The New Revelation:

The New Revelations Neale Donald Walsch, 2002 Offers a perspective on the current global crisis while challenging readers to shift away from stereotypical opinions presenting strategies for addressing and resolving cultural problems that are resulting in conflict Revelation to Transformation Paul White, 2011-06-08 Most of us have become accustomed to the constant preaching and teaching of guilt and condemnation This slowly but surely pulls our eyes off of the loveliness of the finished work and onto the unfinished areas of our lives We know that we are flawed we don't need someone screaming at us to figure that out Our problem is not the absence of knowledge that we need help Rather it is the utter inability to help ourselves Calvary was God's intervention in all of our issues By relieving us of the punishment of sin He is freeing us from the weight of guilt and the fear of death The author of Hebrews said that when Jesus died He did so to deliver them who through fear of death were all their lifetime subject to bondage Hebrews 2:15 Jesus has delivered us from fear of eternal punishment by being punished in our place The Lost Revelation Ira Messenger, 2007-12 Providing us with the only known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books *The Wrong Turn* *The Fourth Dimension* and *The Indictment* Messenger is also a radio and television talk show host *The Lost Revelation* offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity *The Challenge of the Cults and New Religions* Ron Rhodes, 2009-08-30 Cults and New Religions Aren't Hard to Find They're in your neighborhood your workplace your school maybe even your family Cults are flourishing across America Chances are you've encountered one perhaps even know someone who is involved in a cult Can you discuss knowledgeably the critical differences between Christianity and the teachings of Mormonism Jehovah's Witnesses Scientology the New Age movement Hindu based cults and other prominent groups and religious movements In this essential resource preeminent cult authority Ron Rhodes explains what cults are why they are cause for concern and why in the 21st century as never before their numbers and memberships are exploding nationally and worldwide Drawing on his extensive experience as a cult researcher Rhodes offers to the point cutting edge information on twelve major cults and new religions Mormonism Jehovah's Witnesses Mind Sciences New Age Movement Church of Scientology Hindu based Cults Unification Church Baha'i Faith Unitarian Universalism Oneness Pentecostalism Masonic Lodge Satanism Learning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter *The Challenge of the Cults and New Religion* includes Color photos Scripture Index Subject Index Glossary Bibliography And your resources don't

end at the last page You can supplement your knowledge whenever you choose by visiting the author s Web site at www.ronrhodes.org for free thorough up to the minute information on each cult discussed in the book If you re concerned for the temporal and eternal welfare of others The Challenge of the Cults is a must It will help you confront the deception of false Christs and lying doctrines with the clear well grounded truth of biblical Christianity **The New Revelation** Arthur Conan Doyle,1999 **Revelation (Paideia: Commentaries on the New Testament)** Sigve K. Tonstad,2019-11-05 This practical commentary on Revelation is conversant with contemporary scholarship draws on ancient backgrounds and attends to the theological nature of the text Sigve Tonstad an expert in the early Jewish context of the New Testament offers a nonretributive reading of Revelation and addresses the issue of divine violence Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes moral habits and making judicious use of photos and sidebars in a reader friendly format

Signs and Visions - The Seen and Unseen Frank T. Whitehurst, I.C., 2014-03 Frank Whitehurst an academic expert and veteran law enforcement professional used a mix of police reporting and academic formatting to meticulously document and present real life experiences that occurred during a period from 2012 to 2013 The occurrences and revelations are linked The information is of interest to people of all religious faiths agnostics atheists and people who take no position The terms miracle vision and sign are defined within the text to set some foundation for reading Although some personal assumptions are made the facts are outlined so that decisions may be made by others based on their own intellect While reading you will be challenged to ponder what has been seen and assumed as well as what has not been seen and assumed By pondering the information presented you may have personal revelations and perhaps make your own connections Still enlightenment may stem from a spark of desire to search and seek to self analyze to hone one's focus and to pay closer attention It does not matter if you doubt believe or disbelieve Whether using natural law or supernatural reasons the occurrences will stimulate critical thinking The information creates a foundation for expanding on personal beliefs and understanding to evaluate and reevaluate

Perhaps you will be surprised at what you read or more surprised at what you personally uncover The information presented is unique Use these unique occurrences revelations and connections to read for pleasure self study personal research improved understanding spirituality defining a personal focus or a challenge to identify new revelations **Uniqueness** Gabriel Moran,2008-11-01 The concept of the uniqueness of Christianity often blocks attempts at dialogue with other religions Traditionally the argument goes if Christianity is unique then to dialogue with others somehow diminishes the weight of the claim that Jesus and the Gospel are unique But what if uniqueness properly defined actually constitutes the key for understanding both Jewish and Christian traditions Author Gabriel Moran frames his analysis of uniqueness by discussing the implications of that question In this fluent and conversational work Moran examines the paradox surrounding the concept of uniqueness in Christian and Jewish religious traditions He uncovers the layers of meaning that accrue in a word that is in some sense both illogical and yet indispensable for human religious conversation Tracing a logic of uniqueness embodied in revelation faith chosenness covenant and mediator Moran opens a conversation between Jews and Christians that will lead readers to greater wisdom and religious depth **Holy Scriptures in Judaism, Christianity and Islam** H. M. Vroom,Jerald D. Gort,1997 One of the prime issues that needs to be addressed in dialogical encounter between the three monotheistic faiths of the world is that concerning the authority and interpretation of Holy Writ since Jews Christians and Muslims alike consider their Scriptures to be divine revelation It is incumbent upon each of these religions to apprise itself of the hermeneutical approach employed by the others in ascribing current meaning to ancient scriptural texts This is not only important as a means for the enhancement of inter religious understanding but is also of great interest to society at large What role does the Jewish Bible the Christian Bible and the Qu ran play in the thinking and the lives of contemporary Jews Christians and Muslims How are these Holy Scriptures interpreted in terms of present day circumstances How much room do the three religions allow for bringing their basic messages and biblical theological traditions into rapport with constantly changing social political and economic conditions Is the concept of hermeneutical space acceptable to these religions If so in what sense and at what level Is it possible to identify the scopus of a text and then reconstitute it textually as it were in light of the social and ethical questions thrown up by new contextual developments Can interpretive adjustments be made without jeopardizing the core message of the text involved And do the three monotheistic religions stand open to one another for influence in this regard Has one or another of them taken hermeneutical cues from the others Is there room for mutual learning within the hermeneutical space mentioned above or is this a sacred space closed to all influence from other traditions These are among the central questions raised and dealt with in this interreligious collection of essays perhaps the only dialogical symposium to date to deal exclusively with the doctrine and hermeneutics of Holy Scripture in Judaism Christianity and Islam **The Scots Magazine** ,1742 **The Gospel of the Christ** Thomas Lewis Stegall,2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess

eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

Holy Fable Volume IV Robert M. Price,2020-04-21 In this fourth volume of Robert M Price s celebrated Holy Fable series he turns his critical lens away from the Bible and toward a broader range of scriptural works that were written or rediscovered in modern times Employing the same sympathetic but eagle eyed treatment that defined past volumes he offers in depth analysis of the Joseph Smith penned Book of Mormon the long sealed Gospel according to Thomas the New Age Jesus of the Aquarian Gospel the H P Lovecraft invented Necronomicon and the Andrew Lloyd Webber and Tim Rice rock opera Jesus Christ Superstar With his trademark scholarship and wit he demonstrates how and why this eclectic mix of contemporary scriptural work provides genuine spiritual inspiration to a colorful variety of religious groups and seekers today
