Young, Nancy K. Young, 2005-02-28 Prior to the stock market crash of

1929 American music still possessed a distinct tendency towards elitism as songwriters and composers sought to avoid the mass appeal that critics scorned. During the Depression however radio came to dominate the other musical media of the time and a new era of truly popular music was born. Under the guidance of the great Duke Ellington and a number of other talented and charismatic performers swing music unified the public consciousness like no other musical form before or since. At the same time the enduring legacies of Woody Guthrie in folk, Aaron Copeland in classical and George and Ira Gershwin on Broadway stand as a testament to the great diversity of tastes and interests that subsisted throughout the Great Depression and play a part still in our lives today. The lives of these and many other great musicians come alive in this insightful study of the works, artists and circumstances that contributed to making and performing the music that helped America through one of its most difficult times. The American History through Music series examines the many different styles of music that have played a significant part in our nation's history. While volumes in this series show the multifaceted roles of music in our culture, they also use music as a lens through which readers may study American social history. The authors present in depth analysis of American musical genres, significant musicians, technological innovations and the many connections between music and the realms of art, politics and daily life. *The Encyclopedia of Popular Music* Colin Larkin, 2011-05-27. This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day.

God in the Mirror Dr. J.J. Meier, 2009-03-11. For many people the concept of a Divine Spirit is elusive. Many question who or what God is. In today's chaotic world it's no wonder we have questions. The issues we face from personal to global disconnect us physically and detach us from our spiritual energy. J.J. Meier has written *God in the Mirror* to reconnect us to the Universe, to reflect a new vision of God and ultimately a new vision of you. Using spiritual concepts from world religions, Dr. Meier examines our physical, emotional, mental and spiritual natures including our health, our energy level and our ability to love and forgive. Essentially the layers of our Being. Because your world reflects the state of YOU, you can choose to change your individual state anytime. Life can be full of wonder and delight, joy and forgiveness, love and bliss. *God in the Mirror* guides you on a journey that starts in your mind, travels through your heart and settles into your soul. This book is rich with insights that lead to realizations that each of us is a reflection of the God Source, ever connected and never separated.
