The Next To Last Train Ride:

The Next-to-last Train Ride Charles Dennis,1977 A New Journey Mary Ann Tate,2019-11-14 My book is very unique I ve put one person s photo before each story showing one of my deceased loved ones I also used their first name as that of the main character In addition I d like to say my book not only is interesting but can also be life changing Fairy Tales, Fables & Yarns For All Ages Robert Lee, Fairy tales are escapes into wondrous worlds It is only our inflexible adult reasoning that tells us that they are just for children Fables too are disdainfully disregarded by grown ups in spite of the valuable life lessons that they often provide It is only yarns and tall tales that are permitted to dwell in the structured world of the adult I have compiled this collection of silly inconsequential stories and poems to satisfy the child in any of us that has been handicapped by active imagination and has been unable to fully embrace the responsible pedantic adult world A few of these little stories were written for my children as they journeyed from childhood to adolescence to adulthood I hope that the tales have allowed them to avoid becoming staid grownups A few of these yarns were written for staid adults I am glad to say that they for a few moments anyway were able to become irresponsible children again A couple specifically the romantic poems were written for my wife who I hope will not be terribly upset that I have shared private thoughts with the world Many were written just for me No reason other than that I like being a perpetual child For those of you who dare to explore wondrous worlds even if you do so in the secrecy of your own hidden sanctums I welcome you to my haven Please enjoy and thank you

The Last Secret of World War II Robert Epperly,2024-11-07 Adolf Hitler is widely recognized as one of the worst leaders in history His Third Reich is responsible for the genocide of countless human lives to include six million Jews The Nazi regime manufactured the Holocaust along with other mass human atrocities on a scale not previously seen It was their intention to rid the world of certain ethnicities to create the perfect human race They had advanced engineering and weapons and this propelled their success in the blitzkrieg model Most Allies were not prepared to combat against this tactic and had to catch up with the Wehrmacht at the onset of WWII It was Hitler s intention to create a one thousand year Reich but he failed This book dives into Hitler s alternative plan to secure his thousand year reign Could having a son with Eva Braun before they died in April 1945 be the catalyst to continue his pursuit of perfection How could this child have safely gotten out of Nazi Germany Could he follow the ratlines so many other Nazis used Who could Adolf Hitler trust with such an important task If this child did escape where did he go and where is he now What would the Mossad say about this child if they learned of his existence All of these questions and more will be answered when you read The Last Secret of WWII

Vanished: Seven Women Magicians Who Simply Disappeared Anna Hays,2025-09-09 Discover the amazing illustrated stories of seven women magicians who pulled off spectacular and death defying illusions and acts achieved global fame and then simply disappeared During the Golden Age of Magic from 1860 to 1930 seven women magicians in America defied Victorian conventions and created a unique place in history for themselves and future performers to come There was Anna

