The New Orleans Of Possibilities Stories:

The New Orleans of Possibilities David Madden, 1982 *The New Orleans of Fiction* James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on New Orleans centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The New Orleans of Fiction: A Research Guide*, James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e., class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included. **David Madden** Randy Hendricks, James A. Perkins, 2006 For four decades, Knoxville, Tennessee native David Madden has been writing compelling bestsellers such as *Bijou* and *The Suicide's Wife*, as well as highly respected literary novels such as *Sharpshooter*. *David Madden: A Writer for All Genres* is the first full-length critical work devoted to the whole of Madden's oeuvre, and collectively the essays make the case that the attention paid to Madden's novels has overshadowed his innovative work as a critic, poet, short story writer, and dramatist. Madden is indeed a writer for all genres: poetry, fiction, drama, and criticism. *David Madden: A Writer for All Genres* will introduce a new generation of readers to an important and multitalented writer and begin a well-deserved serious discussion of his place in the American literary tradition. **Personal Souths** Douglas B. Chambers, 2012-04-25 *Personal Souths*, a collection of twenty interviews with famous southern writers, will mark the fiftieth anniversary of *The Southern Quarterly*, one of the oldest scholarly journals founded in 1962, dedicated to southern studies. The figures interviewed range from Erskine Caldwell, Eudora Welty, and Tennessee Williams, all from the 1970s, to a virtual Who's Who of southern literature in the second half of the twentieth century. All of these interviews were originally published in the journal in the 1980s, 1990s, and 2000s and are collected here for the first time. The South is represented broadly, with writers from eight states; at least four represent the mountain South: Donald Harrington, Bobbie Ann Mason, Robert Morgan, Lee Smith, while another four typify a cosmopolitan South: Reynolds Price, Mary Lee Settle, Elizabeth Spencer, Tennessee Williams. The greatest number of voices, at least eight of the authors, speak for or from the poor white South: Larry Brown, Erskine Caldwell, Harry Crews, Donald Harrington, Bobbie Ann Mason, Robert Morgan, Del Shores, Lee Smith. Though there is only one African American writer, Ernest J. Gaines, another interview, William Styron, Pulitzer Prize-winning author of

The Confessions of Nat Turner also focuses on a conversation about African American literature. The interviews are all fascinating. Not only do they reveal the personalities of these southern literary stars but they also represent a self-conscious community of writers. It is a testament to the quality of *The Southern Quarterly* that many of these writers when discussing their most important contemporaries often refer to other writers whose interviews are also in this collection. These firsthand discussions will continue to illuminate and inform our understanding of their creative work.

The Companion to Southern Literature Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01. Selected as an Outstanding Academic Title by Choice. Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association. There are many anthologies of southern literature but this is the first companion. Neither a survey of masterpieces nor a biographical sourcebook, *The Companion to Southern Literature* treats every conceivable topic found in southern writing from the pre-Columbian era to the present, referencing specific works of all periods and genres. Top scholars in their fields offer original definitions and examples of the concepts they know best, identifying the themes, burning issues, historical personalities, beloved icons, and common or uncommon stereotypes that have shaped the most significant regional literature in memory. Read the copious offerings straight through in alphabetical order: Ancestor Worship, Blue Collar Literature, Caves, or skip randomly at whim: Guilt, The Grotesque, William Jefferson Clinton. Whatever approach you take, *The Companion's* authority, scope, and variety in tone and interpretation will prove a boon and a delight. Explored here are literary embodiments of the Old South, New South, Solid South, Savage South, Lazy South, and Sahara of the Bozart. As up-to-date as grit lit, K-Mart fiction, and postmodernism, and as old-fashioned as Puritanism, mules, and the tall tale, these five hundred entries span a reach from Lady to Lesbian Literature. The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche. The South's lavishly rich literature provides the best means of understanding the region's deepest nature, and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge.

Description of Contents: 500 lively, succinct articles on topics ranging from Abolition to Yoknapatawpha; 250 contributors including scholars, writers, and poets; 2 tables of contents, alphabetical and subject, and a complete index; A separate bibliography for most entries.

The Voice of James M. Cain David Madden, 2020-02-21. James M. Cain was among the prominent members of the hard-boiled school of writing that characterized the 1930s and 1940s, one of the masters of the genre that included Dashiell Hammett and Raymond Chandler. His novels became such popular film noir classics as *The Postman Always Rings Twice*, *Double Indemnity*, and *Mildred Pierce*, and his 1937 novel *Serenade* boldly portrayed its hero as a bisexual. Cain also taught journalism at various colleges in Maryland, wrote editorials for the *New York World*, and was for a brief time managing editor at *The New Yorker*. This is the first biography of James M. Cain written with the full cooperation of the late novelist's family.

Arranging Stories Heather A.

Fox,2022-07-27 Between the 1880s and the 1940s opportunities for southern white women writers increased dramatically bolstered by readers demands for southern stories in northern periodicals Confined by magazine requirements and social expectations writers often relied on regional settings and tropes to attract publishers and readers before publishing work in a collection Selecting and ordering magazine stories for these collections was not arbitrary or dictated by editors despite a male dominated publishing industry Instead it allowed writers to privilege stories or to contextualize a story by its proximity to other tales as a form of social commentary For Kate Chopin Ellen Glasgow Marjorie Kinnan Rawlings and Katherine Anne Porter the authors featured in this book publishing a volume of stories enabled them to construct a narrative framework of their own Arranging Stories Framing Social Commentary in Short Story Collections by Southern Women Writers is as much about how stories are constructed as how they are told The book examines correspondence manuscripts periodicals and first editions of collections Each collection s textual history serves as a case study for changes in the periodical marketplace and demonstrates how writers negotiated this marketplace to publish stories and garner readership The book also includes four tables featuring collected stories arrangements and publication histories and twenty five illustrations featuring periodical publications unpublished letters and manuscript fragments obtained from nine on site and digital archives Short story collections guide readers through a spatial experience in which both individual stories and the ordering of those stories become a framework for interpreting meaning Arranging Stories invites readings that complicate how we engage collected works
