**The New York Trilogy** Paul Auster, 2008-09-04 The contemporary classic from our supreme post modernist Ian McEwan expanding the possibilities of the noir detective novel whose writing shines with intelligence and originality Don DeLillo The New York Trilogy is the most astonishing work by America's most consistently astonishing writer three interconnected novels that exploit the riveting elements of classic detective fiction to achieve a radical new genre a profound and unsettling existentialist enquiry in the tradition of Kafka or Borges In each story the search for clues leads to remarkable coincidences in the universe as the simple act of trailing a man ultimately becomes a startling investigation of what it means to be human The result is the modern novel at its finest which will shock transfix and astound every reader Marks a new departure for the American novel Observer A shatteringly clever piece of work Utterly gripping written with an acid sharpness that leaves an indelible dent in the back of the mind Sunday Telegraph One of the great American prose stylists of our time New York Times Auster really does possess the wand of the enchanter New York Review of Books

**Ghosts** Paul Auster, 1986 The second book in the acclaimed New York Trilogy a detective story that becomes a haunting and eerie exploration of identity and deception It is a story of hidden violence that culminates in an inevitable but unexpectedly shattering climax

**Paul Auster's The New York Trilogy** Paul Auster, 2025-04-08 From award winning novelist Paul Auster comes the graphic adaptation of his deeply beloved series The New York Trilogy a postmodern take on detective and noir fiction In 1994 Paul Auster's City of Glass was adapted into a graphic novel and became an immediate cult classic published in over 30 editions worldwide excerpted in The Norton Anthology of Postmodern Fiction But City of Glass was only the first novel in a series of books Auster's acclaimed New York Trilogy and graphic novel readers have been waiting for years for the other two tales to be translated into comics Now the wait is over The New York Trilogy is post modern literature disguised as Noir fiction where language is the prime suspect An interpretation of detective and mystery fiction each book explores various philosophical themes In City of Glass an author of detective fiction investigates a murder and descends into madness Ghosts features a private eye named Blue trailing a man named Black for a client called White This too ends with the protagonist's downfall And in The Locked Room another author is experiencing writer's block and hopes to break it by solving the disappearance of his childhood friend The second two parts of this trilogy will be appearing in this volume for the very first time as a graphic novel Paul Karasik the mastermind behind the three adaptations art directed all three books City of Glass is illustrated by the award winning cartoonist David Mazzucchelli the second volume Ghosts is illustrated by New Yorker cover artist Lorenzo Mattotti and The Locked Room is adapted and drawn by Karasik himself These adaptations take Auster's sophisticated wordplay and translate it into comicsplay both highbrow and lowbrow and immensely fun reading

**Paul Auster's "The New York Trilogy" as Postmodern Detective Fiction** Matthias Kugler, 1999-10 Thesis M A from the year 1999 in the subject American Studies Literature grade 2.1 University of Freiburg Philosophische Fakultät

Nordamerikastudien language English abstract Inhaltsangabe Abstract Paul Auster's New York Trilogy published in one volume for the first time in England in 1988 and in the U S in 1990 has been widely categorised as detective fiction among literary scholars and critics There is however a striking diversity and lack of consensus regarding the classification of the trilogy within the existing genre forms of the detective novel Among others Auster's stories are described as metaanti detective fiction mysteries about mysteries a strangely humorous working of the detective novel very soft boiled a metamystery glassy little jigsaws a mixture between the detective story and the nouveau roman a metaphysical detective story a deconstruction of the detective novel antidetective fiction a late example of the anti detective genre and being related to hard boiled novels by authors like Hammett and Chandler Such a striking lack of agreement within the secondary literature has inspired me to write this paper It does not however elaborate further on this diversity of viewpoints although they all seem to have a certain validity and underline the richness and diversity of Auster's detective trilogy neither do I intend to coin a new term for Auster's detective fiction I would rather place The New York Trilogy within a more general and open literary form namely postmodern detective fiction This classifies Paul Auster as an American writer who is part of the generation that immediately followed the classical literary movement of American postmodernism of the 60s and 70s His writing demonstrates that he has been influenced by the revolutionary and innovative postmodern concepts characterised by the notion of anything goes on a planet of multiplicity as well as by French poststructuralism

