The New Open Bible New American Standard Bible:

Holy Bible Nelsonword,1990-09-01 **The Open Bible : New American Standard Bible , The Work of the Ministerial Staff** James H Hudson,2003-10 *Open Bible* Thomas Nelson,World Publishing Company,2004-09-15 A classic has been brought back The NASB Open Bible has traditionally been the best selling NASB study Bible and the best selling of the Open Bibles Book introductions by Walk Thru the Bible and the best study tool ever created the Biblical Cyclopedic Index make this a truly dynamic study tool The New American Standard Bible is known as being the best translation for the study of the words of Scripture The combination is unbeatable **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **A Brief Walk through the Books of the Old Testament** Tony Smith,2022-11-03 The Old Testament is a formidable book a historic journey moving from creation through the time of Noah and the flood to Abraham and his descendants Moses and the children of Israel high priests judges kings and the spoken words of God through the prophets In my studies of the books of the Old Testament I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations I wrote this book to summarize the main points from Genesis to Malachi and to provide the historical elements such as dates to tie the story to historical settings and events I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings Most of the books of the Old Testament are prophetic There were approximately eight hundred prophesies in the Old Testament and a large portion approximately six hundred have been fulfilled There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled My goal is for this writing to serve as an easy and comfortable format for the reader to get to know God who we are to Him why we are here and to discover His wonderful pathway leading to eternal life I want to reach those who are led to

the Word of God and upon opening up a Bible and reading a few pages become discouraged by its vastness and disconnect of such long ago times The Old Testament truly has a long but remarkable timeline of history and I have endeavored to tie its writings accordingly in a brief walk through these inspired books of the Word of God **The Features of Christian**

Counseling Dr. Mildred W. Davis,2012-01-23 **I Am** Ann Sowell Brock,2014-12-09 In scripture a person s name epitomizes the very essence of his identity The abundance of God s names in His Word showcases the many aspects of His identity that reflect the ways He meets the daily situations of our lives God desires that we seek Him know Him and understand His ways One can attain a deeper revelation of the majesty of God by what He has revealed about Himself through His names A canvas of His names vividly displays the majesty of His inexhaustible character to one hungry to know Him Gazing into the face of I AM through His names captivates the seeking heart to drink in the thirst quenching beauty of our awesome God I Am is a collection of 366 meditations on the names and attributes of God that reveals the splendor of His character to every heart seeking to know and understand Him I Am invites those who long for new heights of joy and delight in His presence to discover daily revelations about Him to develop a renewed passion to know Him to experience deeper levels of intimacy with Him to create a deeper longing for prayer to Him to build a stronger foundation of faith in Him

The Inside Word Guy Peter Calandra, The Inside Word is about the greatest discovery to Christ in the hope of glory

New Open Bible ,1990 *Found, Forgiven, Forgotten* Sue McGee,2013 MAZE OF CONFUSION Lost in a maze of confusion and desperation suicide seemed to be the only solution I had a life of chaos spent searching for my purpose in life My search including a God I knew was there but did not know how to seek Him Was He really there and if so why couldn t I find Him Many songs came out during the 60 s and 70 s that described me perfectly Some of the words were How do I get off from this merry go round my head is spinning lonely girl caught in this game lost as a lamb and who am I I cried every time I heard these songs because I could relate to them all I knew I was caught in a web of despair but did not know how to become free or find hope by trying to find my way out of the maze alone God sent a light from above through a dream He gave me that I believe was the hand of an angel She took me by the hand and helped to guide me through the maze to a path that began to bring me peace and hope I followed her in my dream to a pathway that was leading me to God She said do not be afraid God loves God cares God hears From there I became involved in Bible Studies support groups and church meetings He sent wonderful people to me that helped me grow as a Christian woman He has used my past over and over again during the past thirty five years to help others find HOPE and peace in a dark and confusing world My siblings and I were raised in a dysfunctional home where there was addiction abuse alcoholism incest homosexuality molestation adultery anger and oppression He took our lives and recreated us and made something beautiful of our lives Why Because He is real HE LIVES There is hope we just have to want it H Hope O Offers P Promises E Everyday HOPE also Opens Painful Eyes so we can truly see the wonderful plans He has for all of us no matter what our past was like **The Caleb** Diann Ross

