My Life Among the Serial Killers Helen Morrison, Harold Goldberg, 2009-10-13 In this memoir a forensic psychiatrist chronicles her work with more than 80 serial killers and her thoughts on what compels them Judging by appearances Dr Helen Morrison has an ordinary life in the suburbs of a major city She has a physician husband two children and a thriving psychiatric clinic But her life is more than that She is one of the world s leading experts on serial killers and has spent as many as four hundred hours alone in rooms with depraved murderers digging deep into killers psyches in ways no profiler ever has before In My Life among the Serial Killers Dr Morrison relates how she profiled the Mad Biter Richard Otto Macek who chewed on his victims body parts stalked Dr Morrison then believed she was his wife She did the last interview with Ed Gein who was the inspiration for Alfred Hitchcock s Psycho John Wayne Gacy the clown obsessed killer of young men sent her crazed Christmas cards and gave her his paintings as presents Then there was Atlanta child killer Wayne Williams rapist turned murderer Bobby Joe Long Fred and Rosemary West who killed girls and women in their Gloucester House of Horrors and Brazil s deadliest killer of children Marcelo Costa de Andrade Dr Morrison has received hundreds of letters from killers read their diaries and journals evaluated crime scenes testified at their trials and studied photos of the gruesome carnage She has interviewed the families of the victims and the spouses and parents of the killers to gain a deeper understanding of the killer s environment and the public persona they adopt She has also studied serial killers throughout history and shows how this is not a recent phenomenon with psychological autopsies of the fifteenth century French war hero Gilles de Rais the sixteenth century Hungarian Countess Bathory H H Holmes of the late nineteenth century and Albert Fish of the Roaring Twenties Through it all Dr Morrison s goal has been to discover the reasons serial killers are compelled to murder how they choose their victims and what we can do to prevent their crimes in the future Her provocative conclusions will stun you Praise for My Life Among the Serial Killers A scary piece of work with even scarier implications Kirkus Reviews

A profoundly enlightening book Morrison provides startling insights into what factors breed serial killers and she avoids the broad generalizations that make other books of the topic seem slick and superficial This is an absorbing disturbing book that makes it clear just how much we have yet to learn Booklist **The Serial Killer's Apprentice** James Renner,2008

Discusses twelve cold cases in Northeast Ohio involving murders and abductions **The Messiah Prophecy Murders** Charles LeRoy Janes,2022-06-10 If Quentin Tarantino and Fyodor Dostoyevsky were to meet on a street in old St Petersburg and agree to collaborate on a story the Messiah Prophecy Murders is the story they would write Deep in war torn Poland in September 1939 a Red Army soldier about to execute a wounded Polish officer is brought to a trembling halt when he recognizes the officer as a boyhood friend s father who had been deeply generous to his own father when he was in desperate need of help to feed his impoverished family With the recollection of the father s acts of kindness the soldier hesitates fires a round harmlessly into the ground and whispers to the officer to lie still so that nearby soldiers who heard the shot will think their comrade did his duty and finished off the enemy officer The consequences of that act of mercy then caromed through time and space and the lives of the combatants and their progeny to land in a courtroom in Newport Rhode Island in a trial for murder in which the Polish officer s son Piotr Zaborski has been framed and betrayed by the soldier s son Nicolay Speshnev both of whom are naturalized U S citizens after having immigrated from Poland in their teens nearly thirty years earlier In the aftermath of the 9 11 attack on the World Trade Center the posh resort community of Newport was convulsed by the slayings of the stunningly beautiful daughters of three of its ultra wealthy Summer Colony families The features of the murders and the evidence found at each of the crime scenes most notably a handwritten prophecy of Christ s Second Coming strongly suggest that the killer is driven by depraved religious compulsions and obsessions Suspicion falls heavily on Zaborski who years earlier while a novice at a nearby Benedictine monastery was expelled from the monastery for mysterious reasons Since his expulsion he has become a fixture on the streets of Newport known for his often homeless destitute and eccentric existence for his ostentatious and frequent public displays of intense religiosity and aggressive Pro Life advocacy and for his irrepressible habit of endlessly and seemingly aimlessly roaming the streets of Newport at all hours of the day and night dressed in filthy dumpster clothing embellished by an ever present outsized monk s rosary and crucifix draped conspicuously around his neck In the heated nearly hysterical atmosphere of Newport in the weeks after the murders the unsubstantiated accusations and inchoate suspicions directed at Zaborski harden into the conviction that he is the killer when law enforcement leaks to the media the text of the crime scene prophecies and the reports of forensic experts concluding that the prophecies were written in Zaborski s hand With public opinion howling for Zaborski s neck and with the summer tourist season fast approaching the city fathers mount a campaign of their own to pressure law enforcement into arresting Zaborski in the hope that with his arrest Newport will be able to return to its customary celebratory and pleasure seeking ways with crowded sun dappled beaches packed hotels and boisterous bars and restaurants The hope proves illusory

