastoral Epistles** Īshō'yabh III (patriarch of the Nestorians), 1978

The Book of Consolations, Or The Pastoral Epistles Isho-yabh of Kuphlana in Adiabene, 1904 *Luzac's Oriental List and Book Review*, 1904 *Greek and Roman Consolations* H. Baltussen, 2012-12-31 In the Ancient World death came on average at a far earlier age than in today's West and without the authoritative warnings given by modern medicine Consolation for the trauma of loss had accordingly a more prominent role to play This volume presents eight original studies on consolatory writings from ancient Greek Roman early Christian and Arabic societies The authors include internationally recognised authorities in the field They offer insight into the ancient experience of loss and the methods used to palliate it They explore how far there was a consolatory genre involving letters funerary oratory epicedia and philosophical prose Focusing on responses to grief in numerous ancient authors this volume finds elements of continuity and of individual variety in modes of consolation and reveals instructive tensions between the commonplace and the personal Sorrow and Consolation in Italian Humanism George W. McClure, 2014-07-14 George McClure offers here a far reaching analysis of the role of consolation in Italian Renaissance culture showing how the humanists' interest in despair and their effort to open up this realm in both social and personal terms signaled a shift toward a heightened secularization in European thought Analyzing works by fourteenth and fifteenth century writers from Petrarch to Marsilio Ficino McClure examines the treatment of such problems as bereavement fear of death illness despair and misfortune These writers who evinced a belief in the legitimacy of secular sadness tried to forge a wisdom that in their view dealt more realistically with the art of living and dying than did the disputations of scholastic philosophy and theology Arguing that consolatory concerns helped spur the revival of classical schools of psychological thought McClure reveals that the humanists sought comfort from once neglected troves of Stoic Peripatetic Epicurean Platonic and Christian thought He contends that the humanists' pursuit of solace and their duty as consolers provided not only a forum but perhaps also an incentive for the articulation of prominent Renaissance themes concerning immortality the dignity of man and the sanctity of worldly endeavor Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Luzac & Co.'s Oriental List*, 1904 *The National Pastorals of the American Hierarchy, 1792-1919* Catholic Church in the United States. Bishops, 1923 *The Book of Consolations* Isho-Yahbh, 2014-03 This Is A New Release Of The Original 1904 Edition Journal of the Society of Biblical Literature and Exegesis Society of Biblical Literature and Exegesis, 1887 Home Sundays; or, Help and consolation from the sanctuary George Everard, 1868