the mindreader Adelaide who could float in midair Talma who could magically shower the stage with gold coins and many more During a time when women were typically confined to the home these trailblazers crossed oceans on steamships and traveled the globe bringing their imaginative brand of magic to audiences around the world They followed their hearts and pursued their dreams of performing magic in the spotlight when women had neither a vote nor a voice in America They made history Yet once their career ended so did their legacy For decades their stories were hidden or overshadowed by male counterparts but now they've come to life in this vibrant and captivating book The Last Drug-Free Bodybuilder Bob Gallucci, Ed.D., *Last Dance on the Starlight Pier* Sarah Bird, 2022-04-12 Set during the Great Depression Sarah Bird's *Last Dance on the Starlight Pier* is a novel about one woman and a nation struggling to be reborn from the ashes July 3 1932 Shivering and in shock Evie Grace Devlin watches the Starlite Palace burn into the sea and wonders how she became a person who would cause a man to kill himself She'd come to Galveston to escape a dark past in vaudeville and become a good person a nurse When that dream is cruelly thwarted Evie is swept into the alien world of dance marathons All that she has been denied a family a purpose even love waits for her there in the place she dreads most the spotlight *Last Dance on the Starlight Pier* is a sweeping novel that brings to spectacular life the enthralling worlds of both dance marathons and the family-run empire of vice that was Galveston in the Thirties Unforgettable characters tell a story that is still deeply resonant today as America learns what Evie learns that there truly isn't anything this country can't do when we do it together That indomitable spirit powers a story that is a testament to the deep well of resilience in us all that allows us to not only survive the hardest of hard times but to find joy friends and even family in them *John Muir's Last Journey* John Muir, 2013-04-10 I am now writing up some notes but when they will be ready for publication I do not know It will be a long time before anything is arranged in book form These words of John Muir written in June 1912 to a friend proved prophetic The journals and notes to which the great naturalist and environmental figure was referring have languished unpublished and virtually untouched for nearly a century Until now Here edited and published for the first time John Muir's travel journals from 1911-12 along with his associated correspondence finally allow us to read in his own words the remarkable story of John Muir's last great journey Leaving from Brooklyn New York in August 1911 John Muir at the age of seventy-three and traveling alone embarked on an eight-month 40,000-mile voyage to South America and Africa The 1911-12 journals and correspondence reproduced in this volume allow us to travel with him up the great Amazon into the jungles of southern Brazil to snowline in the Andes through southern and central Africa to the headwaters of the Nile and across six oceans and seas in order to reach the rare forests he had so long wished to study Although this epic journey has received almost no attention from the many commentators on Muir's work Muir himself considered it among the most important of his life and the fulfillment of a decades-long dream John Muir's *Last Journey* provides a rare glimpse of a Muir whose interests as a naturalist traveler and conservationist extended well beyond the mountains of California It also helps us to see John Muir as a different kind of hero

one whose endurance and intellectual curiosity carried him into far fields of adventure even as he aged and as a private person and family man with genuine affections ambitions and fears not just an iconic representative of American wilderness With an introduction that sets Muir s trip in the context of his life and work along with chapter introductions and a wealth of explanatory notes the book adds important dimensions to our appreciation of one of America s greatest environmentalists John Muir s Last Journey is a must reading for students and scholars of environmental history American literature natural history and related fields as well as for naturalists and armchair travelers everywhere **Last Rites** John Evans,2016-04-15 John Evans takes a fond look back at steam engines scrapped in the 1960s *Suoreme Court: New York Court of Appeals,*

John Berger and Me Nikos Papastergiadis,2024-08-01 The memoir of a deep friendship between two important intellectual figures bound by their interest in art and their experience of migration In John Berger and Me the eminent Australian sociologist Nikos Papastergiadis recalls his relationship with the late English writer and art critic John Berger His memoir is both a portrait of their friendship and an account of the work of his former mentor one which combines Berger s abiding interest in migrants and migration with Papastergiadis reflections on his own family s experience of migration Berger was a successful author and artist who lived in England before he moved to a peasant village in the Haute Savoie Papastergiadis father was born in a peasant village in Greece and migrated to work in factories in Australia The memoir covers a period of ten years in the 1990s when the younger Nikos spent many summer months with the distinguished author living in the family house and sharing duties such as the gathering of the harvest It draws on personal memories his deep knowledge of Berger s work which was the subject of his doctoral thesis and anecdotes of life in the village and beyond The intertwining of their common experiences means that the book is both a biography and an autobiography as well as a tribute to one of the most significant cultural thinkers of recent times Isaac's "Privateering" Tour Blog Isaac Shabtay,2013-09 During the spring summer of 2013 I was following Mark Knopfler s Privateering concert tour in Europe attending all 70 concerts in 23 countries This book is a printed edition of an online diary I was keeping throughout the entire journey containing an honest open and unedited account of what has been going through the mind of an individual crossing the Old Continent following his favourite musical group **Last Man Out** R.W.