*Subverting Masculinity* ,2021-08-04 Contemporary Western societies are currently witness to a crisis of masculinity but also to an intriguing diversification of images of masculinity Once relatively stable regimes of masculine gender representation appear to have been replaced by a wider spectrum of varieties of masculine lifestyles taken up by the media and the market to produce new and immensely flexible forms consumerised gender hegemony The essays in Subverting Masculinity concentrate on contemporary film literature and diverse forms of popular culture The essays show that the subversion of traditional images of masculinity is both a source of gender contestation but may equally be susceptible to assimilation by new hegemonic configurations of masculinity Subverting Masculinity maps out the ongoing relevance of gender politics in contemporary culture but also raises the question of increasingly unclear distinctions between hegemonic and subversive versions of masculinity in contemporary cultural production Subverting Masculinity will be of interest to students and teachers of gender cultural film and literary studies

Proust Mann Musil Kafka Joyce Faulkner and Szczypiorski      Ethics of Literary Forms in Contemporary American Literature  
 Rüdiger Heinze, 2005 This work links ethics and the formal arrangement of literary texts It shows that specific formal techniques and devices and the overall form of literary texts always have an ethical dimension and beg certain ethical questions Covering the three main genres of narrative drama and poetry the discussion addresses aspects of syntax line breaks mise en scene and narrative situation as well as the table of contents list of characters and chapter structure in six texts by contemporary American authors Paul Auster Don DeLillo Tony Kushner Suzan Lori Parks John Ashbery and Jorie Graham      *The Sublime Today* Gillian B.  Eberhard Alsen, 2023-12-21 Intended for teachers and students of American Literature this book is the first comprehensive analysis of romantic tendencies in postmodernist American fiction The book challenges the opinion expressed in the Columbia History of the American Novel 1991 and propagated by many influential scholars that the mainstream of postmodernist fiction is represented by the disjunctive and nihilistic work of such writers as Kathy Acker Donald Barthelme and Robert Coover Professor Alsen disagrees He contends that this kind of fiction is not read and taught much outside an isolated but powerful circle in the academic community It is the two part thesis of Professor Alsen s book that the mainstream of postmodernist fiction consists of the widely read work of the Nobel Prize laureates Saul Bellow and Toni Morrison and other similar writers and that this mainstream fiction is essentially romantic To support his argument Professor Alsen analyzes representative novels by Saul Bellow J D Salinger Norman Mailer Flannery O Connor John Updike Kurt Vonnegut Philip Roth Thomas Pynchon Toni Morrison the later John Barth Alice Walker William Kennedy and Paul Auster Professor Alsen demonstrates that the traits which distinguish the fiction of the romantic postmodernists from the fiction of

their disunitive and nihilist colleagues include a vision of life that is a form of philosophical idealism an organic view of art modes of storytelling that are reminiscent of the nineteenth century romance and such themes as the nature of sin or evil the negative effects of technology on the soul and the quest for transcendence

**Ghost Writing in Contemporary American Fiction** David Coughlan, 2016-11-05 This book examines representations of the specter in American twentieth and twenty first century fiction David Coughlan s innovative structure has chapters on Paul Auster Don DeLillo Toni Morrison Marilynne Robinson and Philip Roth alternating with shorter sections detailing the significance of the ghost in the philosophy of Jacques Derrida particularly within the context of his 1993 text *Specters of Marx* Together these accounts of phantoms shadows haunts spirit the death sentence and hospitality provide a compelling theoretical context in which to read contemporary US literature *Ghost Writing in Contemporary American Fiction* argues at every stage that there is no self no relation to the other no love no home no mourning no future no trace of life without the return of the specter that is without ghost writing