however as the murder and mayhem continue even after Zaborski's arrest and incarceration pending trial From his perch as the maitre d of one of Newport's poshest waterfront restaurants the psychopathic but Armani sleek and charismatic Speshnev resumes his bloody siege of Newport which keeps the resort community in the grip of a crippling fear and dread Despite the further acts of violence while Zaborski is incarcerated the state relentlessly pursues its indictment against him Eventually it is only through the tenacious investigative efforts of Zaborski's pro bono but celebrated Boston defense counsel Anthony Caro and Caro's local Newport co counsel and love interest Maura Boyle that the long ago events in Poland are unearthed That all leads to the evidence that wins Zaborski's acquittal at trial and to the arrest of Speshnev for the murders

**Unsolved Murders in South
Yorkshire** Scott Lomax,2013-05-02 Whilst the passage of time can and has uncovered many secrets killers could get away
with their crimes in 1596 when Shakespeare penned these words and this is certainly the case in more recent times as
Unsolved Murders in South Yorkshire clearly demonstrate The early chapters include cases of historic interest where killers
certainly went to the grave in the knowledge they had got away with murder Cases include suspicious deaths which left
detectives in South Yorkshire baffled but which were it would seem acts of callous murder which were not recognised as
such due to dubious police opinions and practices There are also cases of clear murder such as a man shot in the head during
the Victorian period whose killer was never identified The later chapters however feature more recent cold cases where there
is still the possibility that the wicked men or women who were responsible for such acts of inhumanity may remain within our

society Cases include a man murdered for less than 70 in a city centre multi storey car park a teenage girl abducted sexually assaulted and left dead on a dung hill a young mother who entered prostitution and died at the hands of a man with more than sex on his mind a pregnant woman who left home one day to go shopping but was found days later dead in a ditch with her throat cut and a disabled woman who was strangled in her home which was then set ablaze For some of these cases there is the chance that someone has information which despite the passage of decades could lead to one or more individuals standing trial for murder Justice can still prevail

Frostfall Island Cozy Mystery Series London Lovett, 2023-01-22 This volume contains books 1-3 of London Lovett's Frostfall Island Cozy Mystery series. Join Anna St James and her cast of merry misfits on Frostfall Island for three full-length murder mysteries.

Book 1: Murder at North Pond When Anna St James graduated college with a business degree, she never expected to find herself running a boarding house on a small island off the east coast. But life throws a lot of curves, and Anna has certainly had her share of them. Now settled into life as owner and landlady of the Moon River Boarding House on Frostfall Island, Anna couldn't imagine living anywhere else or without the unique and somewhat eccentric tenants she considers family. Anna would be perfectly content baking and keeping house, but Frostfall Island, lovely, remote, and somewhat wild, always manages to throw a curve of its own. Most of the time Frostfall is a charming island with a busy fishing boat harbor and town that attracts summer tourists. But occasionally, quite occasionally, if that's a phrase, there's an unexpected murder. Without a dedicated police force, the locals look to Anna to solve crimes. She's not entirely sure how she landed the role of amateur sleuth, but she takes her side job seriously. When a man dies in a pirate battle reenactment, Anna steps into gear. Only this time, she has a parallel mystery to solve. Her newest tenant, Nathaniel Smith, is quite the puzzle, a puzzle who came with a piercing blue gaze and a trove of secrets.

Book 2: Death by Rocky Road Anna St James is having a great summer. Her newest tenant is working out fine, the weather on Frostfall Island is fabulous, and the tourists have returned. Although Anna wishes there were a few less of them, the island is hosting a massive romance reader event complete with big-name authors, cover models, enthusiastic readers, and best of all, ice cream sundaes. Anna's sister Cora and their eccentric housemate Opal are anxious to attend so they can meet their favorite authors. Anna decides to tag along to see what all the excitement is about. And excitement is definitely not lacking. When one of the most popular authors winds up dead, it is up to Anna to find out which of her many enemies was pushed far enough to commit murder.

Book 3: Ice Cold Killer Winter has blanketed Frostfall Island, and while most of the tourists are long gone, there is still plenty of activity. A hockey tournament brings a large group of ice enthusiasts to Frostfall. Anna and the gang are looking forward to the diversion. Aside from adding a bit of chaos to an otherwise sleepy snow-covered island, the event stirs up controversy and brings to light old family grievances. When Simon Snowstone, the richest man on the island, is found dead in his home, Anna soon finds herself snow-deep in a murder case. Now she must untangle a family history to find out who killed the family patriarch.