Woodbury,2016-11-12 This book is so different from the eighteen titles that I came up with to name it It is the best of the three that are written of the series The Caleb A Christian Dog This one you may wish to have if only for The Spiritual Warfare Prayer The rest of this book is also just amazing to me God is the one who gave me the title of this book It was not one of the eighteen that I came up with I always have to wait on God to give me everything about the books I write He doesnt inspire me to write He enables my crippled body to perform the task of writing I cannot see very well I cannot type I cannot remember what I thought to write I also cannot sit without causing much pain I get bed sores now that are a new painful experience for me I give Jesus all the credit for my published books along with Microsoft Disabilities and a few Filipinos from Xlibris Publishing This book takes you through mostly nonfiction stories that actually happened Some are dramatized for expressions sake Most can be backed up with scripture from the Holy Bible The pictures are real Caleb and I are real This book like most of my books is a one of a kind book but it can be used more than any other of the series as a reference book This one can be made into a Christian movie also It informs you of the plight of people who may be way less fortunate than we are It may give you hope for the situation that you are dealing with Some parts of this book are sad but then it will turn around to hope and gratitude if you let it Jesus wants to give all people his best but there are certain things we must do to get that The only three days I did not get demonically attacked to some degree since publishing The Caleb series for five months up to six times a day is when I recited the Spiritual Warfare Prayer out loud to myself or someone else I hope this book helps you to achieve his best blessings One of my best blessings is the fact that besides my getting saved he gave me Caleb to take care of Is that true or is it Caleb who takes care of me **The Secret Strength of Angels** Frederic Flach, MD,2014-09-30 The perfect gift for the Angels in your life A book to be treasured forever Personal protectors divine messengers pure spirit seraphim and cherubim agents of God We all have a notion of what angles are and what they should look like We ve seen angels portrayed in paintings sculpture movies and TV But even with hundreds of books and TV shows on angels is there something about them we ve missed The Secret Strength of Angels is about the remarkable qualities that angels possess and what we humans can do to emulate them in our own lives here on earth What s secret about these virtues is not so much what these angel strengths are but the idea that we can penetrate the shroud of mystery that surrounds them and identify very specific attributes seven in particular that we can make a part of our own personalities once we understand and appreciate them This may come as a surprise to some Even those of us who do believe in angels have traditionally thought of them as belonging to another realm pure spirit sometimes impish sometimes heroic agents of God our personal protectors We have been encouraged to model ourselves after elders deserving of respect remarkable figures in history saints But this may be the first time that anyone has considered angels themselves as models for human behavior The Secret Strength of Angels reminds us that it is not what angels are that is important but rather what they do Angels travel the world protecting people performing altruistic acts and making life better for those around them In fact there are seven specific

strengths that angels exhibit which Dr Flach reveals The freedom to choose The power of knowing Love and generosity Communicating A mission to guide and protect Healing and helping A mission to become a more spiritual person Written with quiet confidence and authority The Secret Strength of Angels provides a unique guide to confronting the day to day in the healthiest manner possible Whether it helps you heal old wounds and change your behavior or merely confirms what you already know The Secret Strength of Angels is thought provoking and interesting and contains a message that can appeal to anyone For every Angel on Earth *Faith Reads* David Rainey,2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection **What Tithing Is Not, What Nation Is He Speaking To** William Thomas Gregory,2003-07 **Last Letters to Christian** Douglas A. Weigent,2022-10-20 The purpose of this book is to share the great work that God does in our souls for eternal life We are always on a journey outlined and empowered by the love of God He provides the spiritual fountain we drink from to be like Christ For the new creation we are transformed into the image of Jesus God builds into our lives the fruit of His own Spirit The discussion of God s attributes in these letters allows the comparison to be made between the transfiguration of our hearts and the reflection of His image We are not gods but we can be godly I include letters on God s power wisdom and providence proving that only God is able to do this heart work I include letters on the fruit of the Spirit for patience goodness faithfulness freedom and holiness establishing our reflection of God s handiwork In God s time and way He brings us to places in our lives where we experience and better understand His goodness **Letters to Christian** Douglas A. Weigent,2019-01-23 The most important combat experiences of your life will be spiritual battles for the destiny of your eternal soul They are between God s will versus your will sin versus holiness and whether you are saved or lost God s plan for you to defeat the world the flesh and the devil is not by trying harder and making more resolutions or doing good things God s plan for you is to behold his presence by learning his truth and discovering his grace In Letters to Christian the author turns to your heart and conscience where decisive spiritual insights take place to share the glory of God You will learn the necessity to protect your soul in battle by digging truth out of the scriptures The letters describe God s sovereignty assurance and the importance of perseverance to help you become victorious in Jesus and to understand your Christian life You will learn what God thinks about you and how to equip and protect your soul with his armor of truth The Letters to Christian is not about religion but relationship and will allow you to discover God s work of grace in your heart proving Jesus Christ is being formed within you Amen [Crystal Inspirations](#) JoAnne Tuttle,2012-06-25 JoAnne raised three boys a brunette a blond and a redhead which she writes about She married me
